

2008 MSPCA-Angell Walk for Animals

The annual MSPCA-Angell Walk for Animals is a great way to support an important cause. Animal lovers, like you, will be walking statewide (with or without their favorite canine companions) in Boston, Brockton, Hyannis, Martha's Vineyard and Springfield on the same day, at the same time, for the same reason: to promote kindness and care for animals.

Register, Fundraise, Save Lives. Our statewide goal of raising \$300,000 to benefit hundreds of thousands of animals can only be achieved with your help. Please sign up at www.walkforanimals.com and encourage your friends, family and fellow animal lovers to do the same — or urge them to support the cause by becoming one of your sponsors.

Register online at www.walkforanimals.com or mail your completed registration form (inside this pamphlet) to:

MSPCA-Cape Cod, Attn: Walk for Animals, 1577 Falmouth Rd., Centerville, MA 02632

Registration is \$25 per person and includes an MSPCA-Angell Walk for Animals event t-shirt.

Can't Make the Event? You can still make a difference by donating at www.walkforanimals.com. We rely on your support to reach our goal!

Our Mission The Mission of the Massachusetts Society for the Prevention of Cruelty to Animals – Angell Animal Medical Center is to protect animals, relieve their suffering, advance their health and welfare, prevent cruelty and work for a just and compassionate society.

You can help us continue this important work by participating in the annual MSPCA-Angell Walk for Animals. More than 1,400 dogs and 3,000 of their two-legged friends are expected to take part in this statewide effort.

Your Support Helped These Animals in 2007

Tiny Tim was brought to the MSPCA-Angell in Boston after he snapped a bone in his front left leg. We also found that his right front leg had been previously broken and had healed incorrectly. Tim underwent several surgeries to correct his broken legs and he is now a happy, energetic puppy continuing to heal in his new home.

At just seven-weeks-old, **Smitty** was thrown from a third-story porch. He suffered two broken legs and a fractured skull. Thanks to the MSPCA-WNE Animal Care and Adoption Center and Law Enforcement Department, Smitty has found a loving home and his abuser has been brought to justice.

Penny, only eight-months-old, was brought to the MSPCA-Metro South Animal Care and Adoption Center by a Good Samaritan who had found her wandering in the neighborhood. The staff noticed that she was extremely lethargic and appeared to be having trouble breathing. She was rushed

to the emergency center where it was discovered that she had several broken ribs and air had leaked into her chest cavity. She had suffered a severe trauma, either from being hit by a car or kicked. Fortunately, Penny made a full recovery and has been adopted.

Einstein suffered neglect and terrible abuse. His former owner stabbed him with a knife, which left a long visible scar near his tail, and her attempts to electrocute him left his paws so severely damaged by burns that, even today, he still needs to wear booties in the winter. He was surrendered to the MSPCA-Boston Animal Care and Adoption Center where we provided him with loving care and adoption services. Today, Einstein is happy and healthy in his new home.

You know they'd walk for you.
