1. Each colored square represents an available meeting time. The legend shows you which teacher corresponds to which color, and the times increase as you go down the page. (**Note:** you will not see all of the teachers at your school, just the set of teachers that your children have classes with. **Click on a square to book that time.**)
2. You will optionally have the choice of setting a time when you would like a reminder email delivered.
3. Click "**Create Appointment**".

Repeat until you have a time with each teacher you'd like to visit with.

- At any time you can click on "**printable schedule**" and print the resulting web page to get a hard copy of your schedule. You will also have the option to email your schedule to yourself.
- If you want to make changes to your schedule, you can log in at any time with the email address and password you used to create your account.
- Click on "**Your Schedule**" to display and hide your appointments. There will be links to change the time, or cancel the appointment.
