Visiting Library Service

Your library ~ delivered to your door!

London Public Library provides this free service to eligible residents of the City of London who, for reasons of restricted vision, mobility, or long-term illness are unable to use regular library facilities. Seasonal service is also available with delivery only during the winter months.

2 types of service ~

Regular Delivery:

Staff select and deliver items to customers in their homes or long-term care facilities once per month.

Branch Delivery:

Items are sent to any of LPL's 16 locations for pickup by a family member or friend.

How Visiting Library Works

Material Selection: Materials are selected by library staff based on your personal reading profile. You can also request specific titles, authors and subjects of interest.

Collections: A wide selection of fiction and non-fiction titles are available, from classics to the bestsellers. Patrons may borrow:

- °Books in hard cover and paperback
- °Large Print Books °Selected Magazines
- °Selected DVDs °Music CDs
- °Books on CD
- °DAISY books (guidelines apply)

The Visiting Library will deliver material to your home approximately every 4 weeks. We do our best to make sure the delivery service runs smoothly. To help us, please keep the following in mind:

Your Card: Upon registration, Visiting Library staff create a special library account for you and keep the card on file in our office. To avoid confusion over due dates and fines, your regular library card is suspended for the duration that you are receiving our service. If at any time you wish to resume using regular services – simply let us know and we will stop your visiting library account and start your regular library account.

Loan Period: Materials from your delivery are due to be returned on the date of your next delivery; this time period is usually 4 weeks.

Requests: We encourage you to take an active role in your material selection. Please contact our office via note, letter, e-mail or phone with any specific title, author or subject requests you may have.

Service Changes: If for any reason you need to suspend your service due to vacation, illness or change of address please contact us with the details.

Renewals: Please notify staff at Visiting Library one week in advance of your delivery if you have any titles that you would like to keep for an extra month. Remember, renewals are not always possible because other customers may be waiting to enjoy the title. If this is the case, the material must be returned on your next delivery day. Visiting Library staff will be glad to place these titles on hold for you so that you can receive them again at a later date.

Lost materials: Visiting Library customers are not charged fines for materials returned late. In the event that materials are not returned, a bill for the replacement cost of the items will be sent to you. If you return these items the charges will be removed from your account. Items can be returned to any London Public Library location.
