Connecticut Resident Income Tax

Return and Instructions

Dear Taxpayer:

The Connecticut Department of Revenue Services (DRS) strives to provide taxpayers with the most comprehensive information to meet their state tax filing needs. The CT-1040, *Resident Income Tax Return Booklet*, details changes to the state income tax and provides information that can improve your filing experience. By using our new Taxpayer Service Center (*TSC*) to access the state's WebFile or Telefile applications, you can file your return quickly and accurately. *TSC* filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the *TSC* and the filing programs prompt users to input the required information. Visit the DRS Web site at www.ct.gov/DRS to learn more about these and other electronic features designed to help taxpayers.

The goal of DRS is to provide taxpayers with excellent customer service and a user-friendly approach to tax administration. If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by e-mail, phone, or letter. The DRS Web site at www.ct.gov/DRS contains our new, frequently asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas about how we can improve our products and better serve the public.

Sincerely,

Commissioner of Revenue Services

Connecticut income tax filers can electronically file most returns and pay taxes using *TSC*.

Other Features - FAQs

- View account balances; and
- Make scheduled payments.

In addition, using the **Taxpayer Answer Center**, taxpayers may search the FAQ knowledge base by selecting a category or by entering a keyword or phrase in the Search Text box. Use *FAQs - Taxpayer Answer Center* to easily get answers to the most frequently asked questions.

Exchange Confidential Infomation

The **TSC** will allow taxpayers to establish a secure mailbox for exchanging direct communication confidentially with DRS.

TTY, TDD, and Text Telephone users only may transmit inquiries by calling 860-297-4911.

What's New

or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as if their filing status for federal income tax purposes were single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

Any reference in this booklet to a spouse also refers to a party to a civil union recognized under Connecticut law. For more information on civil unions recognized under Connecticut law, visit the Attorney General's Web site at www.ct.gov/ag for Attorney General Opinion 2005-024.

- Filing status check boxes: The 2006 Connecticut income tax returns have three additional filing status check boxes: qualifying widow(er) with dependent child, civil union filing jointly, and civil union filing separately.
- **Property tax credit:** Effective for taxable years beginning on or after January 1, 2006, the maximum property tax credit has been increased from \$350 to \$500. Depending on the amount of property taxes paid by a taxpayer to a Connecticut municipality and the taxpayer's Connecticut adjusted gross income, the property tax credit may be reduced or the taxpayer may not be entitled to a property tax credit.
- Connecticut Higher Education Trust (CHET): Effective for the taxable years beginning on or after January 1, 2006, an individual is allowed to subtract from his or her federal adjusted gross income contributions to a CHET account or accounts in computing his or her Connecticut adjusted gross income.

The maximum CHET contribution that may be subtracted is the lesser of (1) the amount of contributions to all CHET accounts during the taxable year; or (2)(A) \$5,000 for each individual taxpayer (including individuals whose filing status on their Connecticut income tax return is single, head of household, married filing separately, or civil union filing separately), or (B) \$10,000 for individuals whose filing status on their Connecticut income tax return is married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

If a CHET contribution during the taxable year exceeds the maximum CHET contribution, the excess may be carried forward for the five succeeding taxable years provided the CHET contribution carried forward to a succeeding taxable year does not exceed the maximum CHET contribution limit for that succeeding taxable year. See **Special Notice 2006(11)**, 2006 Legislative Changes Affecting the Income Tax.

• Taxpayer Service Center (TSC): The Department of Revenue Services (DRS) encourages Connecticut income tax filers to WebFile through the new, electronic TSC. The TSC is an interactive tool that, like the previous WebFile system, offers a free, fast, easy, and secure way to conduct business. Through our Web site at www.ct.gov/DRS, taxpayers can access the TSC to securely file and pay their Connecticut tax responsibilities electronically.

The *TSC* also offers an easy way to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional new features are planned.

- New e-filing requirement for certain preparers: Effective January 1, 2007, preparers who prepared 100 or more 2005 Connecticut income tax returns will be required to file the 2006 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (e-file).
- Personal exemption and credits: The annual increase to the personal exemption and credits used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- Property tax credit limitation: The annual increase to the property tax credit limitation thresholds for individuals whose filing status is single has been delayed two years. The property tax credit limitation amounts in effect for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Index:** This booklet no longer contains a table of contents; see Page 46 for an index. We hope you find this format more user-friendly and would appreciate your comments and feedback on the *Taxpayer Questionnaire* you will find on Page 32.

Important Reminders

- ☐ You **must** use blue or black ink only to complete your return.
- ☐ Remember to send all **four** pages of your return.
- □ Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file Form CT-1040X, Amended Connecticut Income Tax Return for Individuals. See Amended Returns on Page 31.
- □ Do not send W-2, W-2G, or 1099 forms with your 2006 Connecticut income tax return. To avoid significant delays in processing your return, be sure to complete Columns A, B, and C of Section 3 of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- ☐ File the correct form. Most taxpayers qualify to electronically file their Connecticut income tax return or file Form CT-1040EZ, Connecticut Resident EZ Income Tax Return. (See May I File My Connecticut Income Tax Return Over the Telephone Using Telefile, May I File My Connecticut Income Tax Return Over the Internet, or May I File Form CT-1040EZ on Pages 8 and 9.)

- ☐ If you receive federally taxable Social Security benefits, you must file Form CT-1040.
- ☐ Check the correct filing status on your return.
- ☐ If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, remember to check the box next to the deceased taxpayer's Social Security Number (SSN).
- ☐ Remember to check the box on the first page of your return if you are filing Form CT-1040CRC, Claim of Right Credit.
- ☐ Check the box on the first page of your return if you are filing Form CT-8379, *Nonobligated Spouse Claim*.
- ☐ Use the preprinted peel-off label. The preprinted label does not include your SSN(s). Therefore, you must enter your SSN and the SSN of your spouse (if filing a joint return) in the spaces above your name(s) on the return. Do not place the label over your SSN. If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.
- ☐ Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 14.
- ☐ Sign your return. If you and your spouse are filing jointly, both of you must sign.
- ☐ Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- ☐ Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- ☐ Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.

Who Must File a Connecticut Resident Return

You must file a Connecticut resident income tax return if you were a resident for the entire year **and** any of the following is true for the 2006 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut;
- You meet the Gross Income Test; or
- You had a federal alternative minimum tax liability.

If none of the above apply, do not file a Connecticut resident income tax return.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2006 taxable year exceeds:

- \$12,000 and you will file as married filing separately or civil union filing separately;
- \$12,625 and you will file as single;
- \$19,000 and you will file as head of household; or
- \$24,000 and you will file as married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

Gross income means all income you received in the form of money, goods, property, services not exempt from federal income tax, **and** any additions to income required to be reported on **Form CT-1040**, *Schedule 1*.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- · Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards:
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- Federally taxable Social Security benefits; and
- Federally taxable disability benefits.

The following examples explain the gross income test for a Connecticut resident:

Example 1: Your only income is from a sole proprietorship and you file federal Form 1040 reporting the following on Schedule C:

Gross Income \$100,000 Expenses (\$92,000) Net Income \$8,000

Because the **gross** income of \$100,000 exceeds the minimum requirement, you must file a Connecticut income tax return.

Example 2: You received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, you do not have to file a Connecticut income tax return unless Connecticut tax was withheld or estimated tax payments were made.

Example 3: You file as single on a Connecticut income tax return and received \$12,625 in wage income and \$1,000 in federally-exempt interest from California state bonds. Your federal gross income with additions from Form CT-1040, *Schedule 1* (interest on state or local obligations other than Connecticut) is \$13,625. Therefore, you must file a Connecticut income tax return.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing Form CT-8857, Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief). See Special Notice 99(15), Innocent Spouse Relief, Separation of Liability, and Equitable Relief.

Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File a Connecticut Resident Return* on Page 5 are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT**, *Title 19 Status Release*, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2006; and
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2006.

By completing this form, you authorize DRS to verify your Title 19 status for 2006 with the Department of Social Services.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File a Connecticut Resident Return* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. A surviving civil union partner may file a joint return as a surviving spouse as if federal income tax law permitted a civil union partner to file as a surviving spouse. Write "filing as surviving spouse" in the deceased spouse's signature block on the return. If both spouses died in 2006, their legal representative must file a final return. The Connecticut and federal filing status must be the same unless the surviving spouse is a civil union partner.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041**, Connecticut Income Tax Return for Trusts and Estates.

Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See **Form CT-1040**, *Schedule 1*, Line 38, or **Form CT-1040NR/PY**, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as a married individual filing separately. (This provision does not apply to civil union partners.)

A civil union partner who is a nonresident alien may file a joint Connecticut income return as long as his or her civil union partner is a citizen or resident of the United States. A civil union partner filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as a civil union partner filing separately.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2006 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2006 taxable year; or
- You maintained a permanent place of abode in Connecticut during the entire 2006 taxable year **and** spent a total of more than 183 days in Connecticut during the 2006 taxable year.

Nonresident aliens who meet either of these conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 13 and *Special Information for Nonresident Aliens* on this page.

If you are a resident and you meet the requirements for *Who Must File a Connecticut Resident Return* for the 2006 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**.

You are a **part-year resident** for the 2006 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2006 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

If you are a part-year resident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file **Form CT-1040NR/PY**.

You are a **nonresident** for the 2006 taxable year if you are neither a resident nor a part-year resident for the 2006 taxable year.

If you are a nonresident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file Form CT-1040NR/PY.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 13.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2006 even if your domicile was Connecticut.

Group A

- 1. You did not maintain a permanent place of abode in Connecticut for the entire 2006 taxable year;
- 2. You maintained a permanent place of abode outside of Connecticut for the entire 2006 taxable year; and
- 3. You spent not more than 30 days in the aggregate in Connecticut during the 2006 taxable year.

Group B

- 1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
- 2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; and
- 3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in the portion of the taxable year bears to 548. See the calculation below:

Number of days in the nonresident portion				Maximum days
548	X	90	=	allowed in Connecticut

See Special Notice 2000(17), 2000 Legislation Affecting the Connecticut Income Tax.

Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on Page 7.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax. (See instructions for a Connecticut nonresident contained in the instruction booklet for **Form CT-1040NR/PY**.)

Example: Jennifer is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Jennifer had no other income ...

Since Jennifer resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Jennifer had a part-time job in Connecticut...

Her Connecticut source income from nonmilitary employment is taxable. Jennifer must file Form CT-1040NR/PY to report the income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident*, *Part-Year Resident*, *or Nonresident* on Page 7.

See Informational Publication 2006(23), Connecticut Income Tax Information for Military Personnel and Veterans.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death. If any tax was previously paid for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are eligible for the 180 day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations, but are not within the designated combat zone, are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut tax return. This is the same combat zone or operation name provided on their federal income tax return.

Extension Requests

Extension of Time to File

To request an extension of time to file your return, you must file Form CT-1040 EXT, Application for Extension of Time to File Connecticut Income Tax Return for Individuals, and pay all the tax you expect to owe on or before the due date. Visit www.ct.gov/DRS to file your extension over the Internet. If you pay your expected 2006 Connecticut income tax due by credit card, you do not need to file the paper Form CT-1040 EXT. Form CT-1040 EXT is included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 12 if you do not pay all the tax due with your request for extension.

If you expect to owe no additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are not required to file Form CT-1040 EXT. Please keep a copy of your federal Form 4868 for your records.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date is extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040 or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you **must** attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; and
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write "2006 Form CT-1040" and your SSN(s) (optional) on the front of your check or money order. Mail payments to:

Department of Revenue Services Accounts Receivable Unit PO Box 5088 Hartford CT 06102-5088

Where to File

For **refunds and all other tax forms without payment** enclosed, use the mailing label with this address and mail your return to:

Department of Revenue Services PO Box 2976 Hartford CT 06104-2976

For **all tax forms with payment** enclosed, use the mailing label with this address and mail your return with payment to:

Department of Revenue Services PO Box 2977 Hartford CT 06104-2977

Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2006 taxable year.

Your required annual payment for the 2007 taxable year is the lesser of:

- 90% of the income tax shown on your 2007 Connecticut income tax return; or
- 100% of the income tax shown on your 2006 Connecticut income tax return, if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year, and you did not file a 2006 income tax return because you had no Connecticut income tax liability; or
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

Filing Form CT-1040ES

Use Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals, to make estimated Connecticut income tax payments for 2007. If you made estimated tax payments in 2006, you will automatically receive coupons for the 2007 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2006, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you.

You may pay your 2007 estimated Connecticut income tax payments by credit card. See Form CT-1040ES included in this booklet. You may also file and pay your Connecticut

estimated tax using the DRS Taxpayer Service Center (*TSC*). Visit our Web site at **www.ct.gov/DRS** and click on the *TSC* logo for more information.

To avoid making estimated tax payments, you may request your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised Form CT-W4, Employee's Withholding Certificate. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see Informational Publication 2007(7), Is My Connecticut Withholding Correct?

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. $\S6654(i)(2)$) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of $66^2/_3\%$ of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210**, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates*, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040. See **Informational Publication 2006(20)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax*.

2007 Estimated Tax Due Dates Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:		
April 15, 2007	25% of your required annual payment	
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)	
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)	
January 15, 2008	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)	

An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment, even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

A farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2007, if he or she files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date.

Filing Form CT-2210

You may be charged interest if your 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; and
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X**, *Amended Connecticut Income Tax Return For Individuals*, and fail to do so, a penalty may be imposed.

Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; and
- Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail it separately with a copy of your tax return to:

Department of Revenue Services Penalty Waiver Unit PO Box 5089 Hartford CT 06102-5089

Refund Information

DRS issues refund checks as quickly as possible. If you have a touch-tone phone, you may check on the status of your refund anytime by calling 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere). Be ready to provide your SSN (and your spouse's, if filing jointly) and the exact amount of the refund you requested.

Electronic Filing!

Free and secure!

If you electronically file your return, you will be issued your refund in four days unless additional review is required. If you send your return by mail, you should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment at the rate of $^2/_3\%$ for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due.

Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will be mailed an explanation for the reduction.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2006 and who made Connecticut income tax payments (withholding or estimates) for the 2006 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2006; and
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379**, *Nonobligated Spouse Claim*.

When filing Form CT-8379, attach all W-2, W-2G, and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut, at 860-756-4555.

Completing Form CT-1040

Before you begin, gather all your records, including your federal W-2's (wages), W-2G's (winnings), 1099-R's (pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

Taxpayer Information

Filing Status

Check the appropriate box to indicate your filing status. You may only check one box. Except as otherwise noted, any reference in these instructions to a spouse also refers to a party to a civil union recognized under Connecticut law. See *What's New* on Page 4.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on Form CT-1040 for "Qualifying widow(er) with dependent child." **Do not enter** your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year. For more information, see *Spouses With Different Residency Status* below.

Spouses With Different Residency Status

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately.

When one spouse is a Connecticut **resident** and the other spouse is a **nonresident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately **unless**:

- They file jointly for federal income tax purposes (This requirement does not apply to civil union partners.); and
- They elect to be treated as if both were Connecticut residents for the entire taxable year.

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return (This requirement does not apply to civil union partners.); and
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on **Form CT-1040**, Line 1. (Civil union partners will have to recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and elected to file as married filing jointly for federal income tax purposes.) It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040, Line 1, your income as recalculated. (This provision does not apply to civil union partners.)

Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** write your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7, but have not received the ITIN before filing their Connecticut tax return, must attach a copy of the federal Form W-7 and write "ITIN applied for/W-7 attached" in the SSN box on the Connecticut return. If the taxpayer is deceased see *Deceased Taxpayers* on Page 6.

Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the space provided at the top of Form CT-1040.

If your return is being completed by someone else, take your booklet to your tax preparer so that the preparer can attach the label to your return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to

compute the amount to enter on a line, include cents and round off **only** the total. If you do not round, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

When filing Form CT-8379, Nonobligated Spouse Claim, attach all W-2, W-2G, and 1099 forms showing Connecticut income tax withheld.

Line 19 - All 2006 Estimated Tax Payments

Enter the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2006 estimated payments made in 2007. **Do not** include any refunds received.

Line 20 - Payments Made With Form CT-1040 EXT

If you filed Form CT-1040 EXT, Application for Extension of Time to File, enter the amount you paid with that form

Line 21 - Total Payments

Add Lines 18, 19, and 20 and enter the total. This represents the total of all Connecticut tax payments made.

Overpayment

Line 22 - Overpayment

If Line 21 is greater than Line 17, subtract Line 17 from Line 21 and enter the result. This is your overpayment. To properly allocate your overpayment, go to Lines 23, 24, and 25. (If Line 21 is less than Line 17, go to Line 26.)

If you were required to make estimated income tax payments, but you did not pay enough tax through withholding, estimated tax, or both, by any installment due date, your refund may be reduced by the interest due on the underpayment of estimated tax. See **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates*.

Line 23 - Amount of Line 22 You Want Applied to Your 2007 Estimated Tax

Enter the amount of your 2006 overpayment you want applied to your 2007 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2007, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2007, will be applied as of the date of receipt. Your request to apply this amount to your 2007 estimated income tax is irrevocable.

Line 24 - Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete *Schedule 5* on Page 4 of Form CT-1040. Enter the total contributions as reported on *Schedule 5*, Line 70. **Your contribution is irrevocable**.

You may also make direct contributions by following the instructions on Page 28.

Line 25 - Refund

Subtract the total of Line 23 and Line 24 from Line 22. Enter the result. This is the amount of your refund. Early filers receive their refunds faster. Be sure to affix the **refund label** to the envelope when mailing your return.

Get your refund faster by choosing **direct deposit**. Complete Lines 25a, 25b, and 25c to have your refund directly deposited into your checking or savings account.

Enter your nine-digit bank routing number and your bank account number in Lines 25b and 25c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you.

Amount You Owe

Line 26 - Tax Due

If Line 17 is greater than Line 21, subtract Line 21 from Line 17 and enter the result. This is the amount of tax you owe. See *Estimated Tax Payments* on Page 10.

Line 27 - Penalty for Late Payment or Late Filing

Late Payment Penalty: The penalty for late payment or underpayment of income or use tax is 10% (.10) of the amount due. Taxpayers who pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return and remit the balance due with the return on or before the extended due date will avoid penalty for failure to pay the full amount due by the original due date. Interest of 1% (.01) per month or fraction of a month continues to accrue on the underpayment until the tax is paid in full.

Late Filing Penalty: In the event that no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Line 28 - Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at 1% (.01) per month or fraction of a month from the due date until payment is made.

Line 29 - Interest on Underpayment of Estimated Tax

If Line 14 minus Line 18 is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts and Estates*, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210, leave this line blank, and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2007.

Line 30 - Total Amount Due

Add Lines 26 through 29 and enter the total. This is the total amount you owe. Pay the amount in full with your return.

Payment Options

Pay Electronically

You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You must pay the balance due on or before the due date (April 16, 2007) to avoid penalty and interest. Visit the DRS Taxpayer Service Center (*TSC*) at www.ct.gov/DRS and follow the prompts to make a direct payment.

Pay by Credit Card

If you filed a 2005 Connecticut income tax return, you may elect to pay your 2006 Connecticut income tax liability using your American Express® cards, Discover® card, MasterCard® card, or VISA® card. A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; **or**
- Visit www.officialpayments.com and select Payment Center.

Your payment will be effective on the date you make the charge.

Pay by Mail

Make your check or money order payable to: Commissioner of Revenue Services. To ensure proper posting of your payment, write "2006 Form CT-1040" and your SSN(s) (optional) on the front of your check or money order. Be sure to sign your check and paper clip it to the front of your return. Do not send cash. DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax when due will result in penalty and interest charges. It

is to your advantage to file when your return is due whether or not you are able to make full payment.

Attach other required forms and schedules, including **Supplemental Schedule CT-1040WH**, to the back of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

6

Sign Your Return

After completing your Connecticut Form CT-1040, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on Page 2 of Form CT-1040.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their SSN or Preparer Tax Identification Number (PTIN), and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

Third Party Designee

If you wish to authorize DRS to contact your friend, family member, or any other person to discuss your 2006 tax return, enter the designee's name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you wish to authorize DRS to contact the paid preparer who signed your return, enter "Preparer" in the space for the designee's name. You do not have to provide the other information requested.

If you enter a designee's name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **LGL-001**, *Power of Attorney*.

Order of Attachments

Paper clip your check or money order in payment of the tax due to the front of the income tax form in the appropriate area marked "Clip check or money order here." To ensure proper posting of your payment, write "2006 Form CT-1040" and your SSN(s) (optional) on the front of your check or money order.

If you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- Form CT-1040CRC, Claim of Right Credit
- Form CT-19IT, Title 19 Status Release
- Form CT-1127, Application for Extension of Time for Payment of Income Tax
- Form CT-8379, Nonobligated Spouse Claim

Attach other required forms and schedules, including Supplemental Schedule CT-1040WH, to the **back** of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

- 1. Remove both labels from the envelope flap along the perforation.
- 2. Choose the correct label for your return, moisten, and place it on the return envelope.
- 3. Affix the correct postage to the envelope.

Do not use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

Recordkeeping

Make a copy of your tax return, worksheets that you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **LGL-002**, *Request for Disclosure of Tax Return or Tax Return Information*. You can usually expect your copy in three weeks.

Form CT-1040 Schedules

The following modifications to federal adjusted gross income are provided in Conn. Gen. Stat. §12-701(a)(20). Your federal adjusted gross income may not be further modified in determining your Connecticut adjusted gross income except as expressly provided by Conn. Gen. Stat. §12-701(a)(20).

Schedule 1 Modifications to Federal Adjusted Gross Income

Additions to Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 31 - Interest on State and Local Government Obligations Other Than Connecticut

Enter the total amount of interest income derived from state and municipal government obligations (other than obligations of the State of Connecticut or its municipalities) which is not taxed for federal income tax purposes. Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Line 32 - Exempt-Interest Dividends From a Mutual Fund Derived From State or Municipal Government Obligations Other Than Connecticut

Enter the total amount of exempt-interest dividends received from a mutual fund that are derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% would be added back on this line.

Line 33 - Allocated for future use

Line 34 - Taxable Amount of Lump-Sum Distributions From Qualified Plans Not Included in Federal AGI

If you filed federal Form 4972, Tax On Lump-Sum Distributions, with your federal Form 1040 to compute the tax on any part of a distribution from a qualified plan, enter **that** part of the distribution on Line 34. Do not enter any part of the distribution reported on federal Form 1040, Line 16a; federal Form 1040A, Line 12a; or federal Form 1040, Schedule D.

Line 35 - Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on **Schedule CT-1041B**, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount greater than zero, enter the amount on Line 35. If the amount is less than zero, enter the amount on Line 46.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications, if greater than zero, on Line 35.

Line 36 - Loss on Sale of Connecticut State and Local Government Bonds

Enter the total losses from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes whether or not the entire loss is used in computing federal adjusted gross income.

Line 37 - Allocated for future use Line 38 - Other

Use Line 38 to report any of the following modifications:

- 1. Add back any treaty income reported on federal Form 1040NR-EZ or Form 1040NR if a nonresident alien. Enter the words "treaty income" in the space provided.
- 2. Add back any loss or deduction of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any loss or deduction of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the loss or deduction is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member," as the case may be.
- 3. Add back any Connecticut income tax deducted on the federal income tax return to arrive at federal adjusted gross income. Do not add back any Connecticut income tax deducted on federal Form 1040, Schedule A.
- 4. Add back any expenses paid or incurred for the production (including management, conservation, and maintenance of property held for the production) or collection of income exempt from Connecticut income tax which were deducted on the federal return to arrive at federal adjusted gross income.
- 5. Add back any amortizable bond premium on bonds producing interest income exempt from Connecticut income tax which premiums were deducted on the federal return to arrive at federal adjusted gross income.
- 6. Add back any interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes.
- 7. Add back to the extent deductible in determining federal adjusted gross income, any interest expenses on indebtedness incurred or continued to purchase or carry obligations or securities (the income from which is exempt from Connecticut income tax).
- 8. Also use Line 38 to report any additions to federal adjusted gross income required for Connecticut income tax purposes which are not listed on Lines 31 through 36.

Line 39 - Total Additions

Add Lines 31 through 38 and enter the total.

Subtractions From Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 40 - Interest on U.S. Government Obligations

Enter the total amount of interest income (to the extent includible in federal adjusted gross income) derived from U.S. government obligations, which federal law prohibits states from taxing (for example, U.S. government bonds such as Saving Bonds Series EE or Series HH and U.S. Treasury bills or notes).

For Series EE U.S. Savings Bonds, you are entitled to include on Line 40 **only** the amount of interest subject to federal income tax after exclusion of the amounts reported on federal Form 8815. In general, you will report the net taxable amount on federal Form 1040, Schedule B, or federal Form 1040A, Schedule 1.

Do not enter the amount of interest income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations and this interest income is taxable for Connecticut income tax purposes.

Do not enter the amount of interest paid to you on any federal income tax refund.

Line 41 - Exempt Dividends From Certain Qualifying Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund that are derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter** of its taxable year, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund.

Do not enter the amount of dividend income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations, and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 41 is \$55.

Line 42 - Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax. (Parties to a civil union recognized under Connecticut law must recompute their federal adjusted gross income as if their filing status for federal income tax purposes were married filing jointly or married filing separately.)

Your Social Security benefits are fully exempt from Connecticut income tax if your required filing status is single, married filing separately, or civil union filing separately and the amount reported on Form CT-1040, Line 1, is **less than \$50,000**; or married filing jointly, civil union filing jointly, qualifying widow(er) with dependent child, or head of household and the amount reported on Form CT-1040, Line 1, is **less than \$60,000**. If this is the case, enter on Line 42 the amount of federally taxable Social Security benefits reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b.

Your Social Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status. If you used the worksheets in the instructions to federal Form 1040 or federal Form 1040A to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet* below and enter the amount from Line F on Line 42. If you did not use these worksheets, but instead used worksheets in federal Publication 590 or federal Publication 915, see Informational Publication 2006(18), Connecticut Tax Tips for Senior Citizens.

If you are using a worksheet not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify that the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

Line 43 - Refunds of State and Local Income Taxes

Enter the amount of taxable refunds of state and local income taxes reported on your federal Form 1040, Line 10. If federal Form 1040, Line 10, is blank or if you filed federal Form 1040A or 1040EZ, enter "0."

Line 44 - Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities

If you received Tier 1 or Tier 2, or both, railroad retirement benefits or supplemental annuities during 2006, you may deduct the amount included in your federal adjusted gross income but only to the extent the benefits were not already subtracted from federal adjusted gross income on Line 42 (Social Security Benefit Adjustment). Enter the balance not already subtracted on Line 42 of Tier 1 and Tier 2 railroad retirement benefits reported on federal Form 1040, Line 16b or Line 20b, or federal Form 1040A, Line 12b or Line 14b. Likewise, enter the amount of railroad unemployment benefits, including sickness benefits paid by the Railroad Retirement Board (RRB) in lieu of unemployment benefits, to the extent included in your federal adjusted gross income. However, do not enter sickness benefits paid by the RRB resulting from an on-the-job injury because these benefits are not included in your federal adjusted gross income. See also **Informational Publication 2006(18)**, Connecticut Tax Tips for Senior Citizens.

On her 2006 Form CT-1040, Line 45, she will make a subtraction modification of \$3,500. This amount is 25% of the \$3,000 reported on her 2002 Form CT-1040, Line 32; 25% of the \$5,000 reported on her 2003 Form CT-1040, Line 32; and 25% of the \$6,000 reported on her 2004 Form CT-1040, Line 33.

See Special Notice 2003(21), 2003 Legislation Affecting the Connecticut Income Tax.

Line 46 - Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on Schedule CT-1041B, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount less than zero, enter the amount on Line 46. If the amount is greater than zero, enter the amount on Line 35.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications if less than zero on Line 46.

Line 47 - Gain on Sale of Connecticut State and Local Government Bonds

Enter the total of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes.

Line 48 - Connecticut Higher Education Trust (CHET) Contributions

Enter your contributions to a CHET account(s). The modification cannot exceed \$5,000 for each individual taxpayer or \$10,000 for taxpayers filing a joint return (including qualifying widow(er) with dependent child). Enter the CHET account number in the space provided. For more information, see **Special Notice 2006(11)**, 2006 Legislative Changes Affecting the Income Tax.

Line 49 - Other

Use Line 49 to report any of the following modifications:

- 1. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the income or gain is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member," as the case may be.
- 2. Subtract the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income.
- 3. Subtract any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but exempt for federal purposes, that is not deductible in determining federal adjusted gross income, and is attributable to a trade or business of that individual.
- 4. Subtract expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax, that are not deductible in determining federal adjusted gross income, and are attributable to a trade or business of that individual
- 5. Subtract the amount of any distributions you received from the CHET fund as a designated beneficiary to the extent includable in your federal adjusted gross income.
 - Congress passed legislation excluding from federal gross income any distribution from a qualified State tuition program (such as CHET) to the extent the distribution is used to pay for qualified higher education expenses (Pub. L. No. 107-16, §402). To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 49.
- 6. Subtract any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax, which premiums were not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
- 7. Subtract the amount of any interest income from notes, bonds, or other obligations of the State of Connecticut included in federal adjusted gross income.

Do **not** use Line 49 to subtract income subject to tax in a qualifying jurisdiction (see *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions*, on Page 22) or income of a nonresident spouse (see *Spouses With Different Residency Status* on Page 13).

Line 50 - Total Subtractions

Add Lines 40 through 49 and enter the total.

Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions

You **must** first complete Form CT-1040, *Schedule 3 - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both*, before completing *Schedule 2*. See the instructions for *Schedule 3 - Property Tax Credit Worksheet* on Page 25.

Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions

If you are a **resident** of Connecticut and if any part of your income was taxed by a **qualifying jurisdiction**, you may be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251**, *Connecticut Alternative Minimum Tax Return - Individuals*, to calculate their alternative minimum tax credit.

Qualifying Jurisdiction

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within the qualifying jurisdiction; and
- Subject to tax in the qualifying jurisdiction.

Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;
- Gambling winnings from a state-conducted lottery. See Informational Publication 2005(16), Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut; or
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not considered derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

What Payments Do Not Qualify

 Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);

- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income:
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

Limitations to the Credit

The total credit is limited to whichever of the following amounts is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The portion of Connecticut income tax due on the Connecticut adjusted gross income sourced in the qualifying jurisdiction; or
- The amount of your Connecticut income tax entered on Form CT-1040, Line 6.

How to Calculate the Credit

You **must** first complete your income tax return(s) for the qualifying jurisdiction(s). Then complete the Schedule 2 - Worksheet on Page 23 to determine the amount to enter on *Schedule 2*, Line 53.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. Attach a copy of all income tax returns filed with qualifying jurisdictions to your Connecticut income tax return or the credit will be disallowed.

Schedule 2 provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two columns, create a worksheet identical to Schedule 2 and attach it to the back of your Form CT-1040.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state (see example for Line 56 on Page 24):
 - 1. Use only **one** column on Form CT-1040, *Schedule 2*, to calculate your credit;
 - 2. Enter the same income taxed by both city and state in that column on *Schedule 2*; and
 - 3. Combine the amounts of tax paid to the city and the state and enter the total on Line 57 of that column.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
 - 1. Use **two** columns on Form CT-1040, *Schedule 2*;

Schedule 2 - Worksheet				
Complete this worksheet and enter the amount from Line 20, Column II, on CT-1040, <i>Schedule 2</i> , Line 53. Complete a separate worksheet for each qual jurisdiction if you paid income tax to more than one qualifying jurisdiction.		Column I	Column II Amount Taxable in Qualifying Jurisdiction

- 2. Include only the same income taxed by both jurisdictions in the first column; **and**
- 3. Include the excess income taxed by only one of the jurisdictions in the next column.

Schedule 2 - Worksheet Instructions

Complete the Schedule 2 Worksheet to determine the portion of your Connecticut adjusted gross income derived from a qualifying jurisdiction. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions:

- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; and
- You have paid income tax on the income to that qualifying jurisdiction.

If you paid income tax to more than one qualifying jurisdiction, you must complete a separate worksheet for each jurisdiction. Keep this worksheet with your 2006 tax records. Do not attach to your tax return.

The federal income tax return line references are to the federal Form 1040. If you file a federal Form 1040A or federal Form 1040EZ, use the appropriate lines from those forms.

Column I

Enter on Lines 1 through 15 of the worksheet the amounts entered on Lines 7 through 21, respectively, of your federal income tax return.

Enter on Line 17 of the worksheet the amount entered on Line 36 of your federal income tax return.

Enter on Line 19 of the worksheet the **net** amount of your Connecticut modifications to federal adjusted gross income. (Subtract Form CT-1040, *Schedule 1*, Line 50, from Line 39 to arrive at this amount.)

Column II

For each line, enter that portion of the amount entered on the same line of Column I you reported on an income tax return filed with (and on which income tax was paid to) the qualifying jurisdiction. On Line 19, enter only the portion of Connecticut modifications **directly related** to income sourced in the qualifying jurisdiction. The fact that the qualifying jurisdiction may take into account your entire adjusted gross income (to compute the rate at which your income sourced in that jurisdiction will be taxed) does not mean you paid income tax to that jurisdiction on your entire adjusted gross income.

Because you are a nonresident of the qualifying jurisdiction, you may be taxed by that jurisdiction only on your income sourced in that jurisdiction.

Example 1: Laura, a Connecticut resident whose filing status is single, earned wages of \$150,000 from a company located in the State of New York. Laura works inside and outside of New York and allocated her wage income based upon the days worked in New York. She determined \$100,000 to be her New York State allocated wage income and reported and paid this amount on her New York nonresident income tax return. On her federal Form 1040, Line 7, she entered \$150,000. When completing the Schedule 2 Worksheet, she enters \$150,000 in Column I, Line 1, and \$100,000 in Column II, Line 1. Laura also enters \$100,000 on Form CT-1040, *Schedule 2*, Line 53.

Example 2: Luke and Leslie file a joint federal Form 1040 and a joint Form CT-1040. Leslie's wages as an employee working in Rhode Island are \$20,000 and Luke's wages as an employee working in Connecticut are \$25,000. On their federal Form 1040, Line 7, they enter \$45,000. When completing the Schedule 2 Worksheet, Luke and Leslie enter \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Luke and Leslie also enter \$20,000 on Form CT-1040, *Schedule 2*, Line 53.

Example 3: Linda is a sole proprietor of a business conducted at two locations: one in Connecticut and one in Massachusetts. On Linda's federal Form 1040, Line 12, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on Schedule C, \$35,000 is derived from the Massachusetts location. When completing the Schedule 2 Worksheet, Linda enters \$100,000 in Column I, Line 6, and \$55,000 (\$90,000 - \$35,000) in Column II, Line 6. Linda also enters \$55,000 on Form CT-1040, *Schedule 2*, Line 53.

Schedule 2 - Line Instructions

Line 51 - Modified Connecticut Adjusted Gross Income

Add to Connecticut adjusted gross income from Line 5 any **net** loss derived from or connected with sources in a qualifying jurisdiction(s) where you were subject to income taxation whether or not income tax was actually paid to the jurisdiction(s). The modified amount is entered on Line 51.

Example: Fred's Connecticut adjusted gross income of \$60,000 includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. He must add the \$20,000 net loss to the \$60,000 and enter the \$80,000 on Line 51.

Line 52 - Taxing Jurisdiction(s)

If you claim credit for income taxes paid to a qualifying jurisdiction, enter the name and the two-letter code of each qualifying jurisdiction for which you are claiming credit. If you are claiming credit for income taxes paid to a political subdivision of another state, enter the name and two-letter code of the state.

Line 53 - Non-Connecticut Income

Complete the Schedule 2 Worksheet on Page 23 to determine the total non-Connecticut income included in your Connecticut adjusted gross income and reported on a qualifying jurisdiction's income tax return. Enter the amount from Column II, Line 20, of the Worksheet.

Line 54

Divide the amount on Line 53 by the amount on Line 51. The result cannot exceed 1.0000. Round to four decimal places.

Line 55 - Income Tax Liability

Subtract Line 11 from Line 6 and enter the result.

Line 56

Multiply the percentage arrived at on Line 54 by the amount reported on Line 55.

Example: Jean is a Connecticut resident who worked in City Y, a city in State X, during the 2006 taxable year. Jean's filing status is single and her Connecticut adjusted gross income is \$160,000. The amount entered on Jean's Form CT-1040, Line 55, is \$7,800. Both State X and City Y impose an income tax. Her Connecticut adjusted gross income derived from State X is \$80,000, as is her Connecticut adjusted gross income derived from City Y. Because the amounts of income taxed by both State X and City Y are the same, Jean uses one column on Form CT-1040, *Schedule 2*. Jean pays an income tax of \$6,000 to State X and an income tax of \$360 to City Y. Since Jean's Form CT-1040, Line 51, is \$160,000, her *Schedule 2* is completed as follows:

	Column A	Column B
Line 52	State X, City Y	
Line 53	80,000 00	00
Line 54	.5000	
Line 55	7,800 00	00
Line 56	3,900 00	00
Line 57	6,360 00	00
Line 58	3,900 00	00
Line 59	Total Credit	3,900 00

Line 57 - Income Tax Paid to a Qualifying Jurisdiction

Enter the total amount of income tax paid to a qualifying jurisdiction.

Income tax paid means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not penalty or interest. Do **not** report the amount of tax withheld for that jurisdiction directly from your W-2 or 1099 form. You **must** first complete a return for the qualifying jurisdiction in order to determine the amount of income tax paid.

Line 58

Enter the lesser of the amounts reported on Line 56 or Line 57.

Line 59 - Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 58A, Line 58B, and Line 58 of any additional worksheets. The amount on Line 59 cannot exceed the amount on Line 56. Enter the total here and on Form CT-1040, Line 7.

Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.

Schedule 3 – Property Tax Credit Worksheet

Connecticut residents **must** complete *Schedule 3* to determine the amount of credit (if any) that may be taken against a Connecticut income tax liability. The credit is for property taxes paid during 2006 to a Connecticut political subdivision on a primary residence or privately owned or leased motor vehicle, or both. If you entered zero on Form CT-1040, Line 10, **do not** complete this schedule. See **Informational Publication 2006(16)**, *Q&A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision*.

Which Property Tax Bills Qualify

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence or privately owned or leased motor vehicle, or both, to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 due in 2007. Supplemental property tax bills that were due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable. You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year, and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number you may call to obtain the necessary information. If you do not receive a billing statement in January 2007, contact your leasing company for the appropriate property tax information.

Example 1: Lisa received a property tax bill for a motor vehicle listed on her town's October 1, 2004, grand list. The bill was payable in two installments, July 1, 2005, and January 1, 2006. If Lisa paid the January 1, 2006, installment on January 1, 2006, she would be eligible to claim it on her 2006 income tax return. If she prepaid it during 2005, she would not be eligible to take credit for it on her 2006 return, but she may have been eligible to take credit for it on her 2005 return.

Example 2: Mary received a property tax bill for a motor vehicle listed on her town's October 1, 2005, grand list. The bill was payable in two installments, July 1, 2006, and January 1, 2007. Mary is eligible to take credit for both installments on her 2006 income tax return if she paid both installments during 2006. If Mary waited until January 1, 2007, to pay her second installment, she would not be eligible to take credit on her 2006 return for this installment, but she may be eligible to take credit for it on her 2007 return.

Maximum Credit Allowed

The **maximum** credit allowed (on your primary residence or motor vehicle, or both) is \$500 per return regardless of filing status.

This maximum property tax credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on Form CT-1040, Line 10, and is phased out depending upon your Connecticut adjusted gross income. To be allowed this credit, you must complete *Schedule 3* in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Any individual whose filing status is single, married filing separately, civil union filing separately, or head of household is limited to the property tax paid on **one** motor vehicle even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year and only owns one motor vehicle at any time during the taxable year. Individuals whose filing status is married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child are limited to the property taxes paid on **two** motor vehicles.

Schedule 4 – Individual Use Tax Worksheet Line Instructions

In general, goods or services purchased out-of-state and subject to the Connecticut sales tax if those goods or services are purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who purchased goods from mail order or catalog companies and had those goods shipped to Connecticut and individuals who purchased goods at out-of-state locations and brought those goods back into Connecticut are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete Form CT-1040, *Schedule 4 - Individual Use Tax Worksheet*, to calculate your use tax liability.

List separately any individual item with a purchase price of \$300 or more. Although you do not need to list separately any individual item with a purchase price of less than \$300, the items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax rate of 6% (.06) by the purchase price of the

item and enter the result. Enter the total tax for all taxable purchases on *Schedule 4*, Line 69, and Form CT-1040, Line 15.

See Informational Publication 2005(17), Q&A on the Connecticut Individual Use Tax.

If you require additional lines, you should create an identical schedule and attach it to the back of your Form CT-1040.

Enter only those purchases subject to use tax you have not previously reported on **Form OP-186**, *Individual Use Tax Return*.

You must enter "0" on Form CT-1040, Line 15, if no Connecticut use tax is due. If you do not make an entry on Line 15, you will not have filed a use tax return.

Line 69

Complete *Schedule 4 - Individual Use Tax Worksheet* and enter the total use tax due on Line 69 and on Form CT-1040, Line 15.

Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available in the forms or publications specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property; gifts of tangible personal property situated within Connecticut; or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax, it may be collected from the donee. Connecticut taxable gifts are reported on and Connecticut gift tax is paid (if due) with Form CT-706/709, Connecticut Estate and Gift Tax Return. The due date of the return is April 15 for gifts made during the preceding calendar year. See Special Notice 2005(10), 2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax.

Connecticut Income Tax Withholding by Household Employers

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2007(1)**, *Connecticut Circular CT*.

Business Entity Tax (Form OP-424)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- · S corporation;
- Limited liability partnership;
- Limited partnership; or
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).
- * Each foreign entity required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See Special Notice 2006(12), 2006 Legislative Changes Affecting the Business Entity Tax, and Informational Publication 2006(21), Q & A on the Business Entity Tax.

For additional information, see **Informational Publication 2005(17)**, *Q&A on the Connecticut Individual Use Tax*.

1. What is the use tax?

When you make a retail purchase in this state, you usually pay sales tax to the seller who in turn pays the tax to DRS. Sometimes Connecticut sales tax is not paid to the retailer. In these situations, the purchaser must pay the use tax directly to DRS.

2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable tangible personal property, whether purchased or leased. Examples of taxable personal property include items of clothing costing \$50 or more, automobiles, appliances, furniture, jewelry, cameras, VCRs, computers, and prewritten computer software. Some taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; reupholstering services for your household furniture; or charges for online access to computer services.

3. Are there exemptions from the use tax?

Yes. If you buy goods or services in Connecticut that are exempt from sales tax, they are exempt from the use tax if you buy them out-of-state for use in Connecticut. Some examples are items of clothing that cost less than \$50, charges to access the Internet through an Internet provider's server, and repair and maintenance services to vessels.

4. Do I owe Connecticut use tax on all my out-of-state purchases of taxable goods and services?

No. If all the items you purchased **and brought into** Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does **not** apply to items **shipped or mailed** to you.

5. What is the use tax rate?

In general, the use tax rate for taxable goods or services is 6% (.06). However, computer and data processing services are taxed at 1% (.01).

6. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut and the tax paid to the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax due is the difference between the Connecticut tax and the tax paid to the other state.

Example: You purchased a \$1,000 refrigerator in another state and paid a \$50 tax to that state. If you bought the refrigerator for use in Connecticut, you owe Connecticut use tax. The Connecticut tax of \$60 is reduced to \$10 after allowing \$50 credit for the tax paid to the other state. If no tax was paid to the other state, the Connecticut use tax is \$60.

7. When must individuals pay the use tax?

You must pay the individual use tax when you file an individual income tax return. **Forms CT-1040EZ**, **CT-1040**, or **CT-1040NR/PY** must be filed on or before April 15, 2007, or use the Taxpayer Service Center (*TSC*) or *Telefile* to file your 2006 income tax return. If you are not required to file a Connecticut income tax return, you must pay the use tax on **Form OP-186**, *Connecticut Individual Use Tax Return*. You may file Form OP-186 for the entire year or you may file several returns throughout the year.

If you are engaged in a trade or business, you must register with DRS for business use tax and report purchases made in connection with your trade or business on **Form OS-114**, *Sales and Use Tax Return*.

8. What are the penalties and interest for not paying the use tax?

The penalty is 10% (.10) of the tax due. Interest is charged at the rate of 1% (.01) per month or fraction of a month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

9. On what amount should the use tax be calculated?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the tax rate (generally 6%).

Amended Returns

Purpose: Use a 2006 Form CT-1040X to amend a previously-filed 2006 Connecticut income tax return for individuals. If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely

request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 12.

You must file Form CT-1040X in the following circumstances:

1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.
5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return cannot be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File Form CT-1040CRC, Claim of Right Credit, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(4)**, Claims for Refund Made by Financially Disabled Individuals.

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center** (TSC) is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile*, *Fast-File*, and *Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using *TSC*. For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 3 of this book.
