Never Running Out of W2 Forms - Easy-to-use W2 Printing Software from Halfpricesoft.com Eliminates Need for Ordering Expensive Tax Forms

(1888PressRelease) Halfpricesoft.com has released the new edition of ezW2 software, which allows user to print all W2 forms on the plain paper. Optional PDF printing feature makes tax form processing environmentally friendly.

([1888PressRelease](#))Few things are as frustrating as sitting down to printing w-2 forms and realizing the pre-printed forms has run out, especially when the Feb 28 deadline is looming. Customers of Halfpricesoft.com's new ezW2 software never have this problem. With this easy-to-use W2 form printing software installed on a computer, customers can print unlimited W2 and W3 tax forms on plain white page. And the laser substitute forms of W2 Copy A and W-3 are SSA (Social Security Administration) approved.

Louisville, Ky.-based software developer Halfpricesoft.com specializes in creating software that is ready to use as soon as it's installed; no long learning curve or bulky user manuals. ezW2's intuitive interface guides users step-by-step through entering tax information. User can print the w2 and 1099 forms easiy and quickly.

"Small business owners should be spending their time growing their business, not trying to learn software or preparing tax forms by hand," said Halfpricesoft.com founder Dr. Ge. "We created ezW2 to make that possible. Customers can start running W2 and 1099 as soon as the software is installed - no learning curve, no wasted time."

Available online at http://www.halfpricesoft.com/w2_software.asp for as little as $39 per installation, ezW2 software supports forms w2, w3, 1099 misc and 1096. It also save user money and time by printing the SSA approved laser substitute forms W2 copy A and W3 on the plain paper. ezW2 is compatible with Windows 7 system, 32-bit or 64-bit. It can run on Windows XP, Me, 2003 and Vista system too.

ezW2 software saves money for small businesses in 8 key ways:

(1) ezW2 2010 can print 2 forms on one sheet-using half as many expensive red form sheets
(2) ezW2 2010 eliminates need for W2 Copy A and W3 by laser printing Social Security Administration-approved substitutes on plain white paper

(3) Users save valuable time by eliminating the learning curve - ezW2 2010 is designed to be simple and intuitive, allowing users to get started right away

(4) Users save valuable time by importing employee data and contractor data from csv file - no need for users to enter the data one by one.

(5) Users save even more time by saving form data for later use and modification

(6) Support unlimited accounts with one flat rate

(7) PDF document converting

(8) At $39, ezW2 is among the lowest priced, full-featured software available for small businesses.

Business owners can try ezW2 risk free

New customers can make sure ezW2 meets their needs by trying the software risk free. The trial version is fully functional and there is no time limit to the trial offer. The trial version of ezW2 is limited only by printing a "SAMPLE" or "DEMO" watermark on printed forms. To unlock the software for printing actual W2 and 1099 forms, customers simply purchase a license key online at http://www.halfpricesoft.com/w2-software-free-download.asp.
