Registration Fee Table

As Amended by the Final Rule of January 9, 2003

A final rule published in the Federal Register on January 9, 2003, reduced the annual fees for registration years 2003-2004, 2004-2005, and 2005-2006 to \$150 for persons that meet the SBA size standard for a small business and for the newly established business category for not-for-profit organizations (organizations exempt from taxation under 26 U.S.C. 501(a)), and to \$300 for all other persons, and for registration year 2006-2007 and following to \$275 for small businesses and not-for-profit organizations, and to \$1000 for all other persons. The fees previously established for registration years 1992-1993 through 2002-2003 remain in effect.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in this table. All fees include the appropriate processing fee.

If you are a not-for-profit organization registering for 2002-2004 or 2002-2005, you must pay the fee in the column titled "Small Business/Non-Profit" if you met the SBA size standard for a small business between July 1, 2002, and June 30, 2003, and the fee in the column titled "Not-Small Business/Non-Profit" if you did not meet that standard during that year.

Registrants whose SBA business size changed within a period for which a multiple-year registration could otherwise be submitted are advised to register for the years in which they qualified as a small business separately from the years for which they do not qualify as a small business.
