# Instructions for Completing the Hazardous Waste Tank Closure Form

### **GENERAL INFORMATION**

This form provides certification to the CUPA and to the owner/operator of a UST that the tank was properly cleaned, inerted and disposed of. This form applies to any UST that previously held a hazardous material or hazardous waste and is to be removed or closed in place.

## DEFINITIONS

The following definitions of specific terms from CCR Title 23 and CHSC §25281 are included to assist you in completing this form:

- "Owner " means the owner of an underground storage tank. This is often the property owner.
- "Operator" means any person in control of, or having daily responsibility for, the daily operation of an underground storage tank system.

#### INSTRUCTIONS

#### I. Facility Identification

- 1. Enter your Facility ID Number, if known. Otherwise, leave blank. This number is assigned by the CUPA and is the last 6 digits of the facility's establishment number (which appears on the CUPA permit.)
- 3. Enter the name of the business, as it appears on the Business Activities Form.
- . Enter the physical address (no PO Boxes) for the site as it appears on the Business Activities Form. It should be the same address as the location address on business emergency/contingency plan.
- 740. Enter the name of the UST owner.
- 741- Enter the UST owner's address.
- 744.

### II. Tank Closure Information

- 745. Enter the identification number of the UST as assigned by the owner. This ID number must correspond to the ID number listed in your Business Emergency / Contingency Plan.
- 746a- Indicate the Lower Explosive Level (LEL) and the Oxygen levels, in percentages, taken at the top, center and bottom interior AND at each
- 753c interior end of the UST. Trained personnel must take these readings with a calibrated monitoring device (such as a CGI).

#### III. Certifications

Read the certification statement and provide the following information:

- 754. Print the name of the person certifying this information.
- 755. Enter the title of the person certifying this information.
- 756- Enter the address and city of the person certifying this information
- 757.
- 758. Enter the phone number of the person certifying this information.
- 759. Enter the date and time that this information is certified.
- 760. Check the box that indicates whether the certifier is a representative of the CUPA. (NOTE: Within San Bernardino County the CUPA inspector is NOT authorized to certify the UST.)
- 761. If the certifier is a representative of the CUPA, enter the name of the CUPA.
- 762. Check the box that best indicates the certifier if NOT a representative of the CUPA.
- 763. Check the box that indicates whether the UST(s) contained flammable or combustible materials.
- 764. Enter your instructions for the recycling facility, scrap dealer, disposal facility, etc. that is receiving the UST.
