Get the training you need to produce clear, persuasive and succinct court documents in record time. Experienced litigators and professional writers use practical examples and illustrations to show you how powerful writing will advance your case and make you stand out from other counsel, and the common mistakes that weaken pleadings, affidavits and motion materials to take you out of the running at discovery and trial.

Stay for the full day for the afternoon workshop, *Polish Your Writing with Pizzazz* taught by Jane Griesdorf. This intensive workshop will focus on upbeat writing suitable for today's busy readers of the law. This hands-on course will include practical models, effective exercises on legal style and a review of punctuation and grammar essentials.

This program qualifies towards the Civil Litigation Skills Certificate.
