4. FEES

- a. **If you are 16 years of age or older:** The passport processing fee is \$55, the application execution fee is \$30, and the security surcharge is \$12 therefore your **total cost for the passport will be \$97**. Your passport will be valid for 10 years from the date of issue except where limited by the Secretary of State to a shorter period. (See information below about the additional cost for expedited service.)
- b. **If you are 15 years of age or younger:** The passport processing fee is \$40, the application execution fee is \$30, and the security surcharge is \$12, therefore your **total cost for the passport will be \$82**. Your passport will be valid for 5 years from the date of issue except where limited by the Secretary of State to a shorter period. (See information below about the additional cost for expedited service.)

BY LAW, THE PASSPORT PROCESSING, EXECUTION, AND SECURITY FEES ARE NON-REFUNDABLE.

- The passport processing, execution, and security fees may be paid in one of the following forms: Checks (personal, certified, traveler's); major credit card (Visa, Master Card, American Express, and Discover); bank draft or cashier's check; money order (U.S. Postal, international, currency exchange), or if abroad, the foreign currency equivalent; or a check drawn on a U.S. bank. All fees should be payable to the "U.S. Department of State", or if abroad, the appropriate U.S. embassy or consulate. When applying at a designated acceptance facility, the \$30 execution fee should be made payable to the acceptance facility. **NOTE: Some designated acceptance facilities do not accept credit cards as a form of payment.**
- **For faster processing**, you may request expedited service. Expedited requests will be processed in three workdays from receipt at a passport agency. The additional fee for expedited service is \$60. Therefore, if you choose to request expedited service and you are 16 years of age or older the **total cost of your US passport will be \$157** and if you are 15 years of age or younger the **total cost of your US passport will be \$142**. Expedited service is available only in the United States.
- **If you desire SPECIAL POSTAGE SERVICE** (overnight mail, special delivery, etc.), include the appropriate postage fee with your payment.
- An additional \$60 fee will be charged when, upon your request, the U.S. Department of State verifies issuance of a previous U.S. passport or Consular Report of Birth Abroad because you are unable to submit evidence of U.S. citizenship.
- **For applicants with US Government or military authorization for no-fee passports**, no fees are charged, except the execution fee when applying at a designated acceptance facility.
- If you choose to provide your e-mail address in Item #12 on this application, Passport Services will only use that information to contract you in the event there is a problem with your application or if you need to provide additional information to us.

FEDERAL TAX LAW

Section 6039E of the Internal Revenue Code (26 USC 6039E) requires you to provide your Social Security Number (SSN), if you have one, when you apply for a US passport or renewal of a US passport. If you have not been issued a SSN, enter zeros in box #5 of this form. If you are residing abroad, you must also provide the name of the foreign country in which you are residing. The U.S. Department of State must provide your SSN and foreign residence information to the Department of Treasury. If you fail to provide the information, you are subject to a \$500 penalty enforced by the IRS. All questions on this matter should be directed to the nearest IRS office.

NOTICE TO CUSTOMERS MAKING PAYMENT BY CHECK

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times and we will charge you a one-time fee of \$25, which we will also collect by EFT.

PAYMENT OF FEES

31 USC 7701 requires persons "doing business" with a federal agency to provide their social security numbers to that agency. Because the U.S. Department of State collects fee for the provision of passport services to you, you are considered a person "doing business" with the Department. Passport service fees are established by law and regulation (see 22 USC 214, 22 CFR 22.1, and 22 CFR 51.61-66) and are collected at the time you apply for the passport service. If the Department fails to receive full payment of the applicable fees, because, for example, your check is returned for any reason or you dispute a passport fee charge to your credit card, the U.S. Department of State will take action to collect the delinquent fees from you under 22 CFR Part 34 and the Federal Claims Collection Standards (see 31 CFR Parts 900-904). In accordance with the Debt Collection Improvement Act (Pub.L. 104-134), if the fees remain unpaid after 180 days and no repayment arrangements have been made, the Department will refer the debt to the Department of Treasury for collection. Debt collection procedures used by Treasury may include referral of the debt to private collection agencies, reporting of the debt to credit bureaus, garnishment of private wages and administrative offset of the debt by reducing or withholding eligible Federal payments (e.g. tax refunds, social security payments, federal retirement, etc.) by the amount of your debt, including any interest penalties or other costs incurred.

In addition, non-payment of passport fees will result in the invalidation of your passport. An invalidated passport cannot be used for travel.

OTHER USES OF SOCIAL SECURITY NUMBERS

In addition to reporting your Social Security Number to Treasury and using it in connection with debt collection, the Department checks Social Security Numbers against lists of persons ineligible or potentially ineligible to receive a US passport.

PAPERWORK REDUCTION STATEMENT

You are not required to provide the information requested on this form unless the form displays a currently valid OMB number. We try to create forms and instructions that can be easily understood. Often this is difficult to do because our citizenship laws are very complex. The estimated burden time for this information collection is 85 minutes, which includes the time required to search existing data sources, gather the necessary data, complete and review this form, and provide and submit the form and any additional information required. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write us at: U.S. Department of State (A/RPS/DIR), Washington, DC 20520.

IMPORTANT NOTICE TO APPLICANTS WHO HAVE LOST OR HAD A PREVIOUS PASSPORT STOLEN

A United States citizen may not normally bear more than one valid or potentially valid U.S. passport at a time. It therefore is necessary to submit a statement with an application for a new U.S. passport when a previous valid or potentially valid U.S. passport cannot be presented with an application for a new passport. Your statement must detail why the previous U.S. passport cannot be presented.

The information you provide regarding your lost or stolen U.S. passport will be placed into our Consular Lost or Stolen Passport System. This system is designed to prevent the misuse of your lost or stolen U.S. passport. Anyone using the passport book reported as lost or stolen may detained upon entry into the United States. Should you locate the U.S. passport reported lost or stolen at a later time, report it as found and submit it for cancellation. It has been invalidated. You may not use that passport for travel.

PROTECT YOURSELF AGAINST IDENTITY THEFT - REPORT YOUR LOST OR STOLEN PASSPORT!

For more information or to report your lost or stolen passport by phone, call NPIC or visit our website at travel.state.gov.

ACTS OR CONDITIONS

(If any of the below-mentioned acts or conditions have been performed by or apply to the applicant, the portion which applies should be lined out, and a supplementary explanatory statement under oath (or affirmation) by the applicant should be attached and made a part of this application.) I have not, since acquiring United States citizenship, been naturalized as a citizen of a foreign state; taken an oath or made an affirmation or other formal declaration of allegiance to a foreign state; entered or served in the armed forces of a foreign state; accepted or performed the duties of any office, post, or employment under the government of a foreign state or political subdivision thereof; made a formal renunciation of nationality either in the United States, or before a diplomatic or consular officer of the United States in a foreign state; or been convicted by a court or court martial of competent jurisdiction of committing any act of treason against, or attempting by force to overthrow, or bearing arms against, the United States, or conspiring to overthrow, put down, or to destroy by force, the Government of the United States.

AUTHORITIES: Collection of the information solicited on this form is authorized by Titles 8, 22, and 26 of the United States Code, whether or not codified, including specifically 22 USC 211a et seq.; 26 USC 6039E, Section 236 of the Admiral James W. Nance and Meg Donovan Foreign Relations Authorization Act, Fiscal Years 2000 and 2001; Executive Order 11295 (August 5, 1966); and 22 CFR parts 50 and 51.

PURPOSE: The primary purpose for soliciting the information is to establish citizenship, identity, and entitlement to issuance of a U.S. passport.

ROUTINE USES: The information solicited on this form may be made available as a routine use to other government agencies to assist the U.S. Department of State in adjudicating passport applications and requests for related services, and for law enforcement and administration purposes. The information may be made available to foreign government agencies to fulfill passport control and immigration duties. The information may also be provided to foreign government agencies, international organizations and, in limited cases, private persons and organizations to investigate, prosecute, or otherwise address potential violations of law or to further the Secretary's responsibility for the protection of US citizens and non-citizen nationals abroad. The information may be made available to private US citizen 'wardens' designated by the US embassies and consulates. CONSEQUENCES OF FAILURE TO PROVIDE INFORMATION: With the exception of your Social Security Number (see Federal Tax Law statement on Instruction Page 3), you are not legally required to provide the information requested on this form. However, failure to do so may result in Passport Services' refusal to accept your application or result in the denial of a US passport.

ELECTRONIC PASSPORT STATEMENT

Early in 2005, the U.S. Department of State will begin issuing a new type of passport containing an embedded electronic chip and called an "Electronic Passport". The new passport will continue to be proof of the bearer's United States citizenship and identity, and will look and function in the same way as a passport without a chip. The addition of an electronic chip in the back cover will enable the new passport to carry a duplicate electronic copy of all information from the data page. The new passport will be usable at all ports-of-entry, including those that do not yet have electronic chip readers.

Use of the electronic format will provide the traveler the additional security protections inherent in chip technology. Moreover, when used at ports-of-entry equipped with electronic chip readers, the new passport will provide for faster clearance through some of the port-of-entry processes.

Issuance of this new passport will be phased in during an 18-month period. It is expected that by mid-2006 nearly all US passports will be issued in this new format. The new passport will not require special handling or treatment, but like previous versions should be protected from extreme bending and from immersion in water. The electronic chip must be read using specially formatted readers, and is not susceptible to unauthorized reading.

The cover of the new passport will be printed with a special symbol representing the embedded chip. The symbol "LOGO IMAGE" will appear in port-of-entry areas where the electronic passport can be read.

NOTICE TO APPLICANTS FOR OFFICIAL, DIPLOMATIC, OR NO-FEE PASSPORTS
