

# Elementary Report Card

School Year: 20\_\_\_\_ - 20\_\_\_\_

## Purpose of Report Card

This report is designed to inform you about your child's progress toward achieving the standards of the Kentucky Program of Studies. These standards establish high and challenging expectations for all students. They serve as the basis for curriculum, instruction, and assessment in Jefferson County Public Schools.

Academic progress reflects what students know and are able to do. The required documentation of academic grades/progress is based on student performance and may include class assignments, projects, tests, homework, journals, logs, teacher observations, student's self-evaluation, and participation.

Communication between the family and school staff is highly encouraged. Open houses, parent-teacher conferences, school newsletters, and special events held at the school provide additional opportunities for you to learn about your child's progress. If you have any questions or concerns, please use the back of this envelope to communicate with the teacher(s). You are also encouraged to contact your child's counselor or principal.

Student's Name

Teacher's Name

Name of School

Please sign your child's report card envelope and return it to the school.  
To arrange a conference, check below or call the school.

## Interim Report Card

### 6 Weeks
