Dear Skeet Supporter,

The Tennessee Skeet Shooting Association will be holding the annual State Skeet Shooting Championships in late August at one of its member clubs. The host site in conjunction with TSSA attempts to put on the best shoot possible and everyone involved strives to outdo the previous year. But without additional support from organizations that are friendly to the art of shotgunning it is very difficult to put on a quality event.

Skeet shooters from the great state of Tennessee, both young and old will be competing for medals, trophies, buckles and just plain good old-fashioned bragging rights. We ask that you might consider a donation of shells, cash or other tangible items for awards or as door prizes. The awards ceremony & prize drawing is part of our annual state general membership meeting that is held on Saturday night. We would be very pleased to mention you and/or your companies name upon awarding of the gift and would further like to recognize your contribution in our shoot brochure/program which each shooter will receive upon registration. Additionally we now are providing hot links from our website (<http://tnskeet.org/TSSAFriends.htm>) to your website so that our members may seek your business or service when the need presents itself.

We have ad space in our shoot program available as well as hot links from our web site to your company. These ads are available from \$25<sup>.00</sup> - 100<sup>.00</sup>. Please see the attached form for more information.

Thank you for your consideration.

Richard Ladd  
President

William Denny  
Vice President

Henry Marambio  
Secretary/Treasurer
