Immaculata High School Cheerleading Program 2014 - 2015 Mission Statement

The mission of the Immaculata Cheerleading Program is to provide all participants with an athletic and competitive environment while promoting teamwork, dedication, and self- discipline in a positive setting.

Listed below are some of the rules and regulations of the Cheerleading Program.

Defiance of such rules can lead to immediate dismissal at the discretion of the coach.

1. Team Parties

a. Team parties should be held on Friday, Saturday, and Sunday nights in order to minimize the conflict with homework. There are to be no alcoholic beverages at these functions.

2. Cheerleaders should not:

- a. Consume a beverage containing alcohol
- b. Use tobacco in any form
- c. Use or consume, have in possession, buy, or sell or give away any other controlled substance
- d. Conduct themselves in inappropriate behavior while in cheerleading apparel, warm-ups, or uniforms.

3. Hazing

a. Hazing in any form, either mental, or physical, will not be tolerated. No one, no matter what grade or year on the team has to 'earn her way' onto a team by submitting to ridicule from members of the team. It is the duty of each member to discourage this behavior and all cheerleaders associated with the incident will suffer the consequence.

4. Communication

- a. Parents are encouraged to contact coaches with questions regarding the practice/ game/ competition schedule, parent related events, and fundraising. Questions pertaining to these should not be discussed during games and/or competitions. It goes against our school's good sportsmanship code to speak negatively about team strategy, and other student athletes.
- b. Cheerleaders are expected to notify coaches of any schedule changes well in advance. AS part of the educational experience, cheerleaders are to notify the coaches in writing through email.

5. Arrival and Departure

- a. Cheerleaders are to arrive 15 minutes prior to the beginning of the scheduled time. (If arrival time is 5:00, athletes should arrive at 4:45 to set up, get changed, and begin stretching)
- b. All practice and game sites, locker rooms, and buses should be cleaned before any cheerleader leaves. It is the responsibility of the cheerleaders, not the coach, to throw away trash, return any items and put away mats after an event. All athletes may leave when the facility is cleaned and they have been dismissed by the coach.

6. Practices

a. All practices are mandatory. Unexcused absences can lead to a suspension or dismissal from the team.

7. Nationals

a. If a cheerleader chooses to leave the group without permission from coach or chaperone she forfeits her position on the team and must be escorted home by a parent or legal guardian.

8. Registration Fee

a. A registration fee of \$100.00 will be used towards general season needs. This includes, and is not limited too, replenishment items for Football and Basketball cheerleading, competition fees and spirit items for games and Immaculata High School events.

No refunds will be given for payments or fees.

In recognition and compliance with the rules listed above please sign and return to athletic office.
