- Wedding packages -

My goal is to document each priceless moment of your wedding day with great focus on the details of the wedding preparation, ceremony, reception and any before and after special customs. Emotions speak louder than words and I strive to capture them in an artistic fashion. I combine photojournalism with formal and traditional photography. During the formal picture times, we will stage lots of fun and artistic poses of bride and groom, wedding party and family members at different locations of the wedding venue. The rest of the time, I will be looking for opportunities to capture candid moments during the ceremony and reception in an unobtrusive way.

Each package includes my time as a photographer and assistant plus unique editing of all photographs. The couple will have full rights to the digital photographs and will receive them on a DVD. Additionally, I will post all photographs on a web album for family and friends of the bride and groom to view, download or print their favorite moments at no additional cost and without watermarks. Both web and DVD albums will display all photos in chronological order so that you can experience those wonderful moments again as they happened.

"The Engagement" Package - \$250

A great addition to your wedding day is an engagement portrait. Dressed in your desired attire, you will be photographed for one hour at the romantic location of your choice. We will get you two to flirt a bit and capture some fun and artistic moments to express your true love for each other.

Average of 100+ digital photographs on web and DVD albums including unique artistic editing.

"The Flower Girl" Package - \$1,000

4 continuous hours of photography on your wedding day - covers all of your formal photos, ceremony and cake cutting. This package works well for couples that want to see each other before the ceremony to get all the formal photos done in a timely manner.

Average of 400+ digital photographs on web and DVD albums including unique artistic editing.

"The Groom" Package - \$1,500

6 continuous hours of photography on your wedding day - covers some getting ready shots, all of your formal photos, ceremony, cake cutting, toasts, first dance, bouquet and garter toss.

Average of 500+ digital photographs on web and DVD albums including unique artistic editing.

"The Bride" Package - \$2,250

9 continuous hours of photography on your wedding day - starts with the moment you show up with your bags in hand, getting ready with all of your nervous jitters, fun moments with your bridal party while getting ready, formal photos, ceremony, reception, cake cutting, toasts, first dance, bouquet and garter toss, until the time you leave out the door in your getaway car exhausted and extremely happy.

Average of 700+ digital photographs on web and DVD albums including unique artistic editing.

If needed, additional photography will be charged at \$250 per hour and it includes all additional photographs.

A non-refundable deposit of \$200 is required to reserve my services for your wedding date. The remaining balance of your package is due 30 days prior to your wedding.

If Martin Burlus is unable to perform to this contract due to any cause beyond the control of the parties, Martini Photography shall have no further liability with respect to this agreement. If Martini Photography is unable to perform to the obligations in this contract in the event of photographer's illness or for any other reason, Martini Photography will not be liable for costs in excess of the amount the client has paid. This limitation of liability will also apply in the event that the high resolution digital files are lost through camera malfunction, damaged in processing, lost in the mail, or otherwise damaged or lost with or without fault of the photographer Martin Burlus. While every attempt is made to create the best images possible, no particular photo is guaranteed.

The client will obtain all rights to proofs and all high resolution digital files which may be used for personal use only, and may not be sold or published without the written consent of Martin Burlus.

The clients understand that if during the wedding ceremony flash photography is not allowed or subjects are too far for the flash to reach, high ISO settings (film's sensitivity to light) must be used; creating a pixilated or grainy effect in the photographs.

Any changes to this contract must be in writing and signed by both parties. This contract incorporates the entire understanding of the parties.
