Guidelines for Chaperones

Chaperones play an essential role in creating a positive visitor experience. As a chaperone, your supervision is required to monitor and maintain the good behavior and safety of the students in your group.

Responsibilities of Chaperones

- Please ensure that you and your group of students (10 students or fewer per chaperone) stay together during your time in the museum. This includes the Museum Gift Store and the Kiddie Hawk play area.
- Chaperones are responsible for keeping track of each student in their group.
- While at the Museum, you are required to stay with the students assigned to you and to guide them through the exhibits.
- It is your responsibility to maintain the good behavior and safety of the students in your group. Encourage students to adhere to the Behavior Guideline outlined below.
- Check with the group leader if there are certain exhibits or activities the students must see or do during the visit.
- Make sure you know the time and place to meet for scheduled events.
- If you have questions, ask a Visitor Attractions staff or volunteer for help.
- Follow all instructions provided by Visitor Attractions staff and volunteers.

Behavior Guidelines

- Encourage students to be courteous and respectful by talking quietly and walking, not running through the Museum.
- Do not climb on exhibits, railings or ledges.
- Students must stay with their chaperones at all times while in the Museum and the Museum Gift Store.
- Please do not push, fight or throw things.
- Try to use the stairs. The elevator is reserved for people pushing strollers or visitors with disabilities.
- In the instance of disruptive behavior teacher and/or chaperone will be approached to resolve the situation.
- If the behavior persists, the museum reserves the right to ask students(s) to leave the Museum.
- Have fun!

Thank you
