Teaching Excellence and Achievement Program (TEA) Application for International Teachers

PROGRAM OVERVIEW

The Teaching Excellence and Achievement Program (TEA) will provide international teachers with unique opportunities to develop expertise in their subject areas, enhance their teaching skills, and increase their knowledge of the United States.

The Teaching Excellence and Achievement Program (TEA) will provide approximately 160 secondary school teachers from East Asia and the Pacific, Europe and Eurasia, the Near East, South and Central Asia, Sub-Saharan Africa, and the Western Hemisphere with unique opportunities to develop expertise in their subject areas, enhance their teaching skills and increase their knowledge about the United States. TEA consists of a six-week non-degree, non-credit academic program at a U.S. University. The international participants will travel to the United States in two cohorts of approximately 80 teachers each in spring or fall 2016. TEA provides academic seminars focusing on teaching methodologies, curriculum development, lesson planning, teaching strategies, and instructional technology training. Intensive English language instruction will be offered to teachers who need additional practice. The program will also include a field experience at a U.S. secondary school where participants work closely with U.S. teachers and teach and present to U.S. students. Cultural enrichment, mentoring, and support will be provided to participants throughout the program.

After returning home, teachers will be eligible to participate in a small grants program to request funds for essential teaching materials, follow-on training for other teachers, collaborative projects between their home schools and U.S. schools, and other activities that build on the exchange experience.
