## Notice To Employees — Unemployment Benefits

### TOTAL UNEMPLOYMENT

You are considered totally unemployed during any week in which you are totally separated from your employment, performing no services for which wages or other remuneration were paid to you.

You must file your initial claim for total unemployment in person. Since a claim for unemployment compensation is effective the Sunday of the week in which it is filed, you should file your claim immediately after you are separated from your employment. You will be instructed on filing your continued claim. Your options for filing continued claims will include telephone or web filing.

### PARTIAL UNEMPLOYMENT

You would be considered partially unemployed if you have been working full-time, but due to business being slow, a breakdown of equipment, or similar reasons, your employer has to reduce your hours during the week. You may be entitled to partial unemployment benefits during this week if you earned less than what your weekly unemployment benefit amount would be plus \$60. Under these conditions, your employer should issue a Low Earnings Report for the week, showing your gross wages. You must complete the claims portion of the Low Earnings Report and file it with the local unemployment office as directed on the form.

### ELIGIBILITY REQUIREMENTS

To be monetarily eligible to receive unemployment benefits you must have earned \$2200 gross wages in covered employment during two or more calendar quarters of your regular base period (first four of the last five completed calendar quarters) or alternative base period (the last four quarters immediately preceding the first day of the individual's benefit year).

### ELIGIBILITY REQUIREMENTS - OTHER

If you are unemployed, you shall be eligible to receive benefits only if:

- ❖ You have made a claim for benefits at a local unemployment office.
- ❖ You have registered for work with the Job Service Office and continue to report as directed.
- ❖ You are able to work and available for full-time work for which you are fitted by prior training or experience.
- ❖ You are doing what a reasonable prudent person in your situation would do to find work.
- ❖ You have filed for and served a waiting period of one week during your benefit year.
- ❖ You have earned gross wages of less than your weekly benefit amount plus \$60 during the week for which you claim benefits.
- ❖ You requalify on a new claim when you had a previous benefit year (must have earned eight times your old weekly benefit amount in covered employment after the beginning of your previous claim).

❖ You must participate in profiling and reemployment services when selected.

### DISQUALIFICATIONS

You may be disqualified from drawing benefits:

1. If you leave work voluntarily without good cause involving fault on the part of your employer.
2. If you are discharged for misconduct.
3. If you fail without good cause to apply for available suitable work, to accept suitable work when offered, or to return to your customary self-employment when directed to do so.
4. If you are unemployed due to a labor dispute.
5. For the week for which you receive wages in lieu of notice or Workers' Compensation for temporary total disability.
6. For the week for which you receive unemployment compensation under the laws of another state or of the United States.
7. For any week you are training, participating, or preparing to participate in sports or athletic events if there is reasonable assurance you will perform such services in the current or upcoming seasons.
8. If you are an employee of an educational institution or educational service agency, for any week of unemployment which commences during a paid sabbatical leave; a holiday or vacation period between two academic years or terms, if you perform services in the first academic year or term or prior to the beginning of a holiday or vacation period and there is a contract or a reasonable assurance that you will perform services in the second academic year or term or after a holiday or vacation period. (EXCEPTION: If you have sufficient nonschool wages in your base period to qualify for benefits based upon the non-school wages only, you may be entitled to benefits during this period.)
9. For any week on the basis of services performed as an alien, unless you are lawfully residing in the United States and have a valid permit to work.
10. If you leave work voluntarily to attend school or other educational institution, or are waiting to enter school or an educational institution.
11. For each week in which you are unemployed because of your request or that of your duly-authorized agent for a vacation at a specified time that leaves your employer no other alternative but to suspend operations.
12. For the week in which you receive any annuity, pension, or other

retirement pay from a base period employer, or from a fund towards which a base period employer has contributed. If your remuneration is less than the unemployment benefits otherwise due you, your unemployment benefits will be reduced by the amount of your annuity, pension, etc.

13. For each week in which and for 52 weeks thereafter, if the commissioner finds that you, within the preceding 24 months, knowingly made a false statement or failed to reveal a material fact in order to obtain or increase or attempt to obtain or increase a benefit; and you shall be considered guilty of a misdemeanor and may be subject to severe penalties.

**Neither the full effect nor the duration of a disqualification is given here in detail.**

### SOCIAL SECURITY NUMBER

Bring your Social Security Card with you when you report to the local office. Your Social Security Number will only be printed on the most pertinent documents.

### VOLUNTARY INCOME TAX WITHHOLDING PROGRAM

Unemployment compensation benefits are subject to Federal income tax and there are requirements relating to estimated tax payments. You may choose to have Federal income tax deducted and withheld from any unemployment benefits paid to you.
