4.	The Exception Time Entry page appears. Here you can record the time you work, the time you take off for vacation/illness and additional time logged under a variety of Time Reporting Codes (TRC s).
	The HCM system will auto-populate regular and holiday time entries for all full-time employees. Part-time employees must manually enter their hours each pay period.
	Employees need to enter and verify hours for each pay period and must have all time entered by the corresponding payroll cut-off date.
	The cut-off dates for submitting time sheets are listed here: http://www.case.edu/finadmin/controller/deadlines.html.
