GENERAL INSTRUCTIONS

Who must file? A Maine income tax return must be filed by **April 16, 2013** if you are a resident of Maine who is required to file a federal income tax return or if you are not required to file a federal return, but do have income subject to Maine income tax resulting in a Maine income tax liability. **You do not have to file a Maine income tax return if you meet all of the following requirements: 1) your Maine taxable income is \$2,000 or less AND 2) you claim yourself as an exemption on your return.** However, you must file a return to claim any refund due to you. Generally, if you are a nonresident or a "Safe Harbor" resident who has income from Maine sources resulting in a Maine income tax liability, you **must** file a Maine income tax return. **NOTE:** Nonresident minimum taxability thresholds: A nonresident individual working in Maine as an employee is not required to pay Maine tax or file a Maine return on income from personal services unless that individual works in Maine for more than 12 days and earns or derives income from all Maine sources totaling more than \$3,000. Up to 24 days performing certain personal services, such as training and site inspections, are not counted against the 12-day threshold. Also, generally, a nonresident individual present in Maine for business for no more than 12 days and earning no more than \$3,000 from business activity in Maine is not required to pay Maine tax or file a Maine income tax return on that income. See 36 M.R.S.A. § 5142(8-B) and Rule 806.

What is my Residence Status?

To determine your residency status for 2012, read the following.

Domicile: *Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.*

- Full-Year Resident:** 1) Maine was my domicile for the entire year of 2012; or 2) I maintained a permanent place of abode in Maine for the entire year and spent a total of more than 183 days in Maine.
- "Safe Harbor" Resident** (treated as a nonresident):
General Safe Harbor - Maine was my domicile in 2012, I did not maintain a permanent place of abode in Maine, I maintained a permanent place of abode outside Maine and I spent no more than 30 days of 2012 in Maine. Individuals qualifying under the safe harbor rule will be treated as a nonresident for Maine individual income tax purposes. **File Form 1040ME and Schedule NR or NRH.**
Foreign Safe Harbor - I spent at least 450 days in a foreign country during any 548-day period that begins or ends during the tax year. The taxpayer must also meet other eligibility criteria. If you qualify for the Foreign Safe Harbor, you will be considered a "Safe Harbor" Resident and treated as a nonresident for the 548-day period even though you were domiciled in Maine.
- Part-Year Resident:** I was domiciled in Maine for part of the year and was not a full-year resident as defined in (2) above. **File Form 1040ME and Schedule NR or NRH.**
- Nonresident:** I was not a resident or part-year resident in 2012, but I do have Maine-source income. **Follow the federal filing requirements for filing status, number of exemptions, federal adjusted gross income, and itemized deductions. File Form 1040ME and Schedule NR or NRH.**

For additional information on determining Maine residency or if you are in the military, see the Maine Revenue Services **Guidance to Residency Status** and **Guidance to Residency "Safe Harbors"** brochures at www.maine.gov/revenue/forms or call the forms line at (207) 624-7894.

Print or type your name(s) and mailing address in the spaces provided.

Social security number(s): You **must** enter your social security number(s) in the spaces provided.

Line 1. FOR MAINE RESIDENTS ONLY. The **Maine Clean Election Fund** finances the election campaign of certified Maine Clean Election Act candidates. *Checking this box does not increase your tax or reduce your refund but reduces General Fund revenue by the same amount.*

Line 2. Check if at least two-thirds of your gross income for 2012 was from **commercial farming or fishing** as defined by the Internal Revenue Code. Include your spouse's income in your calculation if you are filing a joint return.

Lines 3-7. Use the **filing status** from your federal income tax return. **If you filed a married-joint federal return and one spouse is a part-year resident, nonresident or "Safe Harbor" resident, see the Guidance to Residency Status brochure at www.maine.gov/revenue/forms for more information.** If you are filing married filing separately, be sure to include your spouse's name and social security number. **For pass-through entities only:** check the red box below line 7 if this is a **composite filing**. A composite return may be filed by a pass-through entity on behalf of nonresident owners. You must complete and enclose Schedule 1040C-ME and Maine Schedules K-1 with your composite return. For more information on composite filing and forms, visit www.maine.gov/revenue.

Lines 8-11. See General Instructions above to determine your **residency status**. **If you check line 8a, 9, 10 or 11, enclose a copy of your federal tax return.**

Schedule NRH is available at www.maine.gov/revenue/forms or call (207) 624-7894 to order.

Line 14. Enter the **federal adjusted gross income** shown on your federal return (Form 1040EZ, line 4 or 1040A, line 21 or 1040, line 37).

Line 15. You must complete this line if you have income that is taxable by the state but not by the federal government (additions) or income that is taxable by the federal government but not by the state (subtractions). **Complete Maine Schedule 1 to calculate your entry for this line.** Enter a negative amount with a minus sign in the box immediately to the left of the number. **Part-year residents, Nonresidents and "Safe Harbor" residents, see Schedule NR or NRH.**

Line 17. Deduction. If your filing status is nonresident alien, you must use itemized deductions. If you use the standard deduction on your federal return, you must use the Maine standard deduction on your Maine return.

MAINE STANDARD DEDUCTION AMOUNTS:

SINGLE	-----	\$5,950
MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER)	-----	\$11,900
HEAD OF HOUSEHOLD	-----	\$8,700
MARRIED FILING SEPARATELY	-----	\$5,950

DEPENDENTS claimed on another person's return: the standard deduction is the greater of \$950 or earned income plus \$300 (up to the standard deduction amount shown above for your filing status).

Additional Maine Standard Deduction for Age and/or Blindness:

Unmarried (single or head of household): multiply the number of boxes checked on lines 12a and 12b by \$1,450. Add the result to the standard deduction for your filing status above.

Married (whether filing jointly or separately) or a qualified widow(er): multiply the number of boxes checked on lines 12a, 12b, 12c and 12d by \$1,150. Add the result to the standard deduction for your filing status above.

NOTE: If married filing separately, the additional deduction amounts for your spouse apply only if you can claim an exemption for him/her.

Line 18. Multiply the number of **exemptions** on line 13 by \$2,850 and enter the result on this line. **Caution:** *If you filed federal Form 1040EZ and checked one or both boxes on line 5 of that form and line F of the "Worksheet for dependents who checked one or both boxes on line 5" is zero (see reverse side of federal Form 1040EZ), enter zero on line 18 of your Maine long form. If you checked one or both boxes on federal Form 1040EZ, line 5 and line F of the worksheet is \$3,800, enter \$2,850 on line 18.*

Line 22. If your taxable income, line 19, is \$2,000 or less and neither you nor your spouse (if married) is claimed as a dependent on somebody else's return, you are entitled to a **low-income credit** equal to the income tax that would normally be due. **You are not required to file a return if you qualify for this credit.** However, you must file a return to claim any refund due to you.

Line 25. NOTE: Schedule NRH is available at www.maine.gov/revenue/forms or call the forms line at (207) 624-7894.

Line 26. Subtract lines 24 and 25 from line 23. **Nonresidents and "Safe Harbor" Residents only:** show negative amounts with a minus sign in the box to the left of the number. A negative amount represents unused business credits claimed on Schedule A that may be carried over. See instructions for Maine Schedule A.

Line 27a. Enter the total amount of **Maine income tax withheld.** Enclose (**do not staple or tape**) supporting W-2, 1099 and 1099ME forms. Unless the 1099 form is required as supporting documentation for another schedule or worksheet, only send 1099 forms if there is State of Maine income tax withheld shown on them.

Line 27b. Enter the total amount of Maine estimated tax paid during 2012. Also include on this line extension payments and amounts withheld in 2012 on the **sale of real estate in Maine** (enclose a copy of Form REW-1 to support your entry).

Line 30. If you purchased items for use in Maine from retailers who did not collect the Maine sales tax (such as businesses in other states and many mail order and internet sellers), you may owe **Maine use tax** on those items. The rate of tax for purchases in 2012 is 5%. If you paid another state's sales or use tax on any purchase, that amount may be credited against the Maine use tax due on that purchase. If you do not know the exact amount of Maine use tax that you owe, either multiply your Maine adjusted gross income from line 16 by .08% (.0008) or use the table below. **NOTE:** For items that cost \$1,000 or more, you must add the tax on those items to the percentage or table amount. Use Tax on items that cost more than \$5,000 must be reported on an individual use tax return by the 15th day of the month following its purchase. For additional information, visit www.maine.gov/revenue/salesuse/usetax/usetax.html or call (207) 624-9693.

Multiply the rentals received in 2012 not reported on any sales tax return by 7%. Note: To report sales tax greater than \$2,000, you must file a sales/use tax return to report all sales you owe to Maine. Sales and use tax forms are available at www.maine.gov/revenue/salesuse/returnlink.htm or call (207) 624-9693.

If you check the box, we will mail you a paper check. Except for NextGen Accounts, the account to receive the direct deposit must be in your name. 2012 - Worksheet for Pension Income Deduction - Schedule 1, Line 2d
Enclose this Worksheet and copies of your 1099 form(s) with your Form 1040ME

You and your spouse (if married) may each deduct up to \$6,000 of eligible pension income* that is included in your federal adjusted gross income. Except for military pension benefits, the \$6,000 cap must be reduced by any social security and railroad retirement benefits received, whether taxable or not.

Deductible pension income includes state, federal and military pension benefits, as well as retirement benefits received from plans established and maintained by an employer for the benefit of its employees under Internal Revenue Code (IRC) sections 401(a) (Qualified Pension Plans, including qualified 401 SIMPLE plans) and 403 (Employee annuities). Deductible pension income also includes benefits received under IRC section 457(b) (state and local government/tax exempt organizations/eligible deferred compensation plans), **except** that pension income from 457(b) plans received prior to age 55 that is not part of a series of equal periodic payments made over the life of the recipient and the recipient's designated beneficiary, if applicable, may not be included in the deductible pension amount.

Pension benefits that **do not qualify** are those received from an individual retirement account (including SIMPLE individual retirement accounts), simplified employee pension plan, benefits from an ineligible deferred compensation plan under IRC section 457(f), refunds of excess contributions, lump-sum distributions included on federal Form 4972 and distributions subject to the additional 10% federal tax on early distributions (see federal Form 5329, Part 1, or federal Form 1040, line 58). Also, disability benefits reported as wages on your federal income tax return do not qualify.

***Eligible pension income does not include benefits earned by another person, except in the case of a surviving spouse. Only the individual that earned the benefit from prior employment may claim the pension income for the deduction. However, a widowed spouse receiving survivor's benefits under an eligible pension plan may claim that amount for purposes of this deduction, but the total pension deduction for the surviving spouse may not exceed \$6,000.**

Enclose with your Form 1040ME. You must also attach a copy of the income tax return filed with the other jurisdiction.

Residents (excluding “Safe Harbor” residents) may claim a credit against Maine income tax for income tax paid to another jurisdiction if all the following conditions are met: **(1)** the other jurisdiction is another state, a political subdivision thereof, the District of Columbia, Canadian Province or any political subdivision of a foreign country that is analogous to a state of the United States; **(2)** the tax paid to the other jurisdiction is directly related to the income received during the tax year covered by this return (tax payments made to other taxing jurisdictions for prior year tax liabilities cannot be considered when computing this credit); and, **(3)** the income taxed by the other jurisdiction is derived from sources in that jurisdiction. Income sourced to another state must be determined in the same way that a Maine nonresident calculates Maine-source income for purposes of Schedule NR or Schedule NRH. For a description of Maine-source income, see 36 M.R.S.A. § 5142 and Maine Rule 806. The income considered taxed by the other jurisdiction is income, after deductions, that is analogous to Maine adjusted gross income (federal adjusted gross income plus or minus income modifications).

PART-YEAR RESIDENT, NONRESIDENT AND “SAFE HARBOR” RESIDENT INSTRUCTIONS

Nonresident individuals, including individuals who were nonresidents for only part of the year and “Safe Harbor” resident individuals, who have Maine-source income may owe a Maine income tax. See page 2 for residency information. **MILITARY SERVICEMEMBER SPOUSE:** The income of a military spouse for the performance of services in Maine will not be treated as Maine-source income subject to Maine income taxation if the military spouse is not a resident or domiciliary of Maine, the military spouse is located in Maine solely to be with the servicemember, the servicemember is located in Maine in compliance with military orders, and the servicemember and the spouse have the same state of residency or domicile.

The Maine tax is determined by first calculating a tax amount as if the part-year resident, nonresident or “Safe Harbor” resident were a Maine resident for the entire year and then reducing that amount by a “nonresident credit.” The Maine tax is calculated on the basis of the nonresident’s or “Safe Harbor” resident’s entire federal adjusted gross income and the Maine income modifications, itemized or standard deduction, personal exemption amount and credits. The nonresident credit is based on the amount of non-Maine source income. The nonresident credit is calculated on Schedule NR or Schedule NRH and entered on Form 1040ME, line 25. **NOTE:** Nonresident minimum taxability thresholds: A nonresident individual working in Maine as an employee is not required to pay a Maine tax or file a Maine return on income from personal services unless that individual works in Maine for more than 12 days and earns or derives income from all Maine sources totaling more than \$3,000. Up to 24 days performing certain personal services, such as training and site inspections, are not counted against the 12-day threshold. Also, generally, a nonresident individual present in Maine for business for no more than 12 days and earning no more than \$3,000 from business activity in Maine is not required to pay a Maine tax or file a Maine income tax return on that income. For more information, see Maine Revenue Services Rule 806 and 36 M.R.S.A. §§ 5142(8-B) and 5220(2) available on the MRS web site at www.maine.gov/revenue (select *Laws and Rules*).

INCOME SUBJECT TO MAINE INCOME TAX:

A **part-year resident** is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A **nonresident** or **“Safe Harbor” resident** is subject to Maine income tax on taxable income derived from sources within Maine. For a description of Maine source income, see Maine Revenue Services Rule 806 available at www.maine.gov/revenue (select *Laws and Rules*) or the Instructional Pamphlets for Schedule NR or NRH at www.maine.gov/revenue (select forms).

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

You must file Schedule NR if you are a part-year resident, a nonresident or a “Safe Harbor” resident individual required to file a Maine return, have income not taxable to Maine, and are using the same filing status used on your federal return.

Instead of filing Schedule NR, you may elect to file single on the Maine return using Schedule NRH if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine or “Safe Harbor” residents, but only one of you has Maine-source income. The nonresident or “Safe Harbor” resident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married separate.

SCHEDULE NR INSTRUCTIONS

STEP 1 — Complete Worksheets A and B on pages 17 and 18 before completing Schedule NR.

STEP 2 — Complete Form 1040ME, lines 1 through 24.

Find the amount of Maine income tax as if you were a full-year Maine resident. To do this, complete Form 1040ME, lines 1 through 24. Use your total federal adjusted gross income on line 14.

STEP 3 — Complete Schedule NR to compute your Nonresident Credit.

Line 1. Enter your income from Worksheet B on line 1. List your total federal income in Box A. In Box B, list only your Maine-source income. List your non-Maine-source income in Box C.

Line 2. RATIO OF INCOME. Divide your total non-Maine-source income on line 1, Box C, by your total federal income on line 1, Box A. If this ratio is less than 0, enter 0.0000. If it is greater than 100, enter 1.0000.

Line 3. FEDERAL INCOME ADJUSTMENTS — NON-MAINE-SOURCE ONLY. Complete this section only if you have federal income adjustments on federal Form 1040, line 36, or federal Form 1040A, line 20. Multiply your total federal income adjustments by the percentage listed on line 2 of Schedule NR.

Line 4. FEDERAL ADJUSTED GROSS INCOME — NON-MAINE-SOURCE ONLY. Subtract line 3 from line 1, Box C.

Line 5. MODIFICATIONS — NON-MAINE-SOURCE ONLY. Use this section only if you have income modifications entered on Form 1040ME, line 15. Enter your modifications to income from non-Maine sources. For details on these modifications, see the instructions for Schedule 1 on pages 3 and 4. Do not include taxable refunds of state and local taxes. Prorate the pension deduction (Form 1040ME, Schedule 1, line 2d) and the subtraction for premiums for Long-Term Care Insurance (Form 1040ME, Schedule 1, line 2f) based on the percentage of qualified pension income received or premiums paid as a nonresident or a “Safe Harbor” resident.

Line 6. NON-MAINE ADJUSTED GROSS INCOME. Add or subtract your total modifications, line 5c, to or from line 4.

Line 7. RATIO OF MAINE ADJUSTED GROSS INCOME. Divide the amount of your non-Maine adjusted gross income, line 6, by your total Maine adjusted gross income from Form 1040ME, line 16. If this ratio is less than 0, enter 0.0000. If it is greater than 100, enter 1.0000.

Line 8. TAX SUBTOTAL. Enter your tax subtotal. This is from Form 1040ME, line 20 minus line 22, minus Maine Schedule A, lines 4 and 6.

Line 9. NONRESIDENT CREDIT. Multiply the amount on line 8 by the percentage on line 7. This is your Nonresident Credit. Enter the result here and on Form 1040ME, line 25.

Enclose Schedule NR and Worksheets A and B (and Worksheet C, if used) with your Maine return, Form 1040ME. Include a COMPLETE copy of your federal tax return, including all schedules and worksheets. Enclose W-2 forms from other states or temporary duty (TDY) papers to support your entry in Box C.
