

May 2014

Commodore's Corner

family day.

I hope that everybody had a great Mother's Day. Whether we were able to spend time with our moms or remember the spent together. I was fortunate to be able to have my mom over for breakfast and after she left the kids and I took Shannon to the top of Humbug Mountain. Overall, it was a great

We were sorry to miss some of you at the opening weekend of sailing this year. The sun was out, the temperature was warm, but the wind forgot to show. We then enjoyed a nice dinner served by our very own junior sailors. The dinner turned out wonderful again this year. We had great turn out and I thank everyone that showed up to support your junior sailors. In addition, if you have the chance please stop by the Rodeo Steakhouse Grill. Angie has supported us on several of our dinners without even being able to use it as a tax break. If you eat there, please say thank you. I would also like to thank Tammy Northcutt and Shannon Randle for taking the lead on the dinner and helping to organize the kids.

The first four races have gone the same as the opening weekend just without the sun. No one except the race committee showed for race one and two. For race three and four, we had sailors but not enough that were willing to race in the strong swirling winds from the south. Let's hope that the weather changes in our favor so we can get started with five and six after the potluck on the 18th.

Please don't forget the work party on the 17th. Our docks need some serious attention this coming weekend so please show up and help. In addition, mark your calendars for the annual Memorial Day Regatta. Every year Steve and Linda Kridelbaugh host this for all the sailors of the club to enjoy so please come up and take part. Afterwards Jessica is hosting a meet the new member's fiesta so please join us on Sunday of Memorial Day weekend.

It is now time to sign up your junior sailors for sailing school. Please fill out the form and send it in as soon as possible. Each year we have to turn a couple of sailors away because we only can support so many kids in our program. This is a great week at the lake whether you are an adult or kid.

Sean and I are also talking about hosting an adult sailing school after the kids are done each evening for an hour or two. If you would be interested please contact Sean or myself by email at randlebros@charter.net. You will not need your own boat for this activity however if you do it will be to your advantage.

I look forward to seeing everybody on the water and if you need any help setting up your boat please let me know.

Your Commodore,
Scott Randle

Board & Committee Notes

Board Meeting on May 7, 2014

Official Board minutes and complete treasurer's report are posted in the clubhouse. Yacht Yak committee information is gathered at Board meeting and directly from Chairs.

Infrastructure Committees

ROADS & GROUNDS: (Tom Kyle) The power failure in the trailer area was caused by an underground broken wire. It was fixed by Tom Kyle and Frank Burger.

MOORINGS & DOCKS: (Dan Randle) Several areas on the docks need repair. The safety boat slip needs modification including removal of protruding bolts and adding a rub rail.

WORK PARTY: (Frank Burger) Frank will send an email with details on the May 17th work party. Areas needing work include beach weeds and grass, docks, and the ramp by the boat launch.

Racing Committees

JUNIOR SAILING: (Tammy Northcutt) On April 13th, the Juniors served dinner following the Commodore's Cup races and the General Meeting on Opening Day. It was a success. Thank you to the Northcutts for their generous donation. Drop by the Rodeo Steakhouse and thank them for donating all the rolls and honey butter.

Boat Lease Information: CBYC Jr Sailing Program leases Holder Hawks and Lasers. The deposit is \$50.00 and the boat lease is \$50.00. If you are interested in leasing a boat please contact Tammy Northcutt at 547-260-2273.

RACE: (Shannon Randle) The Opening Day Commodore's Cup races on April 13th had beautiful weather -- sunny and no wind so the races were canceled. This was a first because usually it is cold and rainy. So far, there have been no races to date due to inclement weather.

The Board discussed the use of the lockers in the basement of the clubhouse. Some of the lockers have not been opened in years but are locked.

SAFETY BOAT: (George Tinker) The bilge pump is not working properly. Safety boat users are to wear life jackets and have a maximum of three people in the boat so there is room to save three people.

All members are required to have their Oregon Boaters Card. For class information, please call George Tinker, 541-267-6152, gtinker@frontier.com

MEMORIAL DAY FUN REGATTA: Steve and Linda Kridelbaugh are running the racing for this fun regatta. The skipper's meeting will be at noon with three races to follow. We will wrap-up the day with a barbeque at the clubhouse. BBQs will be setup, so bring your favorite meat for yourself. Please bring salad, side dish, chips, or

dessert to share. Everyone is invited to come out and kick off the summer!

LABOR DAY REGATTA: (Ken Labrousse) The Club needs you to volunteer for your favorite task during the regatta. New members are encouraged to join a committee. Ken has starting ramping-up this project.

Other Committees

MEMBERSHIP: (Dick Vigue) Welcome Josh and Melanie Stevens as new members sponsored by Sean Randle. Their membership application was presented at the April General Meeting.

OAC (Richard Rudder): Site holders are reminded that May 1st was the deadline to have tarps off trailers and sites cleaned up.

SAFETY: (George Tinker) The safety throw rings by the diving board are up with the addition of a throw bag device. To use the new device, throw the bag past the person; the rope will float. When tossed, the rope unravels out of the bag as it travels in the air toward its target. After landing, the person grabs onto the rope or the looped end so they can be pulled back toward the thrower.

Signs about toxic algae have been posted. The Club will be inspected by the Clean Marina program in May.

SOCIAL: (Jessica Randle) A new and current member Fiesta is planned for May 24th at the Point starting at 7 PM. A full dinner will be served but bring your own beverages and Smore fixings. This is an opportunity to bring prospective members. See invitation from Jessica.

Old/New Business

SCHEDULES: **Update your calendars** -- the activities and duty assignments have been updated. These schedules replace the yearbook version.

NEW RESTROOMS: Permits have been approved for the new restrooms at the Point. Scott Randle will organize the project for summer. He has started to gather materials for the project.

ADULT SAILING CLASS: (Tom Mills) This is an important project that increases interest and new members to keep our club growing and vigorous. See announcement for details.

BIKING & HIKING TRAIL: Jason Bell discussed extending the existing trail. The Board approved and applauded his idea. He will be seeking help for this project.

TEN MILE LAKES WATERSHED: George Tinker reported on the move to create a watershed area. Everyone can enter into the discussion but only permanent residents will vote to decide on the watershed creation. Two different areas are being considered for the area included in the watershed. CBYC tax assessment is estimated at \$1000 to \$2000. Website <http://tlbp.presys.com/>

SCUTTLEBUTT DEFINED: from www.dictionary.com
Meaning "information, news, rumor, gossip" first recorded 1901, originally nautical slang, traditionally said to be from sailors' custom of gathering around the scuttlebutt to gossip. (The legend of origin is that the scuttlebutt was a butt [= cask, keg] of drinking water located near a scuttle [= hatch]. Sailors gathered there to exchange gossip.)

Coos Bay Yacht Club Junior Sailing School

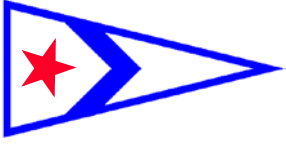

June 24-28 2014
For Youths 10 - 18 Years Old

We will be teaching boating and basic water safety, care and rigging of small sailboats, sailing techniques, beginning racing techniques, and basic rules. An end of school race will be held on Saturday, June 28th. Classes are held daily 9:00 AM - 4:30 PM. The Saturday, June 28th race will start at 11:00 AM with a bring your own meet BBQ, awards and ice cream desert following the final race for all family members.

The Sailing School will consist of several instructional levels of class with a goal of instructing the beginning sailor students with up to three years of previous CBYC Sailing School experience mixed in the same class. Students will sail a Holder Hawk. Past Beginning Sailing students should consider themselves for the advanced class if they are confident of their skills or have completed three summers of beginning sailing. The advanced class for 2014 will consist of a variety of racing formats and practice racing. Advanced students will sail a Laser. Students with more than three years in sailing school are welcomed to assist with instruction of the Beginning Sailing students. Daily attendance for the full week is expected.

1. Students must be able to swim well enough to enable themselves to get back into a capsized boat. A basic swim test is required.
2. All students need a supervising parent or adult CBYC member sponsor present on site who is responsible for entry, information, and supervision during the "on the docks" and "on the water" activities. Any exceptions need to be discussed with the instructor prior to June 13. The sponsor and parent assume all liability for the activities for the student. Parent volunteer instructors or supervisors are mandatory for on water events.
3. Each student will be required to provide his or her own U.S. Coast Guard approved life jacket with a whistle to wear at all times while on the docks and on the water. Students should bring a swimsuit, change of dry clothing, and a dry towel, which should have personal identification attached. No phones, radios or electronic games please! A "shortie (or full length) wet suit" is recommended for warmth, some are available for loan. Shoes are required to be worn at all times while on the docks. No "free swimming" time is allowed during the lunch break.
4. A \$75 donation per club member or \$118 non club member with registration for the Sailing School Program is needed to maintain the program. **(CBYC liability insurance premium per student for the 5 days is in excess of \$50)**
5. Class is held rain or shine, only the activities may be modified.
6. A scheduled mandatory work party will be held Friday June 27, 2014 after sailing school, in preparation for the Saturday "open house" and youth racing regatta. Brooms, rakes, lawn implements will be requested for use. Families welcome and encouraged to watch your sailor and enjoy CBYC Saturday.
7. Prompt registration **prior to June 13, 2014** is needed to enable proper planning for the Sailing School.
8. Sailing school logo tee shirts will be provided with registration.
