

PAVO INTERIOR PENDANT  
SIP11735

Minimalist form meets functional lighting with the Pavo 3 fixture pendant. The sleek 2.5 inch diameter acrylic lens encloses two T5 lamps and an integral ballast. Power cord suspension adds to the Pavo's minimalist flair by eliminating unnecessary aircraft cables or stems. The Pavo works great in high ceiling applications such as churches, stairwells, and atriums. A splash of color or metal finish can be added to the fixture with the optional tube cover accessory.

TYPE

Dimensions

W
16.2 in
411 mm

Weight

Hanging weight: 50.0 lb (22.7 kg).

Features

- Fixture Head Heights Are Individually Adjustable
- Extruded aluminum construction provides durable protection for internal components and is recyclable.
- Opal acrylic diffuser lens enhances a space with filtered illumination.
- External fasteners are not visible, providing a clean fixture design.
- Fixture design allows relamping without the use of tools, simplifying maintenance.
- Standard thermoset polyester powder coat paint provides durable protection in a palette of color options. Custom colors available upon request.
- Electronic ballast increases energy savings and performance.
- Integral ballast simplifies installation by eliminating the need to locate, mount and wire a remote ballast.
- Canopy painted to match decorative accents (AC1 or AC2) when selected.

Technical Notes

Electrical

- 48" white power cord standard.
- Class "A" sound rated ballast for use in low ambient noise applications.
- Meets NEC 410.73 double-ended, fluorescent lamp ballast disconnect requirements.
- ETL listed to UL standards (US and Canada) for use in damp locations. Not recommended for exterior applications.

Mounting

- Oversized White Round Canopy Standard.
