HARTFORD HOSPITAL
EDUCATION AND RESOURCE CENTER HOUSING AGREEMENT

Hartford Hospital Dorms
560 Hudson Street
Hartford, CT 06102

The ERC Dormitory is a co-ed dorm for medical program students completing a Hartford program of study or rotation at Hartford Hospital. Therefore, it is particularly important that occupants demonstrate full consideration to the rights of others for privacy, quiet, and protection of personal health, safety, and property. Occupants are expected to comply with the following rules and regulations. Failure to do so can result in eviction from the dormitory.

Rules and Regulations

Alcohol Policy

The Rules of Conduct Policy found in the Human Resources Policy and Procedure Manual states the “Use, possession, manufacture, distribution, purchase and/or sale of alcohol or illegal drugs (which include controlled substances), or the abuse of legal drugs, or being under the influence of either illegal drugs or alcohol while on or in the Hartford Hospital’s property or premises or on Hartford Hospital business” is a violation sufficient of Policy #106. A violation will be sufficient grounds for disciplinary action, ranging from verbal counseling to immediate eviction, depending on the seriousness of the offense in the judgment of management.

Appliances

Electrical appliance such as televisions, small microwaves (one cubic foot), small refrigerators (2.5 cubic foot), blenders, stereos, hair dryers, fans, and irons (with auto shutoff) are permitted. Other electrical appliances are not allowed.

Cleaning

Hospital custodians are responsible for the upkeep of common areas within the residential areas such as stairways, hallways, and bathrooms. It is the occupant’s responsibility to clean their rooms and bring garbage to designated area. Garbage should not be left outside the dorm rooms or in the bathrooms. Please call 5-HELP if you need to report a problem on the floor.

Courtesy Hours/Quiet Hours

Occupants are responsible for maintaining an atmosphere that is conducive to study and sleep. Therefore, courtesy hours are in effect 24 hours each day. Occupants are expected to observe common courtesy and to respond positively to requests to reduce or minimize the noise they are

making. Musical instruments should not be played in rooms. Stereos are not to be amplified to outside areas.

Damages and Vandalism

As an occupant of a Hospital dormitory, occupants are responsible for the condition and furnishings of their room and are obligated to respect the common/public areas such as hallways, lounges, exterior doors, lobbies, stairways, etc. When the Hospital determines that costly vandalism has occurred in a specific area, the guilty party, if a renter, will be billed for the damages.

Decorations

Residents may decorate their rooms provided such decorations do not restrict access to and from resident's rooms and public areas. Do not attach anything to or tamper with light fixtures or exit signs. Artificial trees may be used. Candles are not permitted in the residence.

Because of potential threat to personal safety in the event of fire, no overhead decorations are permitted.

Clothing

Occupants must be fully dressed when outside of their dorms on hospital property.

Entry

Sharing a building or room key with a non-resident of the Dormitory or otherwise enable the entry of non resident of the Dormitory will result in the eviction of the Occupant.

Emergencies

To call for help in an emergency (e.g., cases of acute illnesses or accidents), or to report any serious threat to safety or security, call the Main Security Office at 545-2147.

Fire Safety and Flammable Materials

Fire alarm pull stations are found by the stairwells at the end of each hall and should be activated when the resident sees or smells smoke.

Upon hearing the fire alarm all residents are to evacuate the building through the nearest stairwell and proceed to the lobby of the ERC for a headcount.

Fire extinguishers are located by the exits and should only be used on small controllable fires and in conjunction with the fire alarm.

Any individual found tampering with smoke detectors or fire extinguishers or activating a false fire alarm is subject to eviction and law enforcement action.

Garbage Removal

Occupants must maintain a clean room. The living space must not be susceptible to insect and pest infestation, and the property must not be damaged in any way. Food must be stored and disposed of properly in designated area located by the elevators.

Guests/Visitors

Over night guests are not permitted. This is a strict policy and will be enforced.

Locking Doors

For your own personal safety and security, you should keep your doors locked at all times and not prop open any suite, stairwell, or apartment doors. Propping open any doors is potentially dangerous and a violation of housing policies. If you do experience a loss by theft, immediately notify and report the loss to Security.

Payment of Rent

Payment is due on the first of the month. If not received by the 1st of the month, a late fee of \$25.00 will be charged. *All payments should be made at the cashier's office located at 80 Seymour St. 1st floor of Hartford Hospital High Building between the hours of 8:00 am to 4:00 pm Monday – Friday.
