KITCHEN

“ Following the success of Cure Leukaemia's 10th Birthday Dinner last year and in celebration of becoming a Cure Leukaemia Trustee, I am delighted to be back at Villa Park once again for this year's event, where I will be overseeing the menu and looking forward to adding my own feel and flavour to the evening.

Glynn Purnell's Friday Night Kitchen will be a take on the popular Saturday morning cooking show, which I have appeared on a number of times.

It will be an evening full of fun with stories and laughs from my experiences in the business, as you are invited to join me, in my show kitchen, for the evening. I am sure it will be a little bit different from your normal Friday night out and watch out, as I may invite you up to help on the night! I can assure you all 3 courses will be a culinary delight.

I was immensely honoured to become a Trustee of Cure Leukaemia earlier in the year and it's great to know we will again be honouring Cure Leukaemia's amazing fundraisers on the evening, with some well-deserved awards.

Pete Reed, Aston Villa's Executive Chef, will be joining me once again and the atmosphere will be relaxed and more importantly fun! I'm sure there will be some Villa and Blues banter flying around! And, of course, when we have all eaten and had a few drinks, we can party till the early hours with music from Russ Morris.

We won't be holding all the usual fundraising on the night as that's all covered in your ticket price, but we will be hosting an amazing one item raffle, watch out for that! And remember all funds raised from this event will go directly to patients across the Midlands who are battling with Leukaemia.

I would love to see you there, so if you would like to book your places, please contact Jackie Kelly at Jackie@cureleukaemia.co.uk. and she will let me know you have taken seats and I will look forward to seeing you on the evening. **”**
