When E-5 returned to the nursing station area at approximately 9:30 PM, R-1 was not there. E-5 said she started to look for R-1. When she could not find her, she notified the Licensed Practical Nurse (LPN) that was passing medication on C-wing (E-7).</p> <p>Per written statement by E-7 (LPN), dated 04-21-06, a CNA told her that staff could not find R-1 at 10PM. After she was notified, a full search of the facility and notification of required staff was begun. The notification included the local police department.</p> <p>Per interviews done with E-4 (CNA) and E-5 (CNA) on 05-01-06 at approximately 2:30 PM, both were assigned to work on A-wing the night of 04-21-06. Neither of the staff heard a door alarm go off while R-1 was out of their visual range. E-4 and E-5 also said during the interview that R-1 was not able to make sound decisions regarding safety issues due to her confusion. E-6 (Licensed Practical Nurse) was interviewed on 05-01-06 at 3:PM. E-6 stated that R-1 could not make good safety decisions because of her confused state.</p> <p>Facility staff and local police searched for R-1 until approximately 1:30 AM, when Z-1 (police officer) found R-1. Per Z-1's written report dated 04-21-06, R-1 was observed lying on the grass beside the foundation of a house located at 106 Madison St. (this home is approximately 90 to 100 yards from the facility, depending on which exit R-1 used to leave the facility.)</p>	F9999
