Parent/Guardian Signature _____ Date _____

(You may want to keep a copy of this page for reference)

- Admission into a Pike Township continuous calendar school is determined by a random selection lottery process. If your child is selected, you will receive an invitation by mail or phone with a response deadline. Your child must begin attending on the date designated on the invitation or the invitation is cancelled. If you don't receive an invitation by March 9th your child has not been selected in the first round of the lottery and the application will remain in our wait pool to be considered in future lotteries throughout the 2016-17 school year. Subsequent lottery dates are determined by seat availability and may occur at any given time throughout the school year.

- Although applications will be accepted throughout the school year, in order for your child to be considered in our first round of the lottery, you must return this application to your child's school no later than 3:00 p.m. on Tuesday, January 26, 2016. You may also mail or fax this form to your child's school, **please do not do both.**

- Applications to attend a continuous calendar school expire at the end of each school year. If you submitted an application for the 2015-16 school year but your child was not selected, you will need to submit this new application in order for your child to be considered in the lottery to attend a continuous calendar school during the 2016-17 school year. Applications are available at our schools and on our website at www.pike.k12.in.us under the QUICK LINKS MENU and CURRENT STUDENTS/PARENTS tab. If you move while attending a continuous calendar school you relinquish your child's seat, and it is not transferable to another continuous calendar school.

- The continuous calendar school your child is eligible to attend is determined by your home address. If you are not sure which continuous or traditional calendar school attendance area your address falls within, you may call our Transportation Department at 317-280-2450 for assistance. This information can also be found on our website at www.pike.k12.in.us. Scroll down to the bottom of the page to find BUS STOP LOOKUP. If you move at any time after submitting your child's application, you must contact the school where your application was turned in and update your records to ensure that your child is invited to the appropriate school or any invitations may be withdrawn.

- All kindergarten invitations are for the FULL DAY program. If your child has been invited to one of our continuous calendar schools and you have mailed your acceptance letter in, please attend Kindergarten Round-up. The date and location will be posted on our website.

- Families that have a child currently enrolled in a continuous calendar school and want to register a Kindergartner or First grader must fill out the application titled, "2016-17 Sibling Application for Families with Students already Enrolled in a Continuous Calendar School," and accept his/her invitation by the response deadline in order for a seat to be held. **The application must be returned to your child's school by 3:00 p.m. Tuesday, January 26, 2016 in order for your child's incoming sibling to be considered for a seat in a continuous calendar school. Although we like to keep families together in the same school program, seats for siblings are not guaranteed.**

- Invitations are school, grade, and program specific. Please report any changes to your child's 2016-17 grade or home address immediately in order to ensure that your child is considered for and invited to the appropriate grade and school or any invitations may be withdrawn. **This application is not for a position in the High Ability Program.**
