KNOWLEDGE

If you are interested in pathology then Medlink is delighted to offer two additional days of presentations in the fascinating field of modern pathology. Pathology will be held on Monday and Tuesday 14/15th December, following Medlink Campus, and includes bed and breakfast accommodation on campus.

For those unable to spend an additional night, there is a Virtual option – see our website for full details.

IF YOUR DREAM IS TO BECOME A DOCTOR

IT COULD BE CLOSER THAN YOU THINK

Get closer to achieving your dreams at St. George's University on the beautiful island of Grenada and join the over 12,000 SGU doctors who have practised in over 50 countries around the world, including the UK.

In addition to this adventure, you can receive your clinical training at an affiliated hospital in the UK. But all the while you'll be gaining a better international perspective, a greater variety of experience - plus a brilliant range of contacts and opportunities, worldwide.

CALL US TODAY OR APPLY ONLINE:

0800 169 9061 ext. 91380

sguuk@sgu.edu

sgu.edu/uk

Hæmatology The science of blood can give us many clues, from crime scenes to a person's health.

Bio-terrorism A new role and an emerging field of study for the modern pathologist.

Research The opportunity to perform original research in teams with support and guidance is a feature of the pathology course.

Biopsy This is pathology against the clock as you learn of the tools and techniques used to diagnose the living.

Autopsy Understand the overlap of science, medicine and clinical reasoning to determine the cause of death.

Pathology Learn of the careers and opportunities open to you if you decide to become a pathologist.

Forensics From crime scene to laboratory the role of the pathologist in CSI.

ST. GEORGE'S UNIVERSITY CAMPUS, GRENADA

+ A PROVEN, WORLD-CLASS ALTERNATIVE TO UK MEDICAL SCHOOLS

+ FOUR-, FIVE-, SIX- OR SEVEN-YEAR MD PROGRAMME

+ CLINICAL TRAINING CONDUCTED IN OVER 70 UK & US AFFILIATED HOSPITALS

+ AUGUST AND JANUARY ENTERING CLASSES EACH YEAR

+ SCHOLARSHIPS AVAILABLE

THESE OPTIONS ARE OPEN TO ALL MEDLINK CAMPUS DELEGATES

GOING FOR GOLD?

If you are working towards the D of E Gold Award, Medlink Campus, together with the Pathology and Next Step Upgrades will meet the 5 day D of E Residential section requirement.

THE OXBRIDGE SESSION

Applying to read medicine at Oxford or Cambridge adds further challenges to an already daunting process. Explore the rules for a successful application.

- How the college system works
- How students are selected for interview
- Attitudes to public/state school applicants
- What is BMAT?
- The American Ivy League

Successful Oxbridge medical students will share their experience and you can put your questions to our panel of speakers.

This session is also open to parents accompanying their son/daughter. (Additional fee applies: book online at www.medlink-uk.net or call 01509 233133.)

THE NEXT STEP

If you KNOW medicine is the career for you, this extra day is designed to help you choose the right medical school for you, and to help you make the strongest application you can.

- Choosing your medical school
- The UKCAT (with practice test)
- Different teaching systems
- Boosting your grades
- Medical school critical skills
- Smart tools for medical students
- Work experience

Plus: Student forum – a chance to put your questions to medical students
This course is geared to help YOU to medical school.

Follows Medlink Campus, 14/15th December OR 15/16th for those also attending the Pathology option.

ONTRAK

Three targeted online programmes, all timed to give you maximum support in gaining a place at the medical school of your choice.

Each session will be priced at £99 but will be offered to

Medlink delegates at the hugely discounted price of just **£25 for ALL THREE** - a saving of over £270.

Full details and terms at www.medlink-uk.net.

REVISION *April*

Learn how to get more from your revision

Speed reading

Banishing exam nerves

Improving & enhancing memory

PLUS The Smart7 guide to revision and exam success

UKCAT & UCAS *July*

UKCAT: Learn about the types of questions set,

how to answer them & sit a specimen test

UCAS: Learn how to perfect your personal statement and find out exactly what the Medical Schools look for

MED SCHOOL PREP *September*

Med School latest: what you need to know before applying

How to use your UKCAT scores

Refine your proposed personal statement – we can help you improve it

Med School Interview: final preparation

DOUBLE YOUR MEDLINK EXPERIENCE FOR JUST £25 EXTRA.

CHEMISTRY: upgrade to A*

Chemistry is *essential* for the prospective medical student. Your goal should be to obtain an A*. This optional session, examining how to give model answers, and giving advice on how to prepare for the exam, is offered to all delegates:

- What does getting an A* involve
- How do I achieve an A*
- Practical study techniques for an A*

THE EDGE

This optional session has the single aim of improving your chances of winning a place at medical school:

- How to work with your teachers to ensure a good school report
- Problems with A-levels; what are the solutions?
- What do the medical schools think about?
- How to make your UCAS form really stand out
- Interview techniques that really work
- Poor A-level results need not mean the end
- Opportunities for studying abroad exist, find out about them here

Bring the questions and we will supply the means of obtaining the answers

AND MUCH MUCH MORE...

Consistently voted the most useful presentation

MEDLINK EXHIBITION

WELCOME

TO THE

BIGGEST EVENT OF ITS KIND IN THE WORLD

- Medical schools
- Free seminars all day
- Institutions from around the country and the world
- The Independent Study Fair
- Free for all delegates and their families on Medlink Campus or Free

The hugely successful Medlink Exhibition will be open to all Medlink Free and Medlink Campus delegates and their families on Monday 14th December.

The Exhibition offers a single event where prospective medical students and their parents may meet and talk with medical schools, UK and overseas, as well as institutions which have something to offer anyone applying to medical school. The Exhibition will again be combined with the Independent Study Fair, offering opportunities for those wanting to boost their grades.

The free seminars will be on topics including financing a medical degree, and what admissions tutors look for in an application. Whether you are looking for help on which medical school to apply to, for inspiration on the direction your medical career could take you, or to boost your application, you will find plenty to explore.

The Exhibition and seminars are free if you or a member of your family has registered on Medlink Campus or Medlink Free

MEDICAL SCHOOL INTERVIEWS

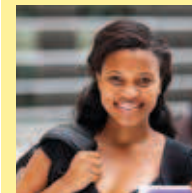

This year for the first time you will have the opportunity to have an interview for an overseas Medical School. These interviews are obligation-free and won't affect any of your applications to Medical School through UCAS but you have a chance to be offered a place at Medical School before you even have to sit your exams. This opportunity will be FREE and available to ALL Medlink Campus delegates. See the website for details.

New this year at Medlink Campus!

MEDLINK CAMPUS

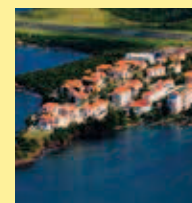

HAVE EVERYTHING FROM MEDLINK FREE PLUS THE FOLLOWING

CAMPUS LIFE

Experience uni life and live like a medical student on campus, making new friends, attending essential sessions, patient contact, practicals and more. Medical School is your future and Medlink Campus your preparation for a successful application.

PERSONAL INTERVIEW

Get face-to-face interview practice with an interview for an overseas medical school and an opportunity to win a place without affecting your UCAS options.

LIVE INTERVIEW

See an interview live, as interviewers share their thoughts & observations. From MMI to individual interview practice to UKCAT guidance, ensure you are better equipped than the competition.

GO FOR GOLD

Medlink Campus can help you meet the DofE Residential section requirement. See over for details.

FREE DELUXE STETHOSCOPE

Campus clinical skills practicals offer experience of diagnosis. Equipped with your own multi-head stethoscope encounter a superior sound and clinical experience.

PATIENT DIAGNOSIS

Work with your team under supervision to diagnose actual patients in real-time. Patient contact is essential and Medlink Campus provides an exciting opportunity to gain direct experience.
