This worksheet should be completed **only** for nonresident, noncorporate members, and members that are PEs.

Tax Credits Without Carryforward Provisions

The qualified small business job creation credit and the vocational rehabilitation job creation credit, which have no carryforward provision, are applied first.

Tax Credits With Limited Carryforward Provisions

If an income tax liability remains after the application of the credits without a carryforward provision, the angel investor credit and the insurance reinvestment fund credit are applied. Any angel investor credit or insurance reinvestment fund tax credit balance that remains after applying the tax credit to the current year income tax liability may be carried forward if the period for claiming the tax credit has not expired. However, the composite income tax return Form CT-1065/CT-1120SI and Schedule CT K-1 does not compute nor report each member's credit carryforward information. A nonresident, noncorporate member may elect to file a Connecticut income tax return and Schedule CT-IT Credit to properly calculate the amount of income tax credit carryforward, if any.
