**QUITCLAIM OF STORM DRAIN EASEMENTS  
INGOMAR DRAIN-PARCEL 1EX  
CITY OF LOS ANGELES  
(SUPERVISORIAL DISTRICT 3)  
(3 VOTES)**

### SUBJECT

This action is to approve the Quitclaim of Easements associated with Ingomar Drain, as shown in Exhibit A, from the Los Angeles County Flood Control District to the underlying fee owner, Cityview Ingomar LLC, a Delaware limited liability company.

**IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS THE GOVERNING BODY  
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Find this Quitclaim of Easements to be categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that the Los Angeles County Flood Control District's easements for Ingomar Drain Parcel 1EX are no longer required for the purposes of the District.
3. Authorize the Quitclaim of Easements to the underlying fee owner, Cityview Ingomar LLC, a Delaware limited liability company.
4. Instruct the Chairman to execute the Quitclaim of Easement documents and authorize delivery to the grantee.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this action is to provide for the quitclaim of the excess easements back to the underlying property owner. The easements that were dedicated to the Los Angeles County Flood Control District, as described in Exhibit A, are no longer required.

### **Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) by coordinating with other departments to ensure that this final map is in compliance with all conditions of the previously approved tentative map.

### **FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The easements were originally obtained in connection with a storm drain project, Ingomar Drain. Since the easements were granted, a catch basin has been relocated. As a result, the existing catch basin easements became excess.

Plans for Ingomar Drain were reviewed by the Department of Public Works. The Quitclaim of Easement documents have been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed project is categorically exempt from the California Environmental Quality Act. This Quitclaim of Easements is within the class of projects, which have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Sections 15305 and 15312 of the California Environmental Quality Act Guidelines and Classes 5 and 12 of the Environmental Document Reporting Procedures and Guidelines, Appendix G.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Since the easements are now excess and no longer required, their quitclaim will not have an adverse impact on current services or projects.
