

SBB Wall Map & Atlas order form

NAFTA Steel Mills 2008

SBB's North American Free Trade Association Map and Atlas is now out, packed full of latest updated information.

This is our first NAFTA map, a region that last year produced over 130 million tones (144 m s.tons), 10% of the world's total.

This high quality map shows 39 Canadian, 38 Mexican and 341 US steel mills, from integrated works to re-rollers and pipe-makers.

This map now includes plant capacities!

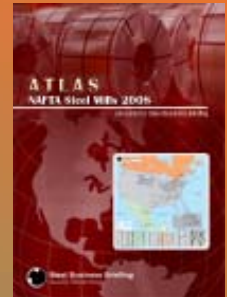

Features include

- Location and categorisation of 418 steel mills (including re-rollers, coating operations & pipe makers)
- Plant capacities*
- Easy to view inserts
- Major ports & international shipping distances
- Capitals, major cities, roads and rivers
- Non-reflective matt finish

*where known

The wall map is also available in a convenient softbound **Atlas** format.

Steel mills in each country are fully indexed by name and product / process for fast reference.
