To Whom It May Concern:

Teledyne Controls' Procurement policies of material, services and supplies require that prime contractors, subcontractors and suppliers comply with socioeconomic programs enacted into public law, implemented by Executive order and promulgated by Federal Regulations.

In order to comply with this regulation, Teledyne is distributing the enclosed Supplier Representations and Certifications for the calendar year 2014.

We are also taking this opportunity to apprise you of Teledyne's policies and procedures. Enclosed, please find and review the following:

- Purchase Orders General Terms and Conditions, Revision July 01, 2014
- Purchase Order General Terms and Conditions-Government Subcontracts Revision November 10, 2009
- Special Terms and Conditions of Purchase for Service Providers Revision October 1, 2012
- Purchase Orders Quality Provision Riders Document 2232391 Revision T
- Purchase Order Delivery & Quality Policy Reminder
- Supplier Representations and Certifications for calendar year 2015 - 2016
- FAA certificated Repair supplier Regulatory Compliance Questionnaire
- Parts Authenticity – 2015 – 2016 Supplier Representation and Certification

Teledyne Controls solicitations, agreements, purchase orders and subcontracts will be governed by this document. Teledyne Controls "**Purchase Order General Terms & Conditions**" Revision July 01, 2014, "**Purchase order General Terms & Conditions – Government Subcontracts**" Revision November 10, 2009 and "**Special Terms and Conditions of Purchase for Service Providers**" Revision October 1, 2012 are currently in effect and are also available at [www.tetpurchasing.com](http://www.tetpurchasing.com) in the General Information section. You are cautioned to check the contents of individual agreements, purchase orders, and subcontracts to verify you have the current documents in effect at the time above were placed with your company.

We hereby request your agreement to honor the terms of any restrictive legend marked on data furnished by Teledyne Controls for any reason including data furnished with requests for quotations, purchase orders or corrective actions. You are reminded that such data may not be given to third parties or used for the manufacture of parts for anyone else unless authorized in writing by Teledyne Controls.

Please note that the Supplier Representations & Certifications for calendar year 2015 -2016, FAA Certificated Repair Supplier Regulatory Compliance Questionnaire, Parts Authenticity – 2015 - 2016 Supplier Representation and Certification and the acknowledgement receipt portion of this letter (see page 2) must be completed, signed and returned to the address below.
