### **MEMORANDUM**

TO: ALL LOCAL GOVERNMENT UNITS

FROM: William L. Ashmore  
Chief Executive Officer

SUBJECT: Local Government Health Insurance Program

The Local Government Health Insurance Board is pleased to provide the Local Government Health Insurance Program (LGHIP). Legislative Act 92-303 established LGHIP to provide affordable group health insurance coverage for employees of local government units, certain organizations, and associations. The LGHIP is a self-insured group health insurance program funded from the premiums of the participating local government units and their subscribers. Effective January 1, 2015, Legislative Act 2014-401 established the Local Government Health Insurance Board to administer the LGHIP.

The first part of this guide contains application instructions for new groups to enroll in the LGHIP and criteria for establishing eligibility. Also enclosed are summaries of benefits, premiums, enrollment forms, and explanations of billing procedures. Please read and follow all instructions carefully.

We welcome this opportunity to offer you the LGHIP and trust this program will provide the health insurance coverage to meet your needs. If you have any questions or if we can be of further service, please contact a member of the Local Government staff at 334.263.8326 or 1.866.836.9137.

## **A. Act 2014-401**

Any county, any municipality, any municipal foundation, any fire or water district, authority, or cooperative, any regional planning and development commission established pursuant to Sections 11-85-50 through 11-85-73, Code of Alabama 1975; the Association of County Commissions of Alabama, the Alabama League of Municipalities, the Alabama Retired State Employees' Association, the Alabama State Employees Credit Union, Easter Seals Alabama, Alabama State University, the Alabama Rural Water Association, Rainbow Omega, Incorporated, The Arc of Alabama, Incorporated, and any of the affiliated local chapters of The Arc of Alabama, Incorporated, United Ways of Alabama and its member United Ways, any railroad authority organized pursuant to Chapter 13, Title 37, Code of Alabama 1975; or any solid waste disposal authority organized pursuant to Chapter 89A, Title 11, Code of Alabama 1975, may, by resolution legally adopt to conform to rules prescribed by the Local Government Health Insurance Board (LGHIB), may elect to have its elected officials, full-time employees, and retired employees become eligible for health insurance coverage under the Local Government Health Insurance Program (LGHIP) without any liability to the state.

Acceptance of the employees identified above shall be optional with the LGHIB.

Employees, elected officials and retirees who are eligible for health insurance pursuant to this section shall be entitled to coverage and benefits as designated by the LGHIB.

Any portion of the cost of the insurance coverage as determined by the LGHIB for the employees, elected officials and retirees and their dependents pursuant to this section may be paid by the employer.

The chief fiscal officer of each employer shall remit to the LGHIB the amount of premiums required for employee and dependent coverage under this section. The employer shall furnish the necessary information to the LGHIB.

The agreement of any employer to have its employees, elected officials and retirees to be covered under the health insurance plan provided by the LGHIB may be revoked only by complying with the following provisions:

The employer, by resolution of the governing body, shall signify its intention and desire to withdraw from such plan in writing and by delivering a copy of such resolution by certified mail to the LGHIB no later than six months prior to the effective date of withdrawal. Any employer that withdraws from participation in such plan shall be responsible for paying its claims incurred prior to the date of withdrawal, but not reported and paid prior to the date of withdrawal. The withdrawing employer shall also be liable for interest which will accrue at a rate of 1.5 percent per month on any monies due to the LGHIB which are over 30 days past due. Any organization that provides or administers health insurance benefits through the Local Government Health Insurance Program shall not provide or administer health insurance benefits to any entity which withdraws from the Local Government Health Insurance Program for a period of two years from the effective date of withdrawal. Any group that withdraws from participation shall serve a three-year waiting period from the effective date of the group's termination before such group (in good standing) may apply for re-enrollment into the Program.

The LGHIB shall promulgate such rules and regulations as may be necessary for the effective administration of the provisions of this section. (Title 36, Chapter 29, *Code of Alabama 1975*, as amended). The LGHIB shall have absolute discretion and authority to interpret the terms of the plan and reserves the right to change the terms and/or end the plan at any time and for any reason.

**B. Group Enrollment**

The governing body of any local government unit may petition, by resolution LGHIB at any time for acceptance into the LGHIP. Upon acceptance of a groups' contract by LGHIB, the group's effective date shall be the first day of the second full month following approval. See Section IV, H for complete details.

**C. Application Fee**

A \$50-per-employee (minimum \$100) application fee must be submitted by the local government unit along with the application package. The fee covers the equity buy-in into the LGHIP's reserve, accumulated by existing units. This amount is due at time of application and is non-refundable. Application fee is subject to change. Contact the LGHIB for current rate.

## **II. SUMMARY OF BENEFIT PLANS**

Each employee is eligible for coverage administered by Blue Cross and Blue Shield of Alabama. Dental coverage is optional to the local government unit. The unit, as a whole, may elect dental coverage or not elect dental coverage.

## **III. PREMIUMS**

Each local government unit is classified into either the "standard" or "preferred" category for calculating active employee premiums. The criteria used to determine a unit's premium category is as follows:

**A. Premium Categories**

**Standard**

Units meeting one or more of the following criteria:

- New units with less than two (2) complete years of claims experience during the review period. For calendar year 2016, units enrolled after January 1, 2014 were classified in the standard premium category.
- Units, who enroll retirees in the LGHIP, with less than 5% retiree participation in the unit's total enrollment.
- Units with less than 30% wellness participation were classified in the standard premium category during the wellness qualifying period of June 1, 2014 to May 31, 2015.

**Preferred**

Units who do not meet one of the above criteria for the standard premium category are classified in the preferred premium category for active employees.

**Retiree**

Retiree premiums are calculated based on the claims experience for retirees and do not use standard or preferred premium categories.

**B. Premium Discount**

Local Government units that have 80% or greater wellness participation within the wellness qualifying period of June 1st through May 31st of each year will receive a \$10 premium discount per active employee each month. Free wellness screenings are available at the worksite, Alabama Department of Public Health's county health departments, or through a participating pharmacy. For a listing of screening sites or participating pharmacy locations, please visit our website at [www.lghip.org](http://www.lghip.org). Active employees can also have their screenings done by their healthcare provider, however; applicable office visit and lab co-pays will apply. The form is located on the website and included in this guide. The Local Government Wellness Program will accept biometrical screenings provided by Local Government Health Insurance Board/State Employees' Insurance Board-approved providers only. Screenings received from non-approved providers will not be accepted. The screening must be completed by May 31 and submitted to the LGHIP office by June 15.

The discount will be for a 12-month premium period, effective January 1. The discount will be adjusted each month based on the total number of active employees covered by LGHIP. This discount is applicable regardless of whether your unit is in the standard or preferred premium category.

Although the wellness screening is available to retirees and eligible dependents, only the active employees who are employed and have participated in the wellness program as of May 31 will be counted toward your unit's percentage of participation.

The LGHIP monthly billing has a symbol by each person's name that has been screened during the screening period of June 1, 2015 through May 31, 2016. You can view your billing by logging into your LGHIP unit account at [www.lghip.org](http://www.lghip.org).

## V. ELIGIBILITY AND ENROLLMENT RULES

### A. Minimum Employee Participation

All current and future eligible active employees, and elected officials if covered by the unit, must be enrolled in the LGHIP unless proof of other group insurance is provided. All employees who decline coverage must sign a "Declination of Coverage" form (LG04) and submit acceptable proof of other group coverage.

All eligible employees must be enrolled at all times during their employment with the unit except for any time(s) that the employee is covered by other group coverage. If an eligible employee is covered by other group coverage, that employee must provide a "Declination of Coverage" form to the LGHIB with proof of other group coverage. If an employee has declined coverage in the LGHIP and later loses their other group coverage, that eligible employee must immediately notify the LGHIB and enroll in the LGHIP. If the eligible employee does not notify the LGHIB and does not enroll in the LGHIP, both the eligible employee and the unit will be liable and will be back-billed to the date the eligible employee should have been enrolled. If the premiums for the back-billing are not paid, the unit may be cancelled from participation in the LGHIP.

If the unit elects to provide insurance coverage for its retirees, such coverage must be offered to all current and future retirees. The LGHIB may periodically require and verify an employment census.

### B. Eligible Participants

1. Employee - a permanent active full-time employee in a bona fide employer-employee relationship, working 30 hours (minimum) per week, who is not on layoff or leave of absence. Temporary, part-time, seasonal, intermittent, emergency, and contract employees are not eligible for coverage. Note: Employees classified as "part-time" by a unit must average less than 30 hours of service per week.

**Affordable Care Act Exception:** Under the Affordable Care Act (ACA), an employee otherwise ineligible for coverage under the LGHIP must be offered LGHIP coverage if the unit is subject to the ACA and the employee meets the definition of a full-time employee as defined under the employer shared responsibility provisions of the ACA. Units with fewer than 50 full-time employees (including full-time equivalents) in the prior calendar year are not subject to the ACA employer shared responsibility provisions. All units subject to the ACA will be responsible for complying with all of the ACA employer shared responsibility provisions. **The LGHIB cannot provide guidance with regard to a unit's compliance with the ACA.**

Accordingly, if your unit is subject to the ACA and you believe that you must offer coverage to one of your temporary, part-time, seasonal, intermittent, emergency, or contract employees under the employer shared responsibility provisions of the ACA, you must first provide documentation to the LGHIB that:

- your unit is subject to the ACA and
- the employee meets the definition of a full-time employee as defined under the employer shared responsibility provisions of the ACA.

Should the LGHIB determine that an employee is eligible for coverage under the employer shared responsibility provisions of the ACA, the LGHIB will send the unit an ACA Enrollment Form along with an ACA Declination of Coverage Form. The employee must enroll in the LGHIP or submit a Declination of Coverage Form. Proof of other group coverage will not be required. However, if proof of other group coverage is not provided, the employee will not have special enrollment rights and will only be eligible to enroll in the LGHIP during open enrollment, provided the employee is still eligible.

2. Elected official – Elected officials of a local government unit are also eligible while in office. Elected officials will be classified for insurance purposes as active employees. Refer to the “Elected Official Policy.”
3. Retiree – the following rules apply to retiring employees:
  - a. employees who enrolled in the LGHIP prior to January 1, 2005 may elect to continue coverage as a retiree under the LGHIP if:
    - employee has 25 years of creditable service, regardless of age, or
    - employee has 10 years of service and:
      - is 60 years old or
      - is determined to be disabled by the Social Security Administration or the Retirement Systems of Alabama
  - b. employee enrolling in the LGHIP after January 1, 2005 may elect to continue coverage as a retiree under the LGHIP if:
    - employee has 25 years of creditable service, regardless of age, or
    - employee has 10 years of service, and
      - is 60 years old, or
      - is determined to be disabled by the Social Security Administration or the Retirement Systems of Alabama, and
    - employee has been enrolled in the local government health plan for 10 years prior to the date of retirement, or
    - if unit has been enrolled less than 10 years, the employee must have been enrolled continuously from the date the unit joined the LGHIP.

Any retired employee who does not meet the above requirements will be considered a termination.

- c. Elected Officials - An elected official retiring from a unit that offers health insurance coverage to its retirees, but who is not eligible to receive the same pension benefits from the unit due to local, state or federal law as full-time employees may be eligible to elect to continue coverage under a plan designated by the LGHIB if the retired official:
  - has at least 25 years of service with the unit he or she is retiring from, regardless of age, and
  - has been enrolled in the LGHIP for at least 10 years prior to the date of retirement. (If unit has been enrolled in the LGHIP less than 10 years, the elected official must have been enrolled from the date the unit joined the LGHIP.)

Before the LGHIB will consider coverage for a retired elected official, the unit must submit an elected official retiree enrollment form (Form LG10), which will include references to the local, state or federal law that prohibits pension benefits and certify that no local, state or federal law will be violated by continuing the retired elected official’s health insurance coverage.

The local government unit makes the determination of allowing eligible retirees to continue on the Program. The unit also makes the determination to continue retiree coverage until Medicare eligible or indefinitely.

### **C. Eligible Dependents**

The term “dependent” includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes a divorced spouse)
2. A child under age 26, only if the child is:
  - a. Your son or daughter (A court decree establishing paternity will be temporarily effective for 60 days, at which time an amended birth certificate listing the father’s name will be due.)
  - b. A child legally adopted by you
  - c. Your stepchild
  - d. Your grandchild, niece or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent upon the subscriber for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent’s 26<sup>th</sup> birthday, and
  - g. is not eligible for any other group insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the LGHIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the LGHIB within 60 days from the date the child would otherwise cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who meets the eligibility requirements except for age:

- i. when a new employee requests coverage for an incapacitated dependent within 60 days of employment, or
- ii. when an employee’s incapacitated dependent is covered under a spouse’s employer group health insurance for at least 18 consecutive months and:
  - the employee’s spouse loses the other coverage because:
    - (a) spouse’s employer ceases operations, or
    - (b) spouse’s loss of eligibility due to termination of employment or reduction of hours of employment, or
    - (c) spouse’s employer stopped contribution to coverage,
  - a change form is submitted to the LGHIB within 30 days of the incapacitated dependent’s loss of other coverage, and
  - Medical Review approved incapacitation status.

These requirements must be met as a minimum threshold in order to be considered for incapacitation status. The LGHIB shall make the final decision as to whether an application for incapacitated status will be accepted. NOTE: The LGHIB reserves the right to periodically recertify incapacitation.

Exclusion: You may not cover your spouse or other dependents if they are insured or if they are eligible to be insured as an active employee in the LGHIP.

**D. Qualified Medical Child Support Orders**

If the LGHIB receives an order from a court or administrative agency directing the LGHIP to cover a child, the LGHIB will determine whether the order is a Qualified Medical Child Support Order (QMCSO). A QMCSO is a qualified order from a court or administrative agency directing the plan to cover the employee's child regardless of whether the employee has enrolled the child for coverage. The LGHIB has adopted procedures for determining whether such an order is a QMCSO. You have a right to obtain a copy of those procedures free of charge by contacting the LGHIB.

The LGHIP will cover an employee's child if required to do so by a QMCSO. If the LGHIB determines that an order is a QMCSO, the child will be enrolled for coverage effective as of a date specified by the LGHIB, but not earlier than the first day of the month following the LGHIB's determination that the order is a QMCSO.

Coverage may continue for the period specified in the order up to the time the child ceases to satisfy the definition of an eligible dependent. If the employee is required to pay extra to cover the child, the LGHIB will charge the unit for that coverage. During the period the child is covered under the LGHIP as a result of a QMCSO, all LGHIP provisions and limits remain in effect with respect to the child's coverage except as otherwise required by federal law.

While the QMCSO is in effect the LGHIP will make benefit payments – other than payments to providers – to the parent or legal guardian who has been awarded custody of the child. The LGHIB will also provide sufficient information and forms to the child's custodial parent or legal guardian to allow the child to enroll in the LGHIP. The LGHIB will also send claims reports directly to the child's custodial parent or legal guardian.

**E. Initial Employee Enrollment**

Eligible employees, elected officials, retirees and dependents who make application on or before the effective date of the Group Contract will be enrolled for coverage as of the effective date of the Group Contract. All eligible employees, elected officials and retirees must either elect or decline coverage.

Eligible retirees must enroll on the date they first become eligible for retiree health benefits. If coverage is declined, enrollment will not be allowed after the retirement date. Retirees who do not elect coverage will not be allowed to enroll at a later date.

**Elected Officials:** If a local government unit chooses to cover elected officials, all elected officials of the unit have the following options:

1. **Enroll in the LGHIP** – Elected officials may enroll in the LGHIP at the time the unit initially joins the LGHIP or within 30-days upon assumption of the elected office. Elected officials will be treated as full-time employees.

2. **Decline coverage in the LGHIP** – Elected officials may decline coverage in the LGHIP at the time the unit initially joins the LGHIP or within 30-days upon assumption of the elected office. If a declination form with proof of other employer group coverage\* is submitted, the elected official may enroll in the LGHIP at a later date upon loss of other employer group coverage or at open enrollment.
3. **Opt out of the LGHIP** – If the elected official opts not to enroll in the LGHIP at the time the unit initially joins the LGHIP or within 30-days upon assumption of the elected office and does not submit a declination form with proof of other employer group coverage\*, the elected official may only be offered the option to enroll in the LGHIP upon election to a new term of office.

Elected officials who fail to elect one of the above options will be treated as if they chose option 3.

A one-time open enrollment for existing elected officials will be held in November 2015 for coverage effective January 1, 2016.

In order to comply with this policy, each unit will be required to submit an updated list of all elected officials by November 30 of each year.

\* Other employer group coverage includes: Marketplace, Medicare, Medicaid and Tricare.

#### **F. Subsequent Enrollment of New Employees**

All employees hired after the effective date of the Group Contract shall be enrolled in the LGHIP unless evidence of other group insurance is provided. All eligible employees and elected officials must either elect or decline coverage on date of eligibility.

Unless a Local Government unit notifies the LGHIB otherwise (see below), the effective date of coverage for all new full-time employees will be the first day of the second full month following the new employee's date of hire. For example, if a new employee's hire date is in the month of January, the effective date of coverage will be March 1.

Local Government units may elect to have coverage effective for all new full-time employees on the date of employment. In order to make this election, the Local Government unit must complete and submit an "Effective Date of Coverage Election" form (Form LG05) to the LGHIB at the time the unit joins the LGHIP or during any subsequent Open Enrollment. Once the election has been submitted and approved by the LGHIB, coverage for all future full-time employees shall be effective on the date of employment. A prorated premium will be billed for new employees on the next billing cycle. Once Form LG05 has been accepted by the LGHIB, the election will be effective January 1.

All eligible employees must be enrolled at all times during their employment with the unit except for any time(s) that the employee is covered by other group coverage. If an eligible employee is covered by other group coverage, that employee must provide a "Declination of Coverage" form to the LGHIB with proof of other group coverage. If an employee has declined coverage in the LGHIP and later loses their other group coverage, that eligible employee must immediately notify the LGHIB and enroll in the LGHIP. If the eligible employee does not notify the LGHIB and does not enroll in the LGHIP, both the eligible employee and the unit will be liable and will be back-billed to the date the eligible employee should have been enrolled. If the premiums for the back-billing are not paid, the unit may be cancelled from participation in the LGHIP.

Retirees must enroll on the date they first become eligible for retiree health benefits. If coverage is declined, enrollment will not be allowed after the retirement date. Retirees who do not elect coverage will not be allowed to enroll at a later date.

## **G. Family Coverage Enrollment**

A participating employee, elected official or retiree in the LGHIP may apply for family coverage either upon their initial enrollment (enrollment form LG01), or by acquiring a new dependent (dependent change form LG02B), or annual open enrollment (dependent change form LG02B) or dependent special enrollment (dependent change form LG02B).

Appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.) must be submitted to the LGHIB. **Note:** to ensure that enrollment deadlines are met, change forms should be submitted to the LGHIB even if all the required documentation is not available.

If the required documentation is not submitted with an Enrollment Form or Change Form, the LGHIB will send a notice to the employee that the required documentation must be submitted within 60 days of the date of the letter. If documentation is not submitted to the LGHIB office within those 60 days, the request to add dependent coverage will be denied.

### Initial Enrollment/New Employees

New employees may elect to have dependent coverage begin on the date their coverage begins.

### Acquiring New Dependent

A newly acquired dependent may be enrolled if the LGHIB is notified within 60 days of acquiring the new dependent through marriage, birth, adoption, or custody of a grandchild, niece or nephew.

The effective date of coverage will be:

- in the case of a birth - the date of birth;
- in the case of marriage – the date of marriage;
- in an adoption – the date of the Interlocutory Decree or other temporary Order granting the employee custody of the adoptee, entered by a Court in which the adoption proceeding has been filed;
- custody of a grandchild, niece or nephew – the date of the judge’s order granting custody.

If the LGHIB is notified of a new dependent after 60 days, the eligible participant will not be allowed to enroll the newly acquired dependent at that time and will need to reapply during the annual open enrollment.

### Annual Open Enrollment

A participating employee, elected official or retiree may apply to add a dependent or apply for family coverage during the month of November for a January 1 effective date. The effective date indicated on the form should be January 1.

### Dependent Special Enrollment

If a dependent loses their other group coverage, the subscriber may apply for Dependent Special Open Enrollment. The effective date of coverage will be the date the other group coverage ceased. See “Special Enrollment Period, Dependents.” The only dependents eligible are those who experienced a “qualifying event.”

## H. Open Enrollment

Subsequent to the effective date of the Group's Contract, there shall be an Annual Open Enrollment held in November (for coverage to be effective January 1) of each year during which:

- Active eligible employees not currently participating in the insurance may enroll (Form LG01).
- Eligible participants may add dependents or family coverage. If an employee wishes to add dependents or add family coverage during open enrollment, a dependent change form (Form LG02B) must be filled out and submitted to the LGHIB.
- Eligible participants are permitted to change insurance carriers/plans.
- Local government units may change the effective date of insurance for new hires (hire date or first day of second full month). Submit LG05 Form to have coverage for all future eligible full-time employees effective date of employment.
- Local government units may add/drop retiree coverage for the unit by written request.
- Local government units may add/drop Medicare retiree coverage for the unit by written request.
- Local government units may add/drop elected official's coverage for the unit by written request.
- Employees who have previously declined coverage may submit an updated "Declination of Coverage" form (LG04) with acceptable proof.
- A unit may elect to add or drop the dental option during open enrollment. The effective date of that change will be January 1. A revised Participation Form must be sent to the LGHIB.

Forms must be completed and signed in November with an effective date of January 1 indicated on the form and submitted to the LGHIB office by November 30. If an employee does not want to change plans or add/drop family coverage during open enrollment, no paperwork is necessary.

## I. Special Enrollment Period

### Employees

Under the Health Insurance Portability and Accountability Act, the LGHIP must offer a special enrollment period in addition to open enrollment for those employees who experience a qualifying event such as loss of their other employer group coverage or the addition of a dependent. However, since the LGHIP already requires that an employee enroll in the plan when they lose other employer group coverage, special enrollment will only apply to the following qualifying events not related to loss of coverage:

- the addition of a new dependent through birth, adoption or marriage, or
- a substantial change in their other employer group coverage, or
- a substantial change in the cost of their other employer group coverage.

To be eligible for special enrollment an employee must have a declination of coverage form with proof of other employer group coverage on file. Employees requesting special enrollment must notify the LGHIB in writing within 30 days of the qualifying event. Notification must include:

1. a letter requesting participation in the special enrollment; and
2. a completed enrollment form; and
3. if proof of the qualifying event is not submitted with the letter requesting special enrollment and the completed enrollment form, the proof listing the reason and date of loss for all individuals affected by loss of coverage (e.g. employment termination on company letterhead); must be submitted within 60 days of the qualifying event.

All employees who lose their other employer group coverage, whether voluntarily or involuntarily must submit an enrollment form to the LGHIB with coverage effective as of the date coverage is lost.

## Dependents

To be eligible for dependent special enrollment an employee must submit a dependent change form with proof of loss of other employer group coverage. Employees requesting dependent special enrollment must notify the LGHIB in writing within 30 days of the qualifying event. Notification must include:

1. a letter requesting participation in the special enrollment; and
2. a completed dependent change form; and
3. if proof of the qualifying event is not submitted with the letter requesting special enrollment and the completed dependent change form, the proof listing the reason and date of loss for all individuals affected by loss of coverage (e.g., employment termination on company letterhead) must be submitted within 60 days of the qualifying event.

The only dependents eligible are those who experienced a “qualifying event.” If approved, the effective date of coverage will be the date other group coverage ceased.

### **J. When Coverage Commences**

Coverage commences as of the effective date of the employee's insurance contract.

### **K. Cancellation of Family Coverage**

An employee may drop family coverage at any time. The earliest effective date of cancellation will be the first day of the month following the LGHIB's receipt of written notification (Form LG02B) by the LGHIB office. For example, if a subscriber completes and submits a Dependent Change Form (LG02-B) on June 30 but the LGHIB does not receive the form until July 2, the cancellation will be effective August 1. The LGHIB requires proof of divorce (divorce decree) when dropping a former spouse due to divorce.

### **L. Transfers**

Only new employees meeting the following criteria will be considered as transfers under the LGHIP:

1. New hire, previously covered by the LGHIP, and
2. New hire, terminated employment with another local government unit covered by the LGHIP who became employed with a local government unit during the same calendar month of termination.

The local government unit hiring the new employee who is eligible to be treated as a transfer will be invoiced for the first month following the date of hire. Units electing coverage effective on the date of hire will be invoiced from that date. The employee will be transferred with the same coverage as previously enrolled.

### **M. Notice**

Notice of any enrollment changes is the responsibility of the employee (for example: addition or deletion of dependents, address changes, etc.)

In addition, it is the responsibility of the subscriber to notify the LGHIB immediately when the eligibility of a covered dependent changes. If it is determined that an act (such as adding an ineligible person to coverage) or omission (such as failing to remove a person no longer eligible from coverage) of the subscriber results in or contributes to the payment of claims by the LGHIP for persons ineligible for coverage, the subscriber will be personally responsible for all such overpayments and shall be subject to disciplinary action including termination of coverage. (Note: an ex-spouse is ineligible for coverage and cannot be maintained as a dependent under family coverage regardless of a judgment or divorce decree requiring the subscriber to provide health care for an ex-spouse. However, an ex-spouse may be eligible for COBRA continuation coverage.)

## **N. Military Leave**

The Military Leave Policy of the (LGHIP) is in compliance with the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 USC-4317. Under the USERRA, an employee on qualified military leave has the right to elect continued health insurance coverage for himself or herself, and his or her dependents, during periods of military service.

The application of the LGHIP's Military Leave Policy depends upon whether the local government unit voluntarily complies with Alabama Act number 2002-430 (effective July 1, 2002):

1. If a local government unit elects to voluntarily comply with Alabama Act number 2002-430 for its employees on military leave, then individual and dependent insurance coverage must be offered for as long as the local government unit compensates the employee on military leave. The local government unit can charge the employee only the normal employee's share of the health insurance premium, not the employer's share.
2. If a local government unit elects not to voluntarily comply with this law, then the LGHIP's Military Leave Policy will apply. Under LGHIP's Military Leave Policy, the individual premium for persons on military leave depends upon the length of service involved. For periods up to 30 days of training or service, the local government unit can charge the employee only the normal employee's share of the health insurance premium, not the employer's share. For periods of service longer than 30 days, the employee must be offered COBRA continuation coverage for 24 months. After receipt by the LGHIP of the cancellation form and appropriate military documentation, a COBRA election form will be sent to the employee.

When an employee on military leave status with family coverage has his or her coverage terminated, the local government must offer the dependents one of the following two options:

1. Offer COBRA Continuation Coverage. The COBRA coverage period for dependents is limited to 36 months. The COBRA coverage period for dependents will terminate prior to 36 months if:
  - a. an employee's military leave period ends within 36 months and
  - b. the employee returns to work within 60 days of the end of military leave.or
2. Offer Regular Dependent Coverage. Families will be allowed to continue their health insurance coverage as if the employee on military leave was still an active employee. This dependent coverage period is limited to 24 months or the expiration of the employee's military leave, whichever is shorter. The premium for this dependent coverage will continue to be included on the unit invoice, minus the employee share of the premium. The local government unit will be responsible for collection and payment of the premium.

If an employee's military leave period is longer than 24 months, the coverage for dependents will be converted to COBRA coverage in the 25<sup>th</sup> month. The COBRA coverage will be offered for an additional 12 months and billed accordingly.

If an employee on military leave does not return to work at the end of the military leave period and the military leave period was less than 24 months, the coverage for dependents will be converted to COBRA coverage and extended for a period not to exceed 36 months in total.

Each local government unit will decide which option will be offered to the families of employees on military leave. Once a decision has been made, the local government unit must treat all military leave dependents uniformly.

When an employee returns to work, the employee must be added to coverage unless the employee submits a Declination of Coverage Form with acceptable proof of other group coverage. To determine the appropriate effective date of coverage, the employee returning from military leave must provide his/her military release papers. If the employee had family coverage at the time of the military leave, only those dependents previously covered will be allowed to re-enroll. If the employee gained a new dependent during the time he/she was on military leave, that new dependent will be added to coverage if: 1) that new dependent is eligible to be covered; 2) the employee submits a Change Form requesting the new dependent be added to coverage within the applicable time period; and 3) the appropriate documentation is submitted within the applicable time period.

**O. Declination of Coverage**

Employees may decline coverage at any time. The earliest effective date of cancellation will be the first day of the month following receipt of **both the Declination of Coverage and acceptable proof of group coverage with another employer**. For example, if a subscriber completes a Declination of Coverage Form (LG04) and provides proof of other group coverage on June 30, but the LGHIB does not receive the form and proof until July 2, the cancellation will be effective on August 1. Acceptable proof is a current letter from employer/insurance carrier verifying current coverage

**P. Premium Payments**

The LGHIB bills in advance for the following month's coverage. To be eligible for coverage, members must comply with the LGHIP's enrollment and eligibility rules. Acceptance of premium payment does not guarantee coverage.

**VI. RETIREMENT**

**A. Continuation of Coverage**

Eligible retirees who continue on the insurance will remain on the local government unit's billing and it will be the responsibility of the local government unit to collect the appropriate premiums. A status change form (LG02) must be sent to the LGHIB, indicating a rate change from active to retired status and the effective date of the retirement. The status change form should be sent prior to the retirement date.

If Medicare retirees are allowed to continue coverage, the local government units must submit a status change form and a copy of the retiree's Medicare card, indicating a rate change from "Not Medicare" to "Medicare." If a retiree's only dependent is eligible for Medicare, the local government units must submit a status change form and a copy of the dependent's Medicare card, indicating a rate change from "Not Medicare" to "Medicare." The status change form must be sent prior to the Medicare effective date.

If the local government unit requires the retiree to make the premium payment and the retiree elects not to pay, submit a cancellation for non-payment.

**B. Termination of Coverage**

An active employee, who retires from a local government unit that does not allow retirees to continue on the coverage, will be offered COBRA upon written notification of retirement from the local government unit. (See "Termination of Services".)

An active employee who retires from a local government unit that allows retirees to continue coverage has the option of electing retiree coverage or COBRA. If the retiree chooses to cancel health insurance, the unit must send a Cancellation Form with the retiree's signature prior to retirement date. If COBRA coverage is elected, the retiree will forfeit his or her right to elect retiree coverage at a later date. If a retiree intends to request COBRA, it should be indicated on the Cancellation Form prior to the retirement date. The Cancellation Form must be received by the LGHIB prior to the retirement date for the retiree to receive a COBRA notice.

If the Cancellation Form is received by the LGHIB after the retirement date, the reason for cancellation must be marked as "retiree non-payment" and COBRA will not be offered.

A retired employee whose local government unit does not allow Medicare retirees to continue on the health insurance must submit a Cancellation Form prior to the retiree's Medicare eligibility date. A copy of the Medicare card may be required. COBRA will be offered to retiree and dependents for 18 months. If the retiree declines COBRA coverage, dependents will still be eligible for 18 months.

For a retired employee whose local government unit **does** allow Medicare retirees to continue on the insurance and the retiree **chooses not** to continue coverage, the unit must submit a completed Cancellation Form prior to the Medicare effective date indicating a request for COBRA and signed by the retiree. COBRA will be offered to the dependents for 18 months.

Eligible retirees must enroll on the date they first become eligible for retiree health benefits. If coverage is declined, enrollment will not be allowed after the retirement date. Retirees who do not elect coverage will not be allowed to enroll at a later date. Retirees who elect coverage and are cancelled for any reason will not be allowed to enroll at a later date.

### **C. Supernumeraries**

Supernumeraries will be classified for insurance purposes as retired employees.

### **D. Provision for Medicare**

#### **1. Active Employees**

The LGHIB provides active employees over age 65, coverage under the LGHIP, under the same conditions as any employee under age 65. Medicare is secondary to benefits payable under the LGHIP for employees over age 65 and their spouses over age 65. If the service is also covered by Medicare, the claim can be submitted to Medicare which may pay all or a portion of the unpaid balance of the claim subject to Medicare limitations.

The LGHIB will not provide an active employee or his/her spouse with benefits that supplement Medicare. The employee has the right to elect coverage under the LGHIP on the same basis as any other employee.

The LGHIP will be the primary payer for both items and services covered by Medicare. (Note that Medicare covers hospitalization, post-hospital nursing home care, home health services.) This means that the LGHIP will pay the covered claims and those of the employee's Medicare entitled spouse first, up to the limits contained in the LGHIP, and Medicare may pay all or a portion of the unpaid balance of the claims, if any, subject to Medicare limitations. If the employee's spouse is not entitled to Medicare, the LGHIP will be the sole source of payment of the spouse's claims.

Since the LGHIP also covers items and services not covered by Medicare, the LGHIP will be the sole source of payment of medical claims for these services.

## 2. Retired Employees

Health benefits will be modified when you or your dependent becomes entitled to Medicare. Coverage under the LGHIP will be reduced by those benefits payable under Medicare Parts A and B. If a retiree or dependent becomes entitled to Medicare because of a disability before age 65, the retiree must notify the LGHIB to be eligible for the reduced premiums and to ensure that claims are paid properly. A copy of the retiree's or their dependent's Medicare card and a Change Form that indicates the rate change must be submitted if the unit covers Medicare retirees.

The LGHIP remains primary for retirees until the retiree is entitled to Medicare. Upon Medicare entitlement, the retiree's coverage under the LGHIP will complement his/her Medicare Parts A and B coverages. Medicare will be the primary payer and the LGHIP will be the secondary payer. A Medicare retiree and/or Medicare dependent should have both Medicare Parts A and B to have adequate coverage with the LGHIP.

Medicare Part B premiums are the retiree's responsibility. These premiums are deducted from the retiree's Social Security check.

### **Medicare Part D Prescription Drug Coverage**

Medicare retirees and retiree Medicare dependents are enrolled in the LGHIP's prescription drug Employer Group Waiver Plan (EGWP). The LGHIP EGWP is a Medicare Part D prescription drug plan that is in addition to the coverage under Medicare Part A or Part B.

It is the retiree's responsibility to inform the LGHIB if they are enrolled in another Medicare prescription drug plan. Retirees can only be enrolled in one Medicare prescription drug plan at a time. Retirees are not required to be enrolled in the LGHIP EGWP, but if they elect to opt out, they must complete an EGWP Opt-Out Form and return it to the LGHIB. Opt-out forms are available on the website.

If a Medicare retiree opts out of the LGHIP EGWP, the retiree will have no prescription drug coverage from the LGHIP. Retirees will, however, still have the LGHIP secondary Medicare Part A and B coverage if they opt out of the LGHIP EGWP.

## **VII. TERMINATION OF SERVICE**

### **A. When Coverage Terminates**

The member's coverage will terminate:

1. On the last day of the month in which the member's employment terminates.
2. When the LGHIP is discontinued.
3. When premium payments cease.
4. When the unit withdraws from the LGHIP.
5. In addition to the above, the coverage terminates for a dependent:
  - a. on the last day of the month in which such person ceases to be an eligible dependent,
  - or
  - b. if the dependent becomes eligible to be insured as an employee in the LGHIP.
6. In the case of an employee who is eligible and receives insurance pursuant to the provisions of the Affordable Care Act on the basis of working an average of 30 or more hours per week or 130 or more hours per month during a measurement period, coverage terminates on the first day after the applicable stability period if the employee does not average 30/130 or more hours per week/month during a subsequent measurement period.

In many cases you will have the option to choose continuation of group benefits as provided by the Public Health Service Act. (See COBRA Section.)

**B. Family and Medical Leave Act**

The LGHIB will adhere to the provisions of the Family and Medical Leave Act.

**C. Leave without Pay (LWOP)**

Employees on leave without pay or who are receiving proceeds or pay through a workers' compensation policy may continue their health insurance coverage for a maximum of 12 months. The employee will remain on the Local Government unit's billing. Once an employee has been on leave without pay for 12 months or been receiving workers' compensation proceeds or pay for 12 months, the Local Government unit must notify the LGHIB. The employee will be offered COBRA at that time. If the unit requires the employee to make the premium payment and the employee elects not to pay or they are canceled for nonpayment of premiums, the unit must send in a Cancellation Form to the LGHIB office indicating the reason for cancellation. When the Cancellation Form is received, the LGHIB office will send a COBRA notice to the employee.

If the employee returns to work and had elected not to continue their coverage while on leave without pay, the employee will be treated as a new hire. If the employee returns to work and had elected to continue coverage under COBRA, the employee will be treated as a transfer.

**D. Continuation of Group Health Coverage (COBRA)**

All COBRA applications and information concerning COBRA is handled through the LGHIB office. See "How is COBRA Coverage Provided?"

NEW UNITS ONLY: All current COBRA subscribers must be marked in red as "COBRA." List them separately on the employee departmental listing. Include their name, social security number, address, qualifying event, and the date COBRA coverage originally began. Do not fill out an enrollment form on the COBRA subscribers. We will send them a letter and a COBRA application when we receive your listing.

**Introduction**

The Public Health Service Act [42 USC Sections 300bb-1 through 300bb-8] requires that the LGHIB offer covered employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the LGHIP would otherwise end. COBRA coverage can be particularly important because it will allow employees to continue group health care coverage beyond the point at which he/she would ordinarily lose it.

This section is intended to inform employees, in a summary fashion, of his/her rights and obligations under the continuation coverage provisions of this law. ***The employee and his/her spouse should take the time to read this carefully.***

**What is COBRA Continuation Coverage?**

COBRA continuation coverage is a continuation of coverage under the LGHIP when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed under the section entitled "Qualified Beneficiaries" below. After a qualifying event, COBRA continuation coverage must be offered to each person who is a qualified beneficiary. The employee, his/her spouse and his/her dependent children could become qualified beneficiaries if coverage under the LGHIP is lost because of a qualifying event. Under the LGHIP, qualified beneficiaries who elect COBRA continuation coverage must pay for such coverage.

### **Who is a Qualified Beneficiary?**

Individuals entitled to COBRA continuation coverage are called qualified beneficiaries. Individuals who may be qualified beneficiaries are the spouse and dependent children of a covered employee and, in certain circumstances, the covered employee. Under current law, in order to be a qualified beneficiary, an individual must generally be covered under the LGHIP on the day before the event that caused a loss of coverage, such as termination of employment, or a divorce from, or death of, the covered employee. In addition, a child born to the covered employee, or who is placed for adoption with the covered employee, during the period of COBRA continuation coverage, is also a qualified beneficiary.

### **COBRA Rights for Covered Employees**

If an employee is a covered employee, he/she will become a qualified beneficiary if he/she loses his/her coverage under the LGHIP because either one of the following qualifying events occurs:

- The covered employee's hours of employment are reduced, or
- The covered employee's employment ends for any reason other than gross misconduct.

COBRA coverage will continue for up to a total of 18 months from the date of the covered employee's termination of employment or reduction in hours, assuming the covered employee pays his/her premiums on time.

If the covered employee is on a leave of absence covered by the Family and Medical Leave Act of 1993 (FMLA), and he/she does not return to work, he/she will be given the opportunity to buy COBRA coverage. The period of his/her COBRA coverage will begin when he/she fails to return to work following the expiration of his/her FMLA leave or he/she informs the LGHIB that he/she does not intend to return to work, whichever occurs first.

### **COBRA Rights for a Covered Spouse and Dependent Children**

A covered spouse of an employee will become a qualified beneficiary if he/she loses his/her coverage under the LGHIP because one of the following qualifying events occurs:

- Spouse dies;
- Spouse's hours of employment are reduced;
- Spouse's employment ends for any reason other than gross misconduct;
- Spouse becomes entitled to Medicare benefits (under Part A, Part B or both); or
- He/she becomes divorced or legally separated from his/her spouse.

A covered employee's dependent children will become qualified beneficiaries if they lose coverage under the LGHIP because any of the following qualifying events occurs:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (under Part A, Part B or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the LGHIP as a "dependent child."

### **What Coverage is Available?**

If COBRA continuation coverage is chosen, the LGHIB is required to offer coverage that, as of the time coverage is being provided, is identical to the coverage provided under the LGHIP to similarly situated employees or family members.

### **When is COBRA Coverage Available?**

COBRA continuation coverage will be offered to qualified beneficiaries only after the LGHIB has been notified that a qualifying event has occurred.

- **When the Unit Should Notify the LGHIB**  
Your unit is responsible for notifying the LGHIB of the following qualifying events:
  - End of employment,
  - Reduction of hours of employment, or
  - Death of an employee.
  
- **When the Employee Should Notify the LGHIB**  
The employee or a family member has the responsibility to inform the LGHIB of the following qualifying events:
  - Divorce,
  - Legal separation, or
  - A child losing dependent status.

Written notice must be given to the LGHIB within 60 days of the date of the event or the date in which coverage would end under the LGHIP because of the event, whichever is later. All notices should be sent to the address listed under “LGHIB Contact Information” at the end of this section.

### **How is COBRA Coverage Provided?**

When the LGHIB is notified that a qualifying event has happened, COBRA continuation coverage will be offered to each qualified beneficiary. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. In addition, a covered employee may elect COBRA continuation coverage on behalf of his or her spouse and either covered parent may elect COBRA continuation coverage on behalf of their children. If a covered employee does not choose continuation coverage, his/her group health insurance will end.

After the LGHIB receives timely notice that a qualifying event has occurred, the LGHIB will (1) notify the covered employee of the option to buy COBRA, and (2) send a COBRA election notice. A qualified beneficiary has 60 days within which to elect to buy COBRA coverage. The 60-day period begins to run from the later of (1) the date the qualified beneficiary would lose coverage under the LGHIP, or (2) the date on which the LGHIB notifies the qualified beneficiary that he/she has the option to buy COBRA coverage. Each qualified beneficiary has an independent right to elect COBRA coverage. The qualified beneficiary may elect COBRA coverage on behalf of a spouse, and parents may elect COBRA coverage on behalf of their children. An election to buy COBRA coverage will be considered made on the date the election notice is sent back to the LGHIB.

Once the LGHIB has been notified of the qualifying event, coverage under the LGHIP will be retroactively terminated and payment of all claims incurred after the date coverage ceased will be rescinded. If the qualified beneficiary elects to buy COBRA during the 60-day election period, and if premiums are paid on time, the LGHIB will retroactively reinstate the qualified beneficiary's coverage and process claims incurred during the 60-day election period.

Because there may be a lag between the time coverage under the plan ends and the time we learn of the qualified beneficiary's loss of coverage, it is possible that the LGHIP may pay claims incurred during the 60-day election period. If this happens, the qualified beneficiary should not assume that he/she has coverage under the LGHIP. The only way the qualified

beneficiary's coverage will continue is if he/she elects to buy COBRA and pays their premiums on time.

### **What will be the Length of COBRA Coverage?**

COBRA continuation coverage is a temporary continuation of coverage. COBRA continuation coverage will last for up to a total of 36 months when one of the following qualifying events occurs:

- Death of the employee,
- Divorce or legal separation, or
- Dependent child loses eligibility as a "dependent child" under LGHIP.

COBRA continuation coverage will last for up to a total of 18 months when one of the following qualifying events occurs:

- End of employment or
- Reduction in the hours of employment.

There are only two ways to extend the 18-month COBRA continuation coverage period:

- **Disability** – If a covered employee or a covered member of his/her family is or becomes disabled under Title II (OASDI) or Title XVI (SSI) of the Social Security Act and he/she timely notifies the LGHIB, the 18-month period of COBRA coverage for the disabled person may be extended to up to 11 additional months (for a total of up to 29 months) or the date the disabled person becomes covered by Medicare, whichever occurs sooner. This 29-month period also applies to any non-disabled family members who are receiving COBRA coverage, regardless of whether the disabled individual elects the 29-month period for him or herself. The 29-month period will run from the date of the termination of employment or reduction in hours. For this disability extension to apply, the disability must have started at some time before the 60th day of COBRA coverage and must last at least until the end of the 18-month period of COBRA coverage.

The cost for COBRA coverage after the 18<sup>th</sup> month will be 150% of the full cost of coverage under the plan, assuming that the disabled person elects to be covered under the disability extension. If the only persons who elect the disability extension are non-disabled family members, the cost of coverage will remain at 102% of the full cost of coverage.

For a spouse and children, the disability extension may be further extended to 36 months if another qualifying event (death, divorce, enrollment in Medicare, or loss of dependent status) occurs during the 29-month period. See the following discussion under "Extensions of COBRA for Second Qualifying Events" for more information about this.

For this disability extension of COBRA coverage to apply, the qualified beneficiary must give the LGHIB timely notice of Social Security's disability determination before the end of the 18-month period of COBRA coverage and within 60 days after the later of (1) the date of the initial qualifying event, (2) the date on which coverage would be lost because of the initial qualifying event, or (3) the date of Social Security's determination. The qualified beneficiary must also notify the LGHIB within 30 days of any revocation of Social Security disability benefits.

- **Extensions of COBRA for Second Qualifying Events** – For a spouse and children receiving COBRA coverage, the 18-month period may be extended to 36 months if another qualifying event occurs during the 18-month period, if the qualified beneficiary gives the LGHIB timely notice of the second qualifying event. The 36-month period will run from the date of the termination of employment or reduction in hours.

This extension is available to a spouse and children receiving COBRA coverage if the covered employee or former employee dies, becomes enrolled in Medicare, or gets divorced, or if the child stops being eligible under the plan as a dependent child, *but only if the event would have caused the spouse or child to lose coverage under the plan had the first qualifying event not occurred.* For example, if a covered employee is terminated from employment, elects family coverage under COBRA, and then later enrolls in Medicare, this second event will rarely be a second qualifying event that would entitle the spouse and children to extended COBRA coverage. This is so because this event would not cause the spouse or dependent children to lose coverage under the plan if the covered employee had not been terminated from employment.

For this 18-month extension to apply, the qualified beneficiary must give the LGHIB timely notice of the second qualifying event within 60 days after the event occurs or within 60 days after the date on which coverage would be lost because of the event, whichever is later.

### **Can New Dependents be added to COBRA Coverage?**

The qualified beneficiary may add new dependents to his/her COBRA coverage under the circumstances permitted under the LGHIP. Except as explained below, any new dependents that the qualified beneficiary adds to his/her COBRA coverage will not have independent COBRA rights. This means, for example, that if the qualified beneficiary dies, they will not be able to continue coverage.

If the covered employee acquires a child by birth or placement for adoption while he/she is receiving COBRA coverage, then his/her new child will have independent COBRA rights.

This means that if the covered employee dies, for example, his/her child may elect to continue receiving COBRA benefits for up to 36 months from the date on which the covered employee's COBRA benefits began.

If the covered employee's new child is disabled within the 60-day period beginning on the date of birth or placement of adoption, the child may elect coverage under the disability extension if the covered employee timely notifies the LGHIB of Social Security's disability determination as explained above.

### **How Does the Family and Medical Leave Act Affect COBRA Coverage?**

If the employee is on a leave of absence covered by the Family and Medical Leave Act of 1993 (FMLA), and does not return to work, he/she will be given the opportunity to elect COBRA continuation coverage. The period of COBRA continuation coverage will begin when the employee fails to return to work following the expiration of FMLA leave or he/she informs employer that the employee does not intend to return to work, whichever occurs first.

### **How much is COBRA Coverage Premium?**

One who qualifies for continuation coverage will be required to pay the group's premium plus a 2% administrative fee, directly to the LGHIB. Members who are disabled under Title II or Title XVI of the Social Security Act when a qualifying event occurs, will be required to pay 150% of the group's premium for the 19th through the 29th month of coverage or the month that begins more than 30 days after the date is determined that he or she is no longer disabled under Title II or Title XVI of the Social Security Act, whichever comes first. (If the only persons who elect the disability extension are non-disabled family members, the cost of coverage will remain at 102% of the full cost of coverage.) Coverage will be canceled if he/she fails to pay the entire amount in a timely manner.

### **When is the COBRA Coverage Premium Due?**

The initial premium payment must be submitted to the LGHIB within 45 days from the date of election. All subsequent premiums are due on the first day of the month of coverage. There is a 30-day grace period.

### **When Does COBRA Coverage End?**

The law provides that COBRA continuation coverage may be terminated for any of the following reasons:

1. LGHIB no longer provides group health coverage.
2. The unit withdraws from the LGHIP.
3. The premium for continuation coverage is not paid on time.
4. The covered beneficiary becomes covered by another group plan.
5. The covered beneficiary becomes entitled to Medicare.
6. The covered beneficiary extends coverage for up to 29 months due to disability and there has been a final determination that he/she is no longer disabled.

In addition, COBRA coverage can be terminated if otherwise permitted under the terms of the LGHIP. For example, if a fraudulent claim is submitted, coverage will terminate.

A qualified beneficiary does not have to show that he/she is insurable to choose COBRA continuation coverage. However, under the law, he/she may have to pay all or part of the premium for COBRA continuation coverage. There is a grace period of at least 30 days for payment of the regularly scheduled premium.

Note: If an individual is entitled to Medicare before becoming a qualified beneficiary, he/she may elect COBRA continuation coverage; however, Medicare coverage will be primary and COBRA continuation coverage will be secondary. An individual must have Medicare Parts A and B in order to have full coverage.

### **Are there other coverage options besides COBRA Continuation Coverage?**

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for a qualified beneficiary through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. Individuals can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

### **Keep the LGHIB Informed of Address Changes**

In order for employees to protect their COBRA rights, they must keep the LGHIB informed of any changes in the address of family members. Employees should maintain copies of all notices sent to the LGHIB.

### **If an Employee Has Any Questions**

Questions concerning COBRA continuation coverage rights may be addressed by calling the LGHIB at 1.866.836.9137 or 334.263.8326 or by mail at the contact listed below. ## **VIII. BILLING PROCEDURES**

### **A. Payment Notice**

The LGHIB will generate an Invoice (see APPENDIX) and Listing of Employees Insured (see APPENDIX) for each local government unit. The invoice will be mailed each month and will also be available on the website. The Listing of Employees Insured information will be pulled from the unit's enrollment information. The Invoice is a summary of the total single and family subscribers insured, a tabulation of the previous balance owed, the current month's amount and the total balance due.

Upon receiving the Invoice, the unit must return this notice with full payment of the total balance due. Local Government units are not allowed to make any corrections or adjustments to this balance. All corrections and adjustments will be included in the payment notice for the upcoming month. The unit may keep the Listing of Employees Insured for their records.

### **B. Invoice Changes**

Additions, cancellations and changes in the current billing period and the upcoming months must be made from the proper forms (FORMS LG01, LG02, LG02-B, LG03, LG04, LG07, LG08, or LG09). These forms must be sent separately. Upon receipt of the proper paperwork, credits/debits and COBRA information will be processed.

**C. Premium Credits**

There is a three-month (three billing cycles) time limit for premium credits. These credits will be issued for eligible participants **provided no claims have been filed**.

**D. Automatic Draft Payment**

Units may pay monthly premiums by automatic bank draft. The monthly invoice will indicate the amount withdrawn from the local government bank account on or after the first day of the following month. For example, a bill issued October 18 would include a notice that the new balance will be drafted from the unit's designated account on November 1. This service is offered at no charge to the local government unit.

Automatic drafts may be cancelled at any time. However, draft cancellations must be made at least five business days prior to the last business day of the month.

**E. Electronic-check (E-check) Service**

Payment by E-check is also available to pay monthly premiums. Please call the Accounting Department at 1.866.836.9137 to make E-check payments. Payments may also be made online at the website.

**Dependent documentation is required before dependents can be added to coverage.**

## GENERAL INFORMATION

### Eligible Dependent

(Appropriate documentation must be attached.)

The term "dependent" includes the following individuals subject to appropriate documentation such as a Social Security number, marriage certificate, birth certificate, court decree, etc.

1. Your spouse (excludes a divorced spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter. (A court decree establishing paternity will be temporarily effective for 60 days, at which time an amended birth certificate listing the father's name will be due.)
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent upon you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26<sup>th</sup> birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the LGHIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the LGHIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the LGHIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The LGHIB shall make the final decision as to whether an application for incapacitated status will be accepted.

NOTE: The LGHIB reserves the right to periodically re-certify incapacitation.

**Exclusion:** You may not cover your spouse or other dependents if they are insured or if they are eligible to be insured as an active employee in the Local Government Health Insurance Program.

**Dependent documentation is required before dependents can be added to coverage.**

## GENERAL INFORMATION

### Eligible Dependent

(Appropriate documentation must be attached.)

The term "dependent" includes the following individuals subject to appropriate documentation such as a Social Security number, marriage certificate, birth certificate, court decree, etc.

1. Your spouse (excludes a divorced spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter. (A court decree establishing paternity will be temporarily effective for 60 days, at which time an amended birth certificate listing the father's name will be due.)
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - d. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent upon you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26<sup>th</sup> birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the LGHIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the LGHIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the LGHIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The LGHIB shall make the final decision as to whether an application for incapacitated status will be accepted.

NOTE: The LGHIB reserves the right to periodically re-certify incapacitation.

**Exclusion:** You may not cover your spouse or other dependents if they are insured or if they are eligible to be insured as an active employee in the Local Government Health Insurance Program.

**NOTICE:**

Under the Health Insurance Portability and Accountability Act, the LGHIP must offer a special enrollment period in addition to open enrollment for those employees who experience a qualifying event such as loss of their other employer group coverage or the addition of a dependent. However, since the LGHIP already requires that an employee enroll in the plan when they lose other employer group coverage, special enrollment will only apply to the following qualifying events not related to loss of coverage:

- the addition of a new dependent through birth, adoption or marriage or
- a substantial change in their other employer group coverage or
- a substantial change in the cost of their other employer group coverage.

All employees who lose their other employer group coverage, whether voluntarily or involuntarily must submit an enrollment form to the LGHIB with coverage effective as of the date coverage is lost.

To be eligible for special enrollment an employee must submit a declination of coverage form with proof of other employer group coverage. Persons requesting special enrollment must notify the LGHIB in writing within 30 days of the qualifying event.

Notification must include:

1. a letter requesting participation in the special enrollment; and
2. a completed enrollment form; and
3. if proof of the qualifying event is not submitted with the letter requesting special enrollment and the completed enrollment form, the proof listing the reason and date of loss for all individuals affected by loss of coverage (e.g., employment termination on company letterhead) must be submitted within 60 days of the qualifying event.

<b>\$20.00</b>	<b>\$40.00</b>	<b>\$20.00</b>	<b>\$41.00</b>

## ELIGIBILITY AND ENROLLMENT RULES

### A. Eligible Participants

All participants who are eligible for coverage through the Local Government Health Insurance Program are eligible to participate in the Southland National Voluntary Plan.

### B. Eligible Dependents – see page 31.

The same dependent eligibility rules apply to Southland National except that **you may** cover your wife, husband or other dependents if they are insured or if they are eligible to be insured as an active employee in the Local Government Health Insurance Program.

### C. Subsequent Enrollment of New Employees

All new hires that elect to participate in the Southland National Voluntary Plan will have coverage effective the first day of the second month following receipt by LGHIB of their enrollment form. For example, if a new employee's enrollment form is received by the LGHIB in the month of August, the effective date of coverage will be October 1. The enrollment form must be submitted within 60 days of the hire date.

NOTE: A minimum enrollment of 12 months is required for employees/dependents. Unless there is a qualifying event (death, divorce or otherwise losing dependent status), participants will be allowed to cancel Southland National Voluntary Plan coverage during the November open enrollment for coverage effective January 1, 2016.

### D. Family Coverage Enrollment

#### Initial Enrollment/New Employees

New employees may elect to have dependent coverage begin on the date their coverage begins.

#### Acquiring New Dependent

A newly acquired dependent may be enrolled if the LGHIB is notified within 60 days of acquiring the new dependent through marriage, birth, adoption, or custody of a grandchild, niece or nephew. The effective date of coverage will be the first day of the next month after the Southland Change

Form is submitted to the LGHIB office. If the LGHIB is notified of a new dependent after the 60 days, the eligible participant will need to reapply during the annual open enrollment.

Appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.) must be submitted to the LGHIB. **Note:** to ensure that enrollment deadlines are met, change forms should be submitted to the LGHIB even if all the required documentation is not available.

If the required documentation is not submitted with the Southland Enrollment/Change Form, the LGHIB will send a notice to the employee that the required documentation must be submitted within 60 days of the date of the letter. If documentation is not submitted to the LGHIB within those 60 days, the request to add dependent coverage will be denied.

#### **E. Open Enrollment**

There shall be an Annual Open Enrollment held in November (for coverage to be effective January 1) of each year to allow active eligible employees not currently participating in the insurance program a chance to enroll.

Eligible participants may add dependents or family coverage. If an employee wishes to add dependents or add family coverage during open enrollment, a change form (Form LG08) must be filled out and submitted to the LGHIB.

Enrollment in this plan requires a minimum participation of 12 months. Eligible participants may cancel Southland National Voluntary coverage the next open enrollment after the 12-month minimum participation has been met.

Forms must be completed in November with an effective date of January 1 indicated on the form and received in the LGHIB office by November 30. If an employee does not want to make changes during open enrollment, no paperwork is necessary.

#### **F. Cancellation of Dependent/Family Coverage**

Employees who enrolled with a January 1, 2015 effective date of coverage may cancel dependent/family coverage during Open Enrollment for a January 1, 2016 effective date.

Dropping dependent coverage requires a qualifying event (death, divorce, or otherwise losing dependent status) outside Open Enrollment. Coverage will be cancelled at the end of the month of the qualifying event. The LGHIB may require proof of qualifying event.

#### **G. Leave without Pay/Military Leave**

Enrollment in this plan requires a minimum participation of 12 months. If an employee returns to work and did not continue their coverage while on leave without pay or military leave, they will be re-enrolled in the Southland National Voluntary Plan to satisfy the 12-month requirement. The employee may cancel Southland National Voluntary coverage the next Open Enrollment after the 12-month minimum participation has been met.

#### **H. Continuation of Group Health Coverage (See COBRA Section.)**

## **BILLING PROCEDURES**

### **Payment Notice**

Premiums for participation in the Southland National Voluntary Plan will be reflected on the regular billing.
