| Mon. | | | - | |
| Tues. | | | - | |
| Wed. | | | - | |
| Thur. | | | - | |

Total Minutes Read _____

Parent Signature _____

5th grade students are required to read a minimum of **90 MINUTES** each week outside of the classroom. Reading may be completed all at once or it may be spread throughout the week. Please use the space below to write a 5-8 sentence response (summary, prediction, inference, questions, connection, visualization, etc.) that reflects upon this week's reading.

The grade earned will reflect time read, the completed log above AND the quality of the written response.
Please refer to the "Independent Reading Response Rubric" and "5th Grade Non-Negotiables List" in the reading section of your rotation binder when completing your written response.

Reading Logs will be collected and graded on Friday.
Grade: _____
