Northside Service Center, Northside Express Mart and The Stetson Club are working with Connie Collins and Thomas Mangan trying to locate families in the 14420 zip code area who have family members actively serving in the military. We are looking to honor local military members by hanging banners in the area similar to the “Hometown Hero” banners that are hanging in Spencerport.

Anyone who has been in Spencerport has no doubt seen the banners honoring their brave men and women who are actively serving our great country. Ms. Collins had suggested this idea at a recent village of Brockport board meeting. **Northside Service Center, Northside Express Mart and The Stetson Club** were quick to acknowledge that this is an outstanding idea. **Northside Service, Northside Express Mart and The Stetson Club** are proud and humbled to be working on this very honorable cause.

The banner would have the military member’s photo in the center along with the rank, the branch of service that the person is enlisted with and the location of where he/she is currently stationed.

The Stetson Club will be the point of contact for collecting the member’s information as well as collecting donations. If anyone has any information on any local people actively serving (they do not need to be deployed overseas) please contact the Stetson Club. If you would like to donate to this worthy project please contact:
