NVC Process Flowchart for CR-1/IR-1 Visa Applicants Version 1.2 - by Sanctifyer 09-30-2005

NVC Receives case from USCIS Service Center	
¥	
NVC Assigns a case number (LLLNNNNNNNNN)	
\downarrow	
NVC Generates and sends a copy of the DS-3032* (Choice of Agent form) and the AOS Bill	
to the petitioner (AOS in this context means Affidavit of Support. NOT Adjustment of Status.)	
At the same time, NVC generates and sends the DS-3032* to the alien.	
There are now two independent 'tracks' within the NVC. One part of each track leads onto	
another.	
The petitioner sends back the AOS Bill	The alien completes and sends the
payment.	DS-3032* (Choice of Agent form)
