

Veterans Service Discharge

You must bring your original DD214 and also your final 'Honorable Discharge' certificate when you receive them. If amendments are made, you must also have it recorded. There is no cost involved.

You can come in at a later date and get certified copies when you need them at no cost.

If you move from Lorain County, you need to record them again, especially if you move out of state, where they are accessible to you.

The reasons for having your documents recorded are:

1. If you misplace it, you can get a certified copy, which is just as good as the original. It will be accepted anywhere as such.
2. A discount for funeral expenses. (\$250.00)
3. College discounts
4. Purchasing a home under the Veterans Administration
5. Going to a Veteran's Hospital
