LOOK ONCE, THINK TWICE

NEAT & DISCREET. Despite NV200's class-leading 4.2m³ capacity, its compact footprint makes it easy to manoeuvre through traffic and to negotiate parking spaces. A smart design - the best in town.

TAKE A HANDS-ON APPROACH

DRIVER FOCUSED. Inside NV200's spacious cabin, the solid quality of the materials, thoughtful, functional design details, numerous storage spaces and a higher seating position create a comfortable mobile office.

[REQUEST A TEST DRIVE](#)

OUTSTANDING CARGO CAPACITY

NV200 PROVIDES YOU with an outstanding cargo space, the biggest in its category. NV200 has been designed to maximise cargo space by optimising internal dimensions. With 4.2m³ cargo volume and 728kg payload, NV200 is ready for any unexpected jobs.

2.04M

NV200 has a load space long enough for two Euro pallets.

1.50M

With more space between doors, wider loads are easy too.

1.36M

A low floor and tall roof means more height to cope with bulky loads.

4.2M³

Class leading cargo volume.

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

COMPACT BODY WITH UNLIMITED POSSIBILITIES

INTELLIGENT DESIGN MEANS NV200 packs remarkable cargo space into its external dimensions. With an overall length of just 4.40m and an overall width of 1.69m, NV200 compactness will surprise you, making it easy to manoeuvre and park in the most challenging urban environment.

From baguettes to building materials, NV200 carries the maximum possible in its category.

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

CLEVER VERSATILE SPACE

NV200'S HUGE CARGO SPACE has been cleverly designed to maximise internal dimensions and make your everyday work easier. The interior length reaches 2.04m and the width between wheelarches is 1.22m so that two Euro pallets fit in easily. The cargo floor is only 524mm from ground level, so loading NV200 is quicker and easier. Standard floor hooks help keep your deliveries secure. NV200 can be configured to meet your needs, with a choice of solid steel bulkhead or mesh folding bulkhead, two sliding side doors and optional rear glazing.

Space for a long ladder (with optional folding bulkhead).

Space for two Euro pallets.

2.8M

Space for a long ladder (with optional folding bulkhead)

524MM

Cargo floor height

2 EURO PALLETS

Room for 2 Euro pallets

1.22M

1.22m between wheelarches

*There is no 2nd row glazing option available in UK. Models only come with unglazed double sliding doors.

OUTSTANDING VERSATILITY

BEYOND ITS DISTINCTIVE STYLING, NV200 Combi is exceptionally versatile to help you with all your activities. It offers you the most flexible moving space with almost unlimited carrying capabilities. It comfortably seats up to seven people. Or with five people, in two rows of seats, there's still 2.3m³ of luggage space. NV200 is the ideal vehicle for transporting passengers, cargo or even both.

3.1M³

Up to 3.1m³ luggage space when second row folded.

2.3M³

Up to 2.3m³ luggage space with two rows - 5 passengers.

7 SEATS

More seats, more knee room, more headroom.

COMFORTABLE AND ADAPTABLE

NV200 COMBI gives you more space inside, while its adaptable, modular seating creates almost unlimited configuration possibilities. Whether it's carrying two, five or seven passengers, NV200 Combi still has surprising room for luggage. Intelligent storage spaces, cargo hooks (or alternatively a tonneau cover from the accessories range) and the smart, business-like cabin all create a good impression with your passengers, and make life easier for you. Both the 2nd and optional 3rd row seats fold out of the way to leave a clear, low floor, so it's easy to get everyone and everything on board.

2 SEATS

In two-seat configuration, NV200 Combi can take three mountain bikes with front wheels still attached. That's 3.1m³ of load space (2.9m³ with the optional 3rd row folded).

5 SEATS

Even with five people on board, NV200 Combi can still take on board a large size suitcase for each of them, representing 2.3m³ of load space (2.1m³ with the optional 3rd row folded).

7 SEATS

When its nearest rivals have run out of luggage space, NV200 Combi can still easily accommodate at least two large suitcases.

ADAPTABLE SPACE

All seats fold away to increase load space.

CITY WISE

NV200 THRIVES IN THE CITY. Its unique dimensions make it easier to park and to position in traffic than its competitors. Excellent visibility from the high seating position, plus superb agility, help you manoeuvre easily in crowded streets.

REAR VIEW CAMERA. Squeezing into small parking spaces and loading bays is easy work with the optional rear view camera. The dashboard display gives you a full colour view of the area behind you, and superimposes guidelines to help you position NV200 exactly where you want it.

SEE CLEARLY, SIT COMFORTABLY

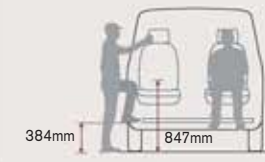

NV200's driving position is higher than its rivals to help you see further ahead, with the dashboard instruments angled to face you, so you can read them with just a quick glance.

NV200's 10.6m turning circle kerb to kerb and compact 4.4m overall length put you streets ahead when you're picking your way through congested cities.

Low floor allows easy entry and exit.

Van with mesh bulkhead

NV200 HAS 13 DIFFERENT STORAGE SPACES. The centre upper tray and glove box are ideal for paperwork. There are storage trays between the front seats and in front of the passenger (when no passenger airbag is fitted). Holders for your drinks bottles and cans on the dashboard, are easy to reach. The large door pockets will take an A4 road map. NV200 has concealed storage too, such as the drawer under the driver's seat and a secret compartment in the glove box.

* With the optional Nissan Connect fitted, there are 12 storage spaces.

SMART AND CONVENIENT

IT'S EASIER to work and relax in NV200's smart interior. There's a solid, quality feel to the materials. Plus many storage spaces, designed for the items you use every day. For example, the optional passenger seatback folds forward to create a useful flat workspace.

LOW COST OF OWNERSHIP

NV200 MAKES GOOD BUSINESS SENSE. From the outset, it's been designed to offer a low total cost of ownership. Not only through minimal everyday running costs, but also through robust construction and durable materials for long life and reliability.

HARD TO BREAK, SIMPLER TO REPAIR

NV200 is tough, to handle the demands of hard work and to keep you well protected. Outside its rigid central structure are effective energy absorbing zones that dissipate impact forces. Though strong, they're also easy to repair.

GEAR CHANGE INDICATOR

When the engine reaches the ideal revs to change up, an indicator shows in the multifunctional display the ideal timing to change gear. This helps you drive more economically.

KEEPING YOU INFORMED

NV200 is equipped with a multifunctional display with onboard trip computer that provides all the information you need to help you drive economically. It shows you engine revs, average and real time fuel consumption, and your remaining range. With the rear view camera*, the display switches to a full colour picture of what's behind you, the moment you select reverse gear.

5 or 6-speed manual transmissions available

POWER WITH ECONOMY

NV200 IS EQUIPPED with a powerful yet frugal 1.5 dCi turbo diesel engine. There are two options available to choose from. There's the highly efficient, 90PS, 200Nm torque engine, mated to a smooth 5-speed manual transmission or alternatively if you want more power, there's the 110PS, 240Nm torque engine, with a 6-speed manual transmission. Both engines offer excellent fuel economy, with an impressive range in everyday driving conditions, so you can go longer between filling up. Low CO₂ emissions enable you to reduce your carbon footprint.

1.5 DCI

SAFETY

AT NISSAN, SAFETY IS A TOP PRIORITY. That's why NV200 is equipped with a number of active safety systems, including ABS with Electronic Brakeforce Distribution (EBD) and Brake Assist which increases your braking effort and optimises stability control. Like you, we want everyone to feel safe on board the NV200, so the driver's airbag and front seat belt pretensioners are standard. But NV200 doesn't stop here, it enhances its protective shield by offering as standard equipment on Combi the front passenger, side and curtain airbags, as well as Electronic Stability Program (ESP), driver adjustable speed limiter and cruise control to guarantee your safety. These are optional features, available on NV200 Van.

* Rear view camera is standard except Visia grade, see Technical Specifications for details.

DIESEL	OUTPUT (PS)	NORM	CO ₂ EMISSIONS (G/KM)	TRANSMISSION	FUEL CONSUMPTION (COMBINED L/100KM / MPG)
1.5 dCi	90	Euro 5	from 128	5-speed manual	from 4.9 / 57.7
1.5 dCi	110	Euro 5	from 131	6-speed manual	from 5.0 / 56.5

IPHONE® APPLICATIONS

DISCOVER the exact location of your NV200 in an instant. Find the precise technical information you need at the swipe of a finger... Download the iPhone apps for your Nissan NV200 and make life simpler.

FIND MY VAN

Have you ever parked in an unfamiliar part of town - or somewhere you've never been before - and then forgotten exactly where you left the vehicle? Then Nissan has the answer. At its most simple level, "Find My Van" allows the driver to input the precise location of a parked van using the phone's inbuilt GPS system and bundled Google Maps software. To find the vehicle again later, all the driver needs to do is call up "Find My Van", press a compass symbol shown on the screen and accurate directions will be given on a map to where the vehicle is parked.

NV200 MANUAL

Every NV200 comes with a comprehensive operator's manual... which seldom gets read. But now it's available as an iPhone® app, so you can quickly access relevant information, bookmark important pages and even watch 'how to..' demonstrations on video. Clear, user-friendly and engaging, the NV200 operator's manual iPhone® app gives you direct access to any information you may need - any time, anywhere.

NISSAN CONNECT

KEEP IN TOUCH with Nissan Connect, your fully integrated navigation, communication and audio-entertainment system. With steering wheel commands and a 5 inch touch screen to display optimal routes, music and info alerts, your phone book and personal files. Find high-definition 2D or 3D maps and auto-zoom on targets. Get voice guidance in 9 languages across Europe. Play CDs in any format, plug in your iPod, MP3 player or USB stick, browse with Bluetooth® audio streaming or listen to the radio and traffic reports at once. Open your network thanks to hands-free connectivity and enjoy the world at your fingertips.

PLAY

CDs in any format, browse with Bluetooth® audio-streaming or opt for the radio and traffic reports at once.

SELECT YOUR FAVOURITES

1

1/ PLASTIC CARGO PROTECTION FOR FRENCH DOOR WITHOUT WINDOW, REAR PANEL AND WHEELARCH. These durable plastic panels are part of a range developed to protect virtually all of the interior load space.

2/ STEEL LOAD CARRIER - TWO BARS. This sturdy steel load carrier has a carrying capacity of 60kg, and can accept most Nissan load carrier accessories such as load stops. Load carrier is also available in three bars.

3/ PLASTIC FLOOR PROTECTION FOR VAN. Rugged, easy to clean and with an anti-slide surface that helps keep your cargo in place.

4/ MUDGUARD. Robust and durable. Available for the front and rear.

5/ REMOVABLE TOWBAR. Choose between the fixed towbar, flanged towbar or removable towbar. All of these options let you take full advantage of NV200's 1,100kg towing capacity.

6/ BODY SIDE MOULDINGS AND SIDE BAR. Tough protection and an extra styling touch for your NV200.

7/ MATS. Rubber or textile floor mats. Featuring the NV200 logo, these mats are tailored to fit precisely and include fixings so they stay in place (can be easily removed for cleaning).

The NV200 Combi offers supreme versatility for the carriage of both cargo and passengers, as well as the superb load carrying capacity of the van. Equipped with either 5 or 7 seats it can carry a full complement of passengers, or the fully folding rear seats make way for a large cargo area. With a compact exterior, but large interior space, combined with a tight turning circle NV200 is easy to manoeuvre and park.

VED Band	A	B	C	D	E	F	G	H	I	J	K	L	M
CO ₂ Emissions Figure (g/km)*	up to 100g	101-110g	111-120g	121-130g	131-140g	141-150g	151-165g	166-175g	176-185g	186-200g	201-225g	226-255g	over 255g
Petrol Car	£0	£0	£0	£0	£125	£140	£175	£285	£335	£475	£620	£840	£1,065
Diesel Car	£0	£0	£0	£0	£125	£140	£175	£285	£335	£475	£620	£840	£1,065
Alternative Fuel Car	£0	£0	£0	£0	£115	£130	£165	£275	£325	£465	£610	£830	£1,055

* g/km = grammes of CO₂ per kilometre travelled.

All Light Commercial Vehicles will have a standard VED rate of £220 per annum.

VAT and VED

VAT application is based on current HMRC guidelines, please check with HMRC for specific guidance for the vehicle you are purchasing. VED is determined by the DVLA, please check with the DVLA for specific guidance for the vehicle you are purchasing.

Optional equipment. This price list features a selection from the full range of optional equipment, be they standard, dealer fit or factory options.

For further information and details of the full range, please contact your local Authorised Nissan Dealer.

Nissan's commitment to you includes all of the following benefits – some of which may be the reasons why you chose your new Nissan in the first place:

Three-year/60,000 miles manufacturer's warranty – Nissan's comprehensive warranty provides cover for your new Nissan from defects in materials or workmanship. Your vehicle is covered in all European Countries where Authorised Nissan Dealers are located. If your vehicle becomes inoperative due to a warrantable defect a towing service, when necessary, to the Authorised Nissan Dealer is covered. If a warrantable defect abroad takes more than six hours to repair, the Touring Assistance Programme will pay for a hotel room or rental car up to a certain maximum. The paint warranty covers painted body parts (excluding the underbody) for three years regardless of mileage driven. For further details please contact your local Authorised Nissan Dealer.

LEAF – Nissan LEAF offers a 5-year / 60,000 mile warranty on all EV dedicated components, including the lithium-ion battery, and a 3-year / 60,000 mile warranty on standard components. The Nissan LEAF lithium-ion battery state of health guarantee protects against battery capacity loss (less than 9 bars out of 12) as shown on LEAF's capacity gauge for a period of 5 years / 60,000 miles.

NV200 Combi - New Vehicle Warranty is issued by Nissan International SA is valid for 3 years from the warranty start date or 60,000 miles, whichever comes first. In addition, for each new NV200 Combi sold by an authorised UK Nissan dealer, Nissan Motor (GB) Limited (NMGB) will issue an extension to the New Vehicle Warranty. This warranty extension will cover your vehicle from 60,000 miles up to 100,000 miles or 3 years from the warranty start date, whichever comes first. Please note that audio and navigation units will not be covered by the warranty extension.

FURTHER INFORMATION

Nissan European Roadside Assistance is provided for the first 3 years of your vehicle's life.

Roadside, Recovery and At Home products are provided by RAC Motoring Services (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Motoring Services (in respect of insurance mediation activities only) is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Onward Travel and European Cover are underwritten by RAC Insurance Limited (Registered No. 1424399, Registered Office: 8 Surrey Street, Norwich, NR1 3NG). RAC Insurance Limited is authorised and regulated by the Financial Conduct Authority and within the jurisdiction of the Financial Ombudsman Service and Financial Services Compensation Scheme.

Nissan EV Pan-European Roadside Assistance is provided by AXA for 3 years or 60,000 miles, whichever comes first.

For LEAF Flex (battery lease) customers, the Nissan EV Pan-European Roadside Assistance will cover you for the duration of your battery lease agreement should your Nissan EV run out of battery charge. For any other repair work, the basic warranty clause still applies.

Benefits and Services are provided by AXA Assistance. AXA Assistance is authorised and regulated by the Financial Conduct Authority (FCA).

FCA Register number 439069. AXA Assistance UK Limited (registration 2638890) 106 - 118 Station Road, Redhill Surrey RH1 1PR

Peace of mind – we always guarantee our workmanship, and all genuine Nissan replacement parts and accessories have a minimum of one year's warranty. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices

Our technicians have been trained by Nissan to work on your vehicle and they are the Nissan specialists. They use the latest equipment to ensure your vehicle is given the best treatment. Accessory prices are subject to change, please see your nearest dealership for the most up to date prices.

Recyclability – we take all our environmental responsibilities very seriously - innovation today comes with a deep respect for the environment. Our engines are now much more unobtrusive and their emissions have been considerably reduced. All our vehicles are designed with recycling in mind.

Nissan Finance offers a wide range of flexible finance schemes to meet the needs of both our retail and business customers. Preferences, Hire Purchase, Nissan Contract Hire and Finance Lease, all offer the in-built flexibility to make the package tailor-made to meet your individual needs. We also provide added security to your finance agreement with a comprehensive range of payment protection plans. Ask your local Authorised Nissan Dealer for details.

The Nissan Motability Programme developed in association with the registered charity Motability enables those with difficulty getting around to obtain selected models on preferential terms.

All prices in this list are quoted in pounds sterling. Value Added Tax (VAT) has been calculated at 20%.

While all reasonable effort has been made to ensure the accuracy of the information provided, due to Nissan's policy of continuous product improvement, all particulars contained are subject to constant revision and Nissan reserves the right to change, alter or modify, among other things, specifications, colours and prices of models without notice at any time. Accordingly you should consult your local Authorised Nissan Dealer for the exact introduction dates of all models and for the most up-to-date information.
