This space on the last page of the tax return is to be used only when specifically instructed by the Louisiana Department of Revenue (LDR). Otherwise, leave blank.

WHO MUST FILE A RETURN

1. If you are a Louisiana resident who is required to file a federal individual income tax return, you must file a Louisiana income tax return reporting all income earned in 2010.
2. You must file a return to obtain a refund or credit if you overpaid your tax through: withholding, declaration of estimated tax, credit carried forward, composite partnership payments made on your behalf, claiming a 2010 refundable child care credit or a Louisiana earned income credit.
3. If you are **not required to file a federal return** but had Louisiana income tax withheld in 2010, **you must file a return to claim a refund of the amount withheld**. Refer to the IRS requirements for filing in order to determine if you must file a federal return. For additional information, see the NOTE on page 19.
4. If you are military personnel whose home of record is Louisiana, and you meet the filing requirements of 1 or 2 above, you must file a return and report all of your income, regardless of where you were stationed. If you are single, you should file a resident return (Form IT-540), reporting all of your income to Louisiana. If you are married and both you and your spouse are residents of Louisiana, you should file a resident return (Form IT-540), reporting all of your income to Louisiana.

Any military personnel whose domicile is NOT Louisiana must report any nonmilitary Louisiana sourced income on Form IT-540B. The federal Military Spouses Residency Relief Act has extended certain residency protections to spouses of military members. Under this Act, a spouse's state of residence does not change when he or she moves to a new state to be with a service-member who is under military orders to be in the new state. A spouse who is NOT a resident of Louisiana but is in Louisiana solely to be with a Louisiana stationed servicemember who is NOT a resident of Louisiana must report all Louisiana sourced income other than wages, interest, or dividends, on Form IT-540B. Income earned within or derived from Louisiana sources such as rents, royalties, estates, trusts, or partnerships is taxable to Louisiana. See Revenue Information Bulletin 10-005 for more information.

If you are married and one of you is not a resident of Louisiana, you may file as a resident (Form IT-540), or a nonresident (Form IT-540B), whichever is more beneficial to you and your spouse. Resident taxpayers are allowed a credit for income tax paid to another state on nonmilitary income or on income earned by your spouse if that income is included on the Louisiana return. Use Nonrefundable Tax Credits, Schedule G, Line 1 to report taxes paid to another state.

Louisiana residents who are members of the armed services and were stationed out-of-state for 120 or more consecutive days on active duty may be entitled to an exemption of up to \$30,000 of military income. See the instructions for Schedule E, page 22, Code 10E.

5. Nonresident professional athletes must use Form IT-540B-NRA.
6. A temporary absence from Louisiana does not automatically change your domicile for income tax purposes. You must confirm your intention to change your domicile to another state by actions taken to establish a new domicile outside of Louisiana, and by actions taken to abandon the Louisiana domicile and its privileges. Examples of establishing a domicile include registering to vote, registering and titling vehicles, obtaining a driver's license, changing children's school of attendance, obtaining a homestead exemption, or any other actions that show intent to establish a new domicile outside of Louisiana. These are intended as examples and do not necessarily indicate a change in residency. You are considered to be a Louisiana resident if you continue to maintain a residence in Louisiana while working in another state. Use Nonrefundable Tax Credits, Schedule G, Line 1, to report taxes paid to the other states.
7. Surviving Spouses, Executors, Administrators, or Legal Representatives – A final return for a decedent must be filed if you are the surviving spouse, executor, administrator, or legal representative, and the decedent met the filing requirements at the date of death. If both conditions apply, mark the decedent box on the face of the return for the appropriate taxpayer and attach a copy of the death certificate. If a refund is due to the decedent's estate, survivor, etc., you must also complete and attach Form R-6642 Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer.

FORMS

Forms and instructions are on the LDR website, www.revenue.louisiana.gov/taxforms.

AMENDED RETURNS

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must file an amended (corrected) Louisiana return. You must use the correct form for the tax year being amended, mark an "X" in the "Amended Return" box on the face of the return, include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed.

NOTE: Do not make any adjustments for refunds received or for payments made with the original return. This information is already on file.

FEDERAL TAX ADJUSTMENTS

Louisiana Revised Statute (R.S.) 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of the adjustments within 60 days after the adjustments have been made and accepted. This statement should accompany the amended state return.

WHEN TO FILE

1. A 2010 calendar year return is due **on or before May 15, 2011**.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal holiday, the return is due the next business day.

WHERE TO FILE AND PAY TAX

Print your name and Social Security Number on your return and any correspondence.

NOTE: On a joint return, print the names and the Social Security Numbers on Form IT-540 in the same order that you listed them on your federal return.

A return for which a **payment** is due should be mailed to P.O. Box 3550, Baton Rouge LA 70821-3550. **Print the last four digits of your Social Security Number on your check or money order. DO NOT SEND CASH. An electronic payment option is available on the LDR website at www.revenue.louisiana.gov/fileonline.**

You can also pay your taxes by credit card over the internet or by telephone. Visit www.officialpayments.com or call 1-888-2PAY-TAX (1-888-272-9829).

All other individual income tax returns should be mailed to P.O. Box 3440, Baton Rouge, LA 70821-3440.

EXTENSION OF TIME FOR FILING A RETURN

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. **Extensions must be filed before the due date of the return.** An extension can be requested on the LDR website at www.revenue.louisiana.gov/fileonline.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.

INSTALLMENT REQUEST

If you are unable to pay the balance in full by the due date, you may submit an installment request, Form R-19026, which is available on the LDR website at www.revenue.louisiana.gov/taxforms.

INTEREST AND PENALTIES

See Interest and Penalty Calculation Worksheet on page 35.

KEEP YOUR RECORDS

You should keep copies of federal and state tax returns and W-2 statements for four years. In most cases, you do not have to submit a copy of your federal return with your state returns. If you have completed Schedule H to claim federal disaster relief credits, submit the specified forms as indicated in the instructions.

CONSUMER EXCISE TAX RETURN

Louisiana imposes an excise tax on tobacco products and alcoholic beverages. If you purchased any of these products on the internet or through the mail, you are required to pay the excise tax on those products. You should use the Consumer Excise Tax Return, Form R-5629, to report and pay the tax due on these products.

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. Print amounts only on those lines that are applicable.
2. Use only a pen with **black ink**.
3. Because this form is read by a machine, print your numbers **inside the boxes** like this:

0	1	2	3	4	5	6	7	8	9	X
---	---	---	---	---	---	---	---	---	---	---

4. All numbers should be rounded to the nearest dollar.
5. Numbers should **NOT** be printed over the pre-printed zeros, in the boxes on the far right, which are used to designate cents (.00).
6. To avoid any delay in processing, use this form for **2010** only.
7. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.

Nonresidents and part-year residents must use Form IT-540B to file their Louisiana return. Nonresident professional athletes must use Form IT-540B-NRA.

Name, address, and Social Security Number – Print your name, address, daytime telephone number, and Social Security Number on your return. If there is a change in your name or address since last year's return (for example, new spouse), mark the "Name Change" or "Address Change" box. In order to complete the address change, you must notify the Post Office and your account will reflect the change through automatic updates from the Post Office. Failure to notify the Post Office of your address change will result in your account not being updated. A direct address update can also be accomplished by filing your tax return electronically. If married, print Social Security Numbers for both you and your spouse. On a joint return, your names and Social Security Numbers must be listed in the same order that you listed them on your federal return.

NOTE: If you are not required to file a federal return, but had Louisiana income tax withheld in 2010, complete Lines 1 through 6D. In the appropriate boxes above Line 7, enter the total amount of wages and income and mark the box to the right. Skip to Line 16, print zero "0" and complete the remainder of the return. You must enter the total amount of wages and income in the boxes above Line 7. Failure to do so will result in processing delays.

Lines 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, print the number corresponding to your filing status: "1" for Single, "2" for Married Filing Jointly, "3" for Married Filing Separately, "4" for Head of Household, and "5" for Qualifying Widow(er). Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person. If you file as Head of Household, you must show the name of the qualifying person in the space provided if the person is not a dependent.

Lines 6A and 6B – Exemptions – Mark an "X" in the appropriate boxes. You must use the same number of exemptions on your Louisiana return as you did on your federal return, unless: you are listed as a dependent on someone else's return, you are age 65 or over, you are blind, or your filing status is Qualifying Widow(er). You must claim an exemption for yourself on Line 6A, even if someone else claimed you on their federal tax return. This box has already been marked with an "X" for you.

Line 6C – Print the names of the dependents listed on your federal return. Complete the required information. If you have more than 6 dependents, attach a statement to your return with the required information. In the box on Line 6C, print the total number of dependents claimed.

Line 6D – Add Lines 6A, 6B, and 6C. Print the total number of exemptions in the boxes.

Line 7 – Print the amount of your Federal Adjusted Gross Income. This amount is taken from Federal Form 1040EZ, Line 4; OR from Federal Form 1040A, Line 21; OR from Federal Form 1040, Line 37. If your Federal Adjusted Gross Income is less than zero, print "0."

The following residents should use Schedule E to determine their Louisiana Adjusted Gross Income:

1. Residents with exempt income such as interest on U.S. government obligations and public employee retirement systems.

2. Residents with recapture of START contributions.
3. Residents with interest income from obligations of other states and their political subdivisions.
4. Residents age 65 years or older with annual retirement income taxable to Louisiana.
5. Residents who are active duty military and have served 120 or more consecutive days out-of-state during the calendar year.
6. Residents who have paid school tuition, home-schooled educational expenses, or public school educational expenses for qualified dependents.

Mark the box on Line 7 if the amount from Schedule E, Line 5C is used. In order to complete Schedule E, you may need to first compute your modified federal income tax deduction for Louisiana purposes if you claimed federal disaster relief credits on your 2010 federal return.

Line 8A, 8B and 8C – If you did not itemize your deductions on your federal return, skip Lines 8A, 8B and 8C and go to Line 9.

Line 8A – If you itemized your deductions on your federal return, print the amount of your federal itemized deductions, shown on Federal Form 1040, Schedule A, Line 29.

Line 8B – If you itemized your deductions on your federal return and your filing status is 1 or 3, print \$5,700; 2 or 5, print \$11,400; 4, print \$8,400.

Line 8C – Subtract Line 8B from Line 8A. If less than zero, print zero "0."

Line 9 – If you claimed federal disaster relief credits on your federal return as a result of Hurricane Katrina or Hurricane Rita, you must complete Schedule H to determine your modified federal income tax deduction for Louisiana. The federal disaster relief credits claimed for this year and allowed by the IRS could be credits that are carried forward from previous years. However, the credits must be utilized on your federal return. Attach a copy of your federal return that indicates the amount of the credit, a copy of Federal Form 3800, and a copy of the appropriate IRS form to substantiate the amount of the credit.

If you **have not** claimed federal disaster relief credits, print your federal income tax liability on Line 9. This amount is taken from your federal return. Below are the federal returns and line numbers that indicate your federal income tax liability.

- Federal Form **1040EZ**, Line 11.
- Federal Form **1040A**, Line 35.
- Federal Form **1040**, Line 55, minus the amount from Form 4972, reported on Line 44.

Optional deduction – The federal tax deduction above may be increased by the amount of foreign tax credit claimed on Federal Form 1040, Line 47. If this additional deduction is claimed, no special allowable credit may be claimed on Louisiana Nonrefundable Tax Credits, Schedule G, Line 4.

Line 10 – Subtract Line 8C and Line 9 from Line 7, and print the result. If less than zero, print zero "0."

Line 11 – Use the tax table that corresponds with your filing status. Locate the amount of your tax table income from Line 10 in the first two columns of the tax table. Read across to the column numbered the same as the total number of exemptions claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. Print this amount on Line 11 of the return. If you have more than 8 exemptions, refer to the instructions at the top of the tax tables.

Line 12A – If you have claimed a Federal Child Care Credit on either Federal Form 1040A, Line 29, or Federal Form 1040, Line 48, print the amount.

To determine the carry forward amount, use the Louisiana Nonrefundable Child Care Credit Worksheet on page 29.

Line 12D – Print the amount of your Louisiana Nonrefundable School Readiness Credit. **Your Federal Adjusted Gross Income must be greater than \$25,000 to claim this credit.** The amount is determined

Consumer Use Tax Worksheet

Under La. R.S. 47:302(K), LDR is required to collect an 8 percent tax on out-of-state purchases subject to use tax. This 8 percent rate (which includes 4 percent to be distributed by LDR to local governments) is in lieu of the actual rate in effect for your area, and is payable regardless of the actual combined state and local rate for your area.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state businesses who are not required to collect sales tax.

General Information about Disaster Relief Credits

Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases. R.S. 47:293(4)(b) expands the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for Hurricane Katrina or Hurricane Rita. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on the 2010 federal income tax form. Louisiana Administrative Code (LAC) 61:I.601 designated the following federal credits as disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit

3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

For complete information about disaster relief credits, see LAC 61:I.601 on the LDR website, www.revenue.louisiana.gov/policies.

Consult your tax advisor or the IRS for information concerning the federal credits. If you claimed federal disaster relief credits on your federal return, complete Schedule H and attach a copy of the appropriate federal forms to your return to substantiate your modified Louisiana federal income tax deduction.

R.S. 47:297.4 allows a state tax credit for child and dependent care expenses allowed by Internal Revenue Code Section 21. The credit is refundable for taxpayers whose Federal Adjusted Gross Income is \$25,000 or less and is nonrefundable for taxpayers whose Federal Adjusted Gross Income is more than \$25,000.

INCOME EQUAL TO OR LESS THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is \$25,000 or less are allowed a refundable credit whether or not a federal child care credit has been claimed. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 that governs the federal child care credit for the 2010 taxable year. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet on page 31 to compute your refundable credit. See instructions for the worksheet below.

INCOME GREATER THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is greater than \$25,000, are allowed a credit against their Louisiana income tax liability for a certain percentage of their federal child care credit. If you are unable to claim the credit in the year in which it is earned, the unused portion of the credit can be used over the next four years. Use Lines 1 through 18 of the 2010 Louisiana Nonrefundable Child Care Credit Worksheet on page 29 to compute your 2010 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

REFUNDABLE CHILD CARE CREDIT INSTRUCTIONS

1. Your Federal Adjusted Gross Income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for, and receive, a refundable Louisiana Child Care Credit, if you meet certain criteria. In order to qualify for the Louisiana credit, you must meet the **same tests** for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be single, head of household, qualifying widow(er) or married filing jointly. See Line 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you, and your spouse if married filing jointly, to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under age 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child under age 13, or a person whom you can claim as a dependent. If your child provided the care, he can not be your dependent and must be age 19 or older by the end of 2010.
3. If your filing status is married filing separately, you will be considered single for purposes of calculating the credit if all of the following apply:
 - A. You lived apart from your spouse during the last 6 months of 2010.
 - B. Your qualifying dependent child lived in your home for more than half of 2010.
 - C. You provided over half the cost of keeping up your home.

If you meet all these requirements and meet the requirements of 2(B), 2(C), and 2(D), you are eligible for the credit.

DEFINITIONS

Qualifying Child – A child under age 13 who can be claimed as a dependent by the taxpayer. If the child turned 13 during the year, the child qualifies for the part of the year he was under age 13.

Qualified Expenses – Amounts paid for household services and care of the qualifying person while the taxpayer worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless the reimbursement was included in the taxpayer's income. Prepaid expenses are treated as paid in the year the care was provided. Do not include the following as qualified expenses for 2010:

- A. Expenses incurred in 2010 but not paid until 2011.
- B. Expenses incurred in 2009 but did not pay until 2010.
- C. Expenses prepaid in 2010 for care to be provided in 2011.

Dependent Care Benefits – These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2010 Forms W-2 in box 10.

Earned Income – Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits, any disability pay you report as wages, and other taxable compensation. You can elect to include nontaxable combat pay in earned income. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation, scholarship or fellowship grants, nontaxable workfare payment, or any amount received for work while an inmate in a penal institution.

For additional definitions, details, and information, see the Internal Revenue Service's Publication 503.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2010 calendar year return is due on or before May 15, 2011.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal holiday, the return is due the next business day.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable and the 2011 interest rate is posted on LDR's website in Revenue Information Bulletin 11-001. To compute the DAILY INTEREST RATE, divide the 2011 interest rate by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2011 interest rate is 17 percent, divide 0.17 by 365 to get the daily interest rate of 0.0004657.

Interest Calculation Worksheet		
1	Number of days late from the due date.	
2	Daily interest rate (See instructions above.)	0. _____
3	Interest rate (Multiply Line 1 by Line 2.)	
4	Amount you owe (Form IT-540, Line 46)	.00
5	Total interest due (Multiply Line 4 by Line 3, and print the result on Form IT-540, Line 50.)	.00

Delinquent Filing Penalty – A delinquent filing penalty will be charged for failure to file a return on or before your due date, or your approved extension date. The penalty is five percent of the tax for each 30 days or fraction thereof during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent of the tax due.

Delinquent Filing Penalty Calculation Worksheet		
1	Number of days late from your due date, or your approved extension date.	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase to nearest whole number.)	
4	30-day penalty percentage	.05
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent.)	
6	Amount you owe (Form IT-540, Line 46.)	.00
7	Total amount of delinquent filing penalty due (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 51.)	.00

Important Notice: The sum of both the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date LDR receives the return or payment.

Delinquent Payment Penalty – If you fail to pay 90 percent of the tax due by the due date, a delinquent payment penalty of 0.5 percent of the tax not paid by the due date will accrue **for each 30 days, or fraction thereof**, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due.

To determine if you owe a delinquent payment penalty, answer the following questions:

1. Are you paying a 2010 tax liability after the due date? If yes, continue to Line 2.
2. Have you paid at least 90 percent of total tax due?
 - a. Print the amount from Form IT-540, Line 18. _____ .00
 - b. Print the amount from Form IT-540, Line 19. _____ .00
 - c. Add the amounts from Form IT-540, Lines 20 through 23 and print the result. _____ .00
 - d. Subtract Lines b and c from Line a above. _____ .00
 - e. Multiply Line d by 10 percent. _____ .00
 - f. Print the amount from Form IT-540, Line 46. _____ .00

If the amount on Line f is less than or equal to the amount on Line e, you have paid at least 90 percent of the total tax due. If the amount on Line f is greater than the amount on Line e, you have not paid at least 90 percent of the total tax due by the due date; therefore, you owe the delinquent payment penalty. Use the worksheet below to calculate that penalty.

Delinquent Payment Penalty Calculation Worksheet		
1	Number of days late from the due date.	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase the amount to the nearest whole number.)	
4	30-day penalty percentage	.005
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent.)	
6	Amount you owe (Form IT-540, Line 46.)	.00
7	Total amount of Delinquent Payment Penalty (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 52.)	.00

Underpayment Penalty – Louisiana imposes an underpayment penalty on an individual's failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must complete Form R-210R, Resident Underpayment Penalty Return and attach the completed form to your return. See Revenue Information Bulletin 04-004 for the definition of farmer for purposes of applying underpayment penalty.
