

Burnin' Desire Truck Raffle

Tim's Buick/GMC of Prescott was so very generous to donate this 2010 GMC Sierra the Arizona Wildfire and Incident Management Academy. Proceeds will benefit our academy and scholarship program.

Annually the Arizona Wildfire Academy provides vital training to an average of 600 students that are either employed by or wish to be employed by agencies that respond not only to wildfires but any type of natural and man-made disasters that occur in the United States. Our students have been dispatched to wildfires, floods, train wrecks, hurricanes, tornados... Training to prepare them for any eventuality is vital.
