**THE CONNECTICUT JUNIOR SOCCER
ASSOCIATION, INC.
ADVANTAGES OF MEMBERSHIP**

- Organized leagues for all youth ages and skill levels.
- State Cup tournaments indoors and outdoors.
- Automatic medical and liability insurance.
- Select team programs leading to national team considerations.
- Referee training and growth opportunities.
- Coaches training and State certification opportunities.
- Opportunities to participate in interstate and international invitational tournaments.
- Player development clinics available to members.

The purpose of the Connecticut Junior Soccer Association is to promote and develop the sport of soccer at the youth level, providing avenues of participation at various skill levels to meet the needs of the membership. The Board of Directors of this Association is charged with providing administrative support to the Leagues, Clubs, Teams and Players under its jurisdiction. At one end of the spectrum, we attempt to afford all young people an opportunity to participate in this game and have fun while they learn to enjoy the finer points and skills. Adults directing these programs should keep in mind that this means all participants should play at least 50 percent of each game.

At the other end of the spectrum, we see the exceptional athlete who seeks a higher level of competition and achievement. For them we have the State and District Select Team programs. Many of our former select team players have gone on to excel in college soccer and are even being drafted into the professional ranks.

The Board of Directors of this Association, as well as the thousands of other adult volunteers who donate so much time and energy to supporting youth soccer, don't claim to be perfect. We need ideas and input of all our membership in order to achieve these goals. In 2003, 85,000 young people participated in CJSA activities and the numbers are growing at an astonishing rate.

EXPLANATION OF COVERAGE
AD&D & ACCIDENTAL MEDICAL EXPENSE
BENEFITS

INSURED PERSONS

All registered team members, coaches, managers, referees, officials, and volunteers of the teams, leagues or of the association.

COVERED ACTIVITIES

Insured persons are covered for injuries (or death) resulting directly and independently of all other causes, from accidents occurring while participating in the following covered activities:

- * scheduled games, team practice sessions or sponsored activities, provided they are under the direct supervision of a team official; or sanctioned local or national tournaments as a member of a contestant team.
- * organized, supervised group travel as authorized by the Policyholder directly to and from a covered event.

ACCIDENTAL DEATH AND DISMEMBERMENT BENEFITS

The plan pays:

- * \$5,000 for loss of life, or loss of two or more members, or
- * \$2,500 for loss of one member (hand, foot, or eye), which results from injuries sustained in an accident which occurred while participating in a Covered Activity.
- * Such payment shall be in addition to any other indemnity payable to the date of loss, but only one amount, the larger amount applicable shall be payable for all such losses resulting from any one accident.
- * "LOSS" shall mean, with respect to hands and feet, physical separation through or above the wrist or ankle joint; with respect to the eyes, entire and irrecoverable loss of sight.

ACCIDENT MEDICAL EXPENSE BENEFITS

For reasonable necessary medical expenses, our Youth Soccer Medical Expenses Insurance pays up to \$100,000 for injuries sustained in a Covered Accident. Dental injuries are treated like any other injury. The first expense for which payments will be made must be incurred within twenty-six (26) weeks of the accident date. Payment will not be made for any expenses incurred after one hundred and four (104) weeks of the accident date. An Expense is considered incurred on the date the Medical Care is rendered. A \$100 Deductible applies to each accident. If primary plan PAYS at least \$100 of the charges for the claim, the deductible is waived and balances due will be considered for payment.

"Injury" means bodily injury of an Insured Person resulting directly and independently of all other causes from an accident which occurs while he or she is participating in a Covered Activity. Sickness or disease (except pus forming infections which occur through an accidental cut or wound) of any kind will not be considered as bodily injury. Reasonable Expenses means 100% of charges less deductible.

WHAT IS NOT COVERED

The plan does not provide coverage for: (1) treatment by persons employed or retained by the Team or the Association, or by family members of the Insured Person; (2) intentionally self-inflicted injury, suicide or attempted suicide while sane or insane; (3) air travel except as a fare-paying passenger on a regularly scheduled airline on a scheduled flight; (4) injuries resulting from other than Covered Activities; (5) loss resulting from sickness or disease, except bacterial infection which occurs through an accidental wound; (6) hernia; (7) repair, replacement, examinations or prescription, or fitting of eyeglasses or contact lenses; (8) repair or replacement of existing dentures, partial dentures, braces, or other artificial dental restoration; (9) repair or replacement of artificial limbs or orthopedic braces.

EXCESS COVERAGE

Accident Medical Expense insurance is provided on an “excess” basis. This means that after the insured player or coach has been reimbursed for medical expenses by other insurance programs, and after the deductible has been satisfied, the Youth Soccer Accident Medical Expense plan will pay up to the maximum Medical Expense benefit for remaining treatment, service and supply expenses. These other programs include group, blanket or franchise health insurance coverage, group hospital or medical service plans, and prepayment coverage; any coverage under labor management trustee plans, union welfare plans, employer organization plans, and coverage under any governmental programs, and coverage required or provided by any statute, and automobile reparations insurance (no-fault) coverage.

- Fully complete a claim form verified by a witness and submit it to your State Soccer Association for verification.

**Guidelines for Handling Bloodborne Pathogens
in Youth Soccer**

Treat every person on the field, as in any area of society, with the assumption they are HIV positive. Precautions for reducing the potential for transmission of infectious diseases should include, but are not limited to, the following:

1. Use latex gloves when contact with blood or other bodily fluids is anticipated.
2. If bleeding is profuse, latex gloves should be used and pressure applied to the wound, keeping the injury above the level of the heart if possible.
3. Immediately wash hands after removing gloves.

4. The bloodied portion of the athlete's uniform must be properly disinfected or changed before the athlete may participate.
5. Clean all blood-contaminated surfaces and equipment with a solution made from 1-100 dilution of household bleach or other disinfectant before competition resumes. Use a new mixture for each event, and discard the mixture after each event.
6. Practice proper disposal procedures to prevent injuries by needles and other sharp objects found in the field area.
7. Although saliva has not been implicated in HIV transmission, mouthpieces or other ventilation devices should be available to minimize the need for emergency direct mouth-to-mouth resuscitation.
8. Anyone with bleeding or oozing skin conditions should refrain from direct care of injured athletes.
9. Contaminated towels, etc. should be disposed of or disinfected.
