

## S-7 Southern Cross OEC Indemnity Letter

---

Southern Cross Outdoor Education Centre is an Outdoor Education Centre located in a bush setting and conducts recreational activities in an outdoor environment. Residing at and participating in recreational activities involves exposure to the natural elements, physical exertion on various apparatus and mental challenges, all of which gives rise to both obvious and inherent risks.

The associated risks are minimised by our strong commitment to safety procedures both in training of instructors and throughout the conduct of every individual activity. Notwithstanding our dedication to safety issues, there will always be some degree of risk for participants.

Participation in any of these activities is totally voluntary.
