Every such disqualification shall be reported to all other Societies belonging to, or affiliated with, the Board of Appeal and some shall extend to all Shows held by them during the period for which it was imposed.

26. Any protest which in the opinion of the Protest Committee has been properly made or lodged (and if they at their discretion consider that the matter referred to them is a proper one for a protest) shall be absolutely final and conclusive. Each protest must be in writing and signed by the Exhibitor and must contain the grounds for such protest and must shortly state the facts of the case. Each protest must be accompanied by a deposit of \$2, which shall be forfeited to the Society, if the Protest Committee shall so decide.
27. No protest shall be received or considered by the Protest Committee unless in the opinion of such committee same has been lodged within a prompt timeframe.
