4.3 Andrea McIntyre, Parry Sound resident

Re: Request that the fluoridation of the Town's water supply be terminated.

Response: Attached

4.4 Susan Hircyna, Executive Administrator, Parry Sound Downtown Business  
Association Board

Re: Request to further pedestrian safety by asking the Town to look into installing a sidewalk through the James Street parking lot to Gibson Street. Currently there is a sidewalk along the side of the Gerald M. Taylor building, but it ends where the lower lot meets the top parking lot. Is there a way that a sidewalk could continue from this spot through the upper parking lot to Gibson Street?

4.5 Bill Vrebosch, Mayor, Municipality of East Ferris.

**THE CORPORATION OF THE TOWN OF PARRY SOUND**

**NOTICE OF A COMPLETE APPLICATION AND PUBLIC MEETING CONCERNING A  
PROPOSED ZONING BY-LAW AMENDMENT - Z/14/6 (Waltmar Inc.)**

---

**TAKE NOTICE** that the Council of the Corporation of the Town of Parry Sound will hold a public meeting on Tuesday December 2, 2014 at 7:00 p.m. in the Council Chambers at the Town of Parry Sound's Municipal Office, 52 Seguin Street (Gibson Street entrance) to consider a proposed Zoning By-Law amendment under Section 34 of The Planning Act as amended.

The purpose of the proposed Zoning By-Law amendment is to rezone part of the lands described as Part of Lot 25, Concession 1 formerly in the Township of McDougall, or as more particularly described as Part 2 of Plan 42R16628, and Part 10 of Plan 42R14713, known locally as 2 Oastler Park Drive. The property proposed for rezoning is shown on the attached plan. It is proposed to be rezoned to permit the storage and sale of finished dock products and accessory goods. Other uses in the C3 Zone will still be permitted, but will be subject to a holding provision until such a time that a traffic impact study and an ecological assessment are completed.

**ANY PERSON** may attend the public meeting and make written and/or verbal representation either in support of, or opposition to the proposed Zoning By-Law Amendment.

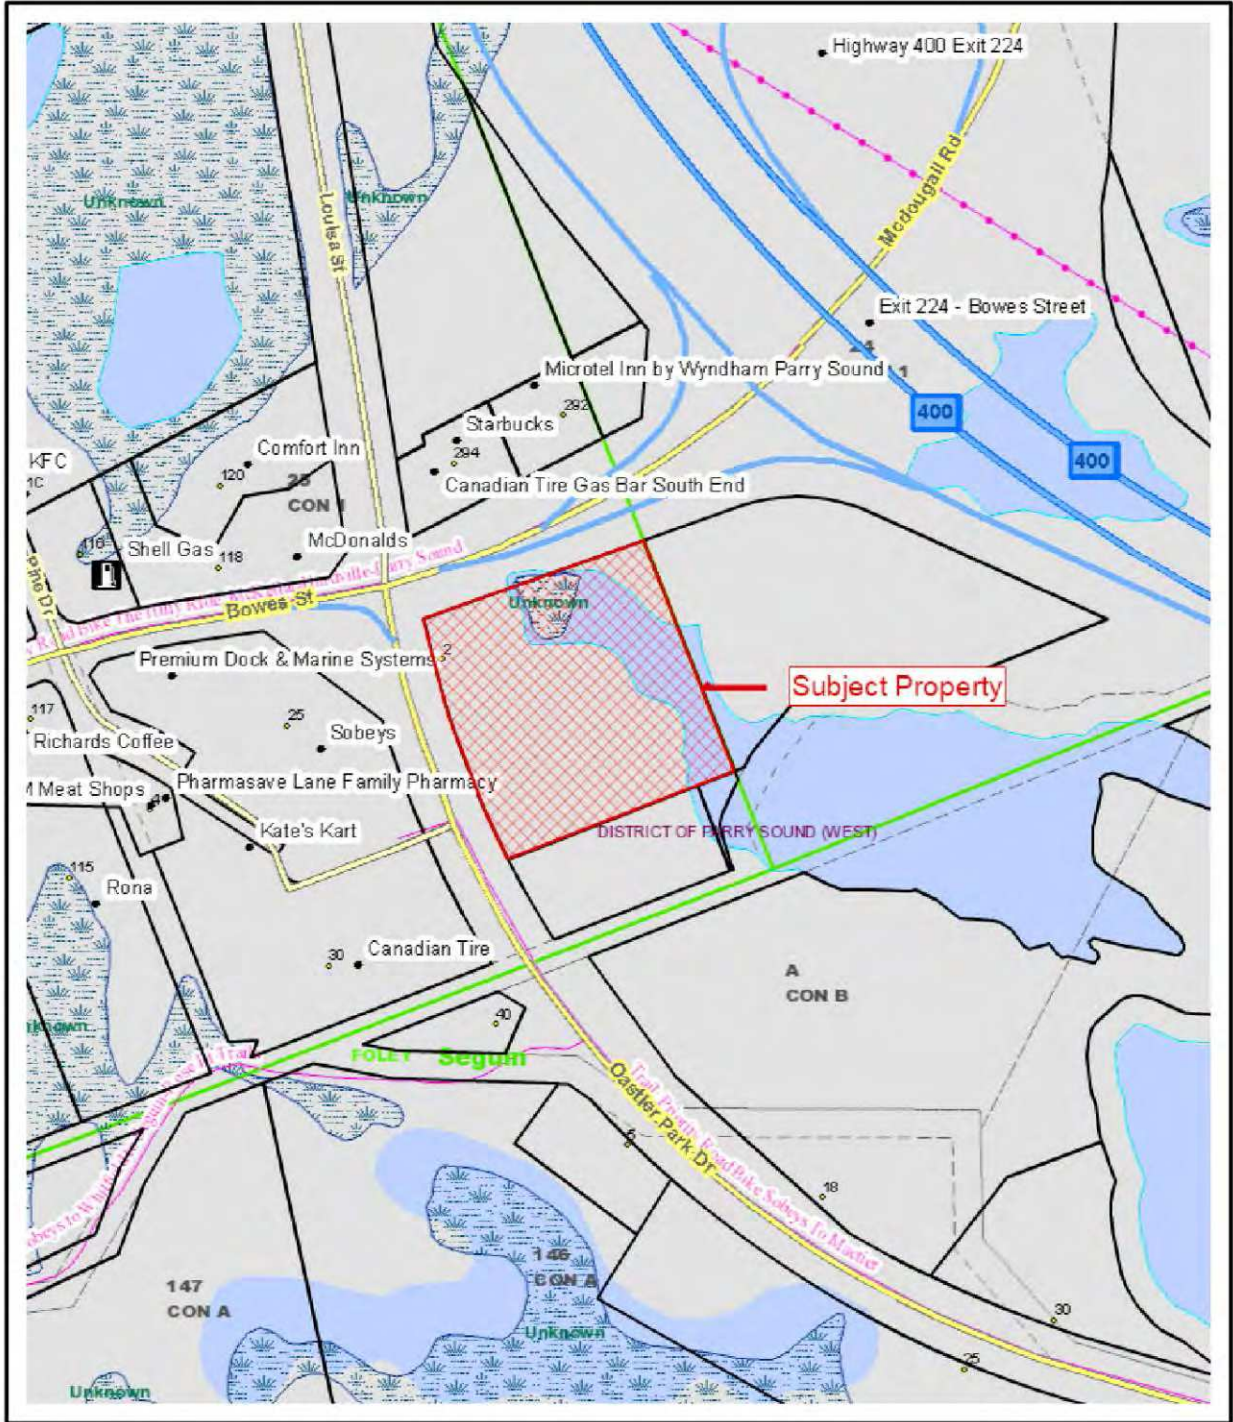

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Parry Sound before the by-law is passed, the person or public body is not entitled to appeal the decision of the Council of the Town of Parry Sound to the Ontario Municipal Board.

If a person or public body does not make oral submissions at a public meeting or make written submissions to the Town of Parry Sound before the by-law is passed, the person or public body may not be added as a party to the hearing of any appeal before the Ontario Municipal Board unless, in the opinion of the Board, there are reasonable grounds to do so.

**ADDITIONAL INFORMATION** relating to the proposed Zoning By-Law amendment is available for inspection between 8:30 a.m. and 4:30 p.m. at the Town Office, 52 Seguin Street, Parry Sound by contacting Taylor Elgie, Planner.

DATED AT PARRY SOUND THIS 15th DAY OF October, 2014.

Parry Sound, ON

LEAD: PETER  
EC: MAYOR/COUNCIL  
ROB M.  
JACKIE  
MARTHA / ASHLEY

Dear Mayor and Council,

I am writing you to let you know that, as a ratepayer, I request that fluoridation of the Town's water supply be terminated. Research indicates that fluoride is a neurotoxin that should not be ingested.

I realize that you are all busy people, but if you take a bit of time to do research (try Dr. Mercola, or just search fluoridation of water on Youtube) you will find that adding it to water is detrimental to health.

If you just need numbers to make your decision, add mine to your total. and reduce town expenses by not adding fluoride to our water.

Thank you.

Dear Ms. McIntyre:

## **RE: Fluoride in Water Supply**

We acknowledge receipt of your letter requesting that fluoride be terminated from the Town's water supply.

Council has already directed staff to research the pros and cons of adding fluoride to our water supply. All correspondence received regarding this subject, whether for or against the use of fluoride will be taken under consideration.

On behalf of the Town of Parry Sound, thank you for your letter.

Mayor and Council;

Thank you for addressing the DBA's concerns about pedestrian safety in the downtown by installing a four way stop at James and Mary Street. We are happy that pedestrians now have a way to safely cross James Street at that end of town.

At our November DBA Board meeting, one of our Directors had another suggestion with regards to pedestrian safety. The DBA board would like to request that the town look into installing a sidewalk through the James Street parking lot to Gibson Street. Currently there is a sidewalk along the side of the Gerald M. Taylor building, but it ends where the lower lot meets the top parking lot. We would like to see if there is a way that a sidewalk could continue from this spot through the upper parking lot to Gibson Street.

Thank you for your consideration in this matter.

Sincerely,

Susan Hrycyna  
DBA Executive Administrator  
on behalf of the Board of Directors

Dear Mayor and Council:

Congratulations and best wishes as you enter the new term of council for your municipality.

EC: MAYOR/COUNCIL / JACKIE

I have served the Municipality of East Ferris as the Mayor and Deputy-Mayor since 1977 and I was just acclaimed to the next term.

I have been a very strong advocate of our Northern issues since 1999 when I was first elected to represent Zone 9 of the ROMA Board and it has been my privilege to work with FONOM, NOMA, and AFMO supporting Northern issues.

The Zone 9 boundaries underscore the reasons we need a strong and experienced voice on this ROMA Board. (Gravenhurst to Moosonee and West to the Manitoba border)

The rest of the ROMA Board comes from the area south of Gravenhurst.

I have the time and the commitment to keep representing Zone 9 on your behalf. My attendance record is nearly perfect.

My council is passing a motion of support for my re-election at the ROMA/OGRA Conference in February 2015 and I would appreciate your council's endorsement so that I can continue.

I am requesting that your council pass a motion of support for my re-election as the ROMA Zone 9 representative and, that you forward a copy of the motion to the AMO offices in Toronto.

Even if you do not have any representatives attending the conference, your motion of support is very important to me. I would be happy to address any questions you may have.

Yours truly,

Bill Vrebosch, Mayor, Municipality of East Ferris, [vrebosch@efni.com](mailto:vrebosch@efni.com), 1-705-752-1304

EMS Ambulance Replacements for 2015

### **TOMRMS File Number:**

L14 – Contracts and Agreements

### **Spokesperson(s) Name and Title:**

Dave Thompson, Director of Emergency and Protective Services/Fire Chief

### **Department:**

Emergency and Protective Services

### **Report Recommendation**

### **By-Law:**

**Resolution:**

That upon the recommendation of the EMS Advisory Committee the Town of Parry Sound approves the pre-budget submission for the replacement of three ambulances to be delivered in early 2015 and further that the supplier of record, Crestline, be awarded the contract for the supply of these three ambulances in the amount of \$130,619.00 +HST each. The ambulances shall be funded from the EMS reserve fund in 2015.

**Direction (For Direct Staff Follow-Up):****Direction (For Open Council Resolution):****Direction (For Open Council By-law):****Purpose:**

To ensure a timely delivery of ambulances a pre-budget submission is recommended

**Relevance to Council Priorities or Business/Strategic Plan:**

Quality of Life

Quality Organization

**Background/Report:**

Crestline has supplied a standard build ambulance to Parry Sound District EMS for the last 7 years. The service from Crestline has been exceptional and with the standardized fleet, the medics are able to perform their duties at a more consistent

level. Staff recommends that we continue to get Crestline to supply our vehicles. Standardization of fleets is very common in the EMS industry.

These replacements will remove the last of the diesel engines from our fleet.

The quoted price includes the supply of a new power stretcher in each ambulance. Beginning in 2014 we are starting to replace the stretchers with power models. The power stretchers greatly reduce the strain and muscle pulls on the medics. They will assist with a higher quality of life for the medics as they age as well as assisting in reducing injury claims. The 2015 budget year forecasts the supply of 3 of these stretchers. There is no cost efficiencies gained through the replacement of the stretchers by including them in this quotation. It does however create slight efficiencies in the reduction of reports and recommendations to the EMS Advisory Committee as well as Town of Parry Sound Council by including both purchases in this one report.

The lead time for delivery of ambulances is 3 to 4 months. Staff is recommending that 3 vehicles be replaced in 2015. These vehicles are 2008 and 2010 models and will have 250,000 km each by the time the replacements arrive.

Ambulances are budgeted for through the depreciation process and the EMS reserves can support this expenditure.

The quoted price for this year's vehicles is a 2.3% increase over the price for the same vehicle last year.

### **Advantages and/or Disadvantages of Recommendation:**

Early delivery of the vehicles which will allow for continued efficient and effective delivery of services.

### **Alternatives:**

To wait until 2015 budget approval has been achieved in spring of 2015.

**Cost/Financial Impact:**

The quoted price of the vehicles is \$130,613.00 each +HST

**Included in Current Budget:**

No

The EMS reserve fund is funded at an appropriate level to accommodate this expenditure.

**Recommends Council consider staff recommendation with the following comments:**

This is part of the on-going fleet replacement program and has been budgeted and planned for accordingly with no direct budget impact as the vehicles are financed from the reserve established for this purpose.

WHEREAS there are no changes to the position or authority levels at this time;

Now Therefore Be It Resolved that Resolution 2014-030 be amended to remove Councillor Dan McCauley and Councillor Dave Williams as signing authorities; and

## **Background/Report:**

With the recent municipal election there are changes to two of the sitting members of Council. This resolution will amend the previous resolution to replace the names of signing officers.

It was felt that as the only difference is two names, there is no change in the positions who are authorized to sign or the amount of the credit cards authorized, that an amendment for the names was appropriate.

The Director of Finance and POA Court Services is currently reviewing the payment methods utilized by the Town and may be recommending changes to the credit card authorization, it was felt at this point that it would be unnecessary to revoke the prior resolution in its entirety until such time that the review is complete.

## **Advantages and/or Disadvantages of Recommendation:**

Provides updated authorities to ensure the ability to carry on normal business activities.

## **Alternatives:**

No to change the signing authorities, this would mean that two members of Council are unable to sign cheques and would not be authorized to have corporate credit cards.

## **Background/Report:**

Council passed By-law 2007-5083 in May 2007 setting out pre-determined appointments for Deputy Mayor. In September 2008 the by-law was amended to reflect the resignation of a Council Member and the decision of another Council Member to run in the Federal Election of October 2008 and By-law 2007-5083 was repealed by By-Law 2008-5254. Subsequent Council terms have always repealed the last Deputy Mayor appointment by-law and replaced it with a new by-law after an election and a new term of office.

The appointment of a Deputy Mayor has worked out very well for staff and I believe previous Mayors have found it to be useful when they were unable to attend a council meeting or an event or meet a request due to prior commitments.

Traditionally the candidate with the most votes in the election is appointed the Deputy Mayor for the last part of the Council term and it works back from there. Assuming all Councillors wish to serve as Deputy Mayor the process would begin with Councillor McCann for 8 months, then Councillor Saulnier for 8 months and so on until Councillor Keith has the last term which is only for 7 months ending November 30, 2018.

## **Advantages and/or Disadvantages of Recommendation:**

Provides a process whereby Mayoral duties, functions and representation in the community are uninterrupted.

#### **Being a By-Law to appoint a Deputy Mayor for the Town of Parry Sound for the 2015-2018 term of Council and to repeal By-Law 2011-5545.**

Whereas the Municipal Act, S.O. 2001, Chapter 25, confers broad authority on Council to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues; and

Whereas, Section 242, provides that Council may appoint by by-law a Deputy Mayor to act in the place of the Head of Council when the Head of Council is absent or refuses to act or the office is vacant; and

Whereas, the Deputy Mayor shall have all of the powers and duties of the Head of Council; and

Whereas, Council believes that it would be prudent and in the best interests of the Town of Parry Sound to appoint a Deputy Mayor to act for the Mayor in his absence;

#### **Now Therefore the Council of the Corporation of the Town of Parry Sound enacts as follows:**

1. THAT the appointment of Deputy Mayor for the 2015-2018 Council term shall be as set out in Schedule "A" attached to and forming part of this by-law; and

## **Report Recommendation**

### **By-Law:**

Being a By-Law to provide for an interim tax levy, for the payment of taxes, and for penalty and interest at 1 1/4 percent per month for the 2015 taxation year.

### **Resolution:**

### **Direction (For Direct Staff Follow-Up):**

### **Direction (For Open Council Resolution):**

### **Direction (For Open Council By-law):**

### **Purpose:**

To establish a By-law to collect the interim property taxes for the 2015 taxation year.

### **Identify Relationship to Strategic Priorities:**

Core Service - Yes

Key Performance Objectives (KPOs) - No

New Service, Project or Program - No

Does This Item Relate to Council's Strategic Priorities? - No

## **Background/Report:**

The Town has historically sent interim tax bills for the year prior to the adoption of the capital and operating budgets. This allows taxpayers to pay their property taxes in four installments throughout the year, this also improves the Town's cash flow as taxes are paid periodically rather than all at once. Most municipalities pass the maximum rate they are permitted by legislation which is 50% of the previous year's taxes.

To accommodate the Pre-Authorized Payments for taxes which commence on February 15th, the interim bills must be processed late in January or early February. As in prior years the tax due dates will be the last Friday of March (March 27, 2015) and the last Friday of May (May 29). In order to levy late charges (penalties and interest) on past due taxes in January, the Town must approve the by-law to the end of December each year.

## **Advantages and/or Disadvantages of Recommendation:**

An interim levy will generate cash flow to pay for expenses of the Town until the tax rates and final billings are completed. This also allows the rate payers to spread the payment of taxes over four payments in the year, which has been past practice. The passing of this by-law also provides the authorization to levy late penalties and interest charges on the past due taxes commencing in January.

## **Alternatives:**

Not to have an interim billing and have the taxpayer pay all of the taxes in the fall and also amend the agreement with each taxpayer who is currently paying their taxes by way of pre-authorized payment, and a separate by-law to authorize any late penalty and/or interest charges.

Defer the by-law until a subsequent meeting in December 2014 or January 2015.

## **Cost/Financial Impact:**

Without an interim tax billing the Town's cash flow would be significantly impacted with loss of interest income and potentially having to borrow funds until such time as funds were received from the final tax billings for the year. The Town would also experience a loss of income from the additional revenues generated from late penalty and interest charges.

### **By-law 2014 - 6482**

**Being a By-Law to provide for an interim tax levy, for the payment of taxes, and for penalty and interest at 1 1/4 percent per month for the 2015 taxation year.**

**WHEREAS** The Municipal Act, 2001, c.25, Section 317, provides that the Council of a local municipality may, before the adoption of the estimate for the year, pass a by-law to levy on the real property according to the last revised assessment roll, a sum not to exceed that which would be produced by applying 50 percent of the previous years taxes, on the Residential/farm, Multi-residential, Commercial, Industrial, Pipelines, and Farmlands properties; and the properties that relate to railways, hydro corridors, airports and other such unique properties.

### **Now Therefore The Council Of The Corporation Of The Town Of Parry Sound Enacts As Follows:**

1. **THAT** properties be levied at 50 percent of the previous year's taxes.
2. **THAT** the said interim tax levy shall become due and payable in 2 installments as follows:  
Fifty (50) percent of the interim levy rounded upwards shall become due and payable on the last Friday of March; fifty (50) percent of the interim levy rounded upwards shall become due and payable on the last Friday of May; and nonpayment of the amount on the dates stated in accordance with this section shall constitute default.
3. **THAT** on all taxes of the interim levy, which are in default on the 1st day of April a penalty of 1 1/4 percent shall be added and thereafter a penalty of 1 1/4 percent per month will be added on the 1st day of each and every month that the default continues, until December 31st of that year.

# **The Corporation of the Town of Parry Sound**

## **By-law 2014 - 6482**

4. **THAT** On all taxes of the interim tax levy in default on January 1st, interest will be added at the rate of 1 1/4 percent per month for each month or fraction thereof of default.
5. **THAT** on all other taxes in default in January, interest shall be added at the rate of 1 1/4 percent per month or fraction thereof, and all by-laws and parts of by-laws inconsistent with this policy are hereby rescinded.
6. **THAT** penalties and interest added on all taxes of the interim tax levy in default shall become due and payable and shall be collected forthwith as if the same had originally been imposed and formed part of such unpaid interim tax levy.
7. **THAT** the collector may mail or cause the same to be mailed to the residence or place of business of such persons indicated on the last revised assessment roll, a written or printed notice specifying the amount of taxes payable.
8. **THAT** taxes are payable at the Town of Parry Sound Municipal Office, 52 Seguin Street, Parry Sound, Ontario P2A 1B4
