

CHRISTMAS CARD

GRAND PRIZE

BY KATLYN GERKEN

This year's Grand Prize Christmas Card Contest Winner is Kara Schuler of St. Joseph 2094, Cold Spring, Ky. Kara, a first-time winner of a COF Photo, Poster, Christmas Card Contest, used watercolors and a bottle of black ink to create her design. She had two sources of inspiration for the project, one being artist Jan Pienkowski who uses black

cut out silhouettes to create her work. Kara also credits her art teacher at Bishop Brossart High School, Dave Schuh "Without him I would not know who Pienkowski is or what Pienkowski's style is like." Watercolor was Kara's choice of medium because she had used it and black ink in previous projects. Congratulations, Kara!
