Q. What do I do if I forgot to include my payment with my application?

Please submit the fee along with a copy of your application and a letter indicating that you failed to submit the required payment with your previous application. Mail to: Licensing and Regulatory Affairs, Bureau of Health Care Services, Michigan Board of Nursing, PO Box 30193, Lansing, MI 48909.

Q. How do I check on the status of my application?

Q. If I have been convicted of a felony or misdemeanor will it stop me from being licensed?

We ask that you submit your application, fee and information regarding the occurrence. The Michigan Board of Nursing will review your file and make a decision at that time. Please keep in mind that we do take into consideration the type of conviction, the age that you were when the incident occurred and the time that has elapsed since the conviction.

Q. How long is my license valid?

The initial license is good for a partial licensure cycle and will expire on the upcoming March 31st renewal date. Each subsequent license will cover a full two-year cycle.

- A nurse anesthetist must have obtained recertification from the Council on Recertification of Nurse Anesthetists.
- A nurse midwife must have completed the American Midwifery Certification Board (AMCB) continuing competency assessment requirements if initially certified prior to 1996 or if initially certified after 1996, AMCB continuing competency assessment or 20 continuing education units in the nursing specialty field.
