

Litigation Planning Training

April 9, 2015

Doubletree Hotel Columbus/Worthington
175 Hutchinson Avenue
Columbus, Ohio 43235

**TO: Ohio, Michigan, Indiana and West Virginia, Executive Directors,
Managing Attorneys, and Training Responsible Persons**

DATE: March 11, 2011

DESCRIPTION

CORT is offering Litigation Planning in a state-specific format again this year. Ohio and Michigan will each offer one-day training sessions which will introduce litigation planning concepts including: element charts; trial notebooks; matters of proof; evidence; developing a theme and theory of a case; and the use of drama in the courtroom. See the agenda on the next page.

Participation in Litigation Planning and completion of a trial notebook remain a prerequisite for Trial Advocacy Skills Training. This year TAST will be held in Columbus, Ohio in August 10-15, 2015. Please note that participation in Litigation Planning does not guarantee you a place in TAST. Even though Litigation Planning is a prerequisite for TAST, it is designed as a self-contained training so that it will be useful for people who do not attend TAST. Also, attendance at this year's training will meet the prerequisite requirements of future TAST.

The target audience for Litigation Planning is lawyers who are in their second year of practice.
