I, _____, authorize my bank to debit my bank account and credit my student loan account. I understand that I am in full control of my personal account, and if at anytime I decide to discontinue, I will notify my lending institution or **Automatic Bill Payment** at least 10 days before the next scheduled payment is due.

The amount to be debited from my bank account is my regularly scheduled student loan repayment amount.

I understand that my payment will be deducted from my bank account on the last business day prior to the due date of my loan repayment(s), and all loan repayments are due on the 1st of the month. I understand that I must continue to make regular payments on my own until I am notified that my Automatic Bill Payment application has been processed and is accepted into the program.
