Instructions

Verification of Deposit

The lender uses this form for applications for conventional first or second mortgages to verify the cash deposits that the applicant listed on the loan application.

Copies

Original only.

Printing Instructions

This form must be printed on letter size paper, using portrait format. When printing this form, you must use the "shrink to fit" option in the Adobe Acrobat print dialogue box.

Instructions

The applicant must sign this form to authorize his or her depository to release the requested information. Separate forms should be sent to each depository named in the loan application. However, rather than having the applicant sign multiple forms, the lender may have the applicant sign a borrower's signature authorization form, which gives the lender blanket authorization to request the information it needs to evaluate the applicant's creditworthiness. When the lender uses this type of blanket authorization, it must attach a copy of the authorization form to each Form 1006 it sends to the depository institutions in which the applicant has accounts.

For First Mortgages

The lender must send the request directly to the depositories. We will not permit the borrower to hand-carry the verification form. The lender must receive the completed form directly from the depositories. The completed form should not be passed through the applicant or any other party.

For Second Mortgages

The borrower may hand-carry the verification to the depositories. The depositories will then be required to mail this form directly to the lender.

The lender retains the original form in its mortgage file.
