GENERAL INFORMATION

Every sole proprietor or farmer, except single-member limited liability companies (LLCs), doing business in Oklahoma is required to file a Form 511-BAT. All LLCs, including those that are disregarded entities for Federal income tax purposes, are now required to file Form BT-190. If filing a joint income tax return and both spouses are doing business in Oklahoma, complete one Form 511-BAT.

If you began doing business in Oklahoma prior to January 1, 2012 you are subject to an annual Business Activity Tax of \$25. This tax will be entered on Form 511, line 21 or Form 511NR, line 41. When timely paid, you are entitled to a nonrefundable income tax credit on Form 511, line 17 or Form 511NR, line 38; see Form 511CR, line 43 for more information.

All individuals complete Part 1. If you are not required to file an Oklahoma individual income tax return, also complete Part 2 below. The tax is due the same date as the individual income tax return, April 15, 2013.

TOP OF FORM:

The NAICS code is your North American Industry Classification System code. The six-digit code on your Federal Schedule C, C-EZ or F is based on this classification system. Enter the NAICS code from your primary Schedule C, C-EZ or F; this should be the Schedule with the most revenue.

The Business Activity Tax of \$25 is not due for the first taxable year you began doing business in Oklahoma. However, this form must be completed and enclosed with your income tax return (Form 511 or 511NR).

PART 1:

If you have more than one Schedule C, C-EZ or F, you will complete only one Form 511-BAT. Combine all of your business income (loss) included in your Oklahoma Adjusted Gross Income (Form 511, line 7) or Adjusted Gross Income: Oklahoma Sources (Form 511NR, line 23). Enter the combined revenue on Part 1, line 1 and expenses on Part 2, line 2.

Do not include income from royalty or working interest in mineral rights or income from real estate rentals. Total Revenue is defined in 68 OS Sec. 1217.
- Also enter gains or losses from Sales of Business Property (Federal Form 4797) which flow to the front of the Federal return (Form 1040). Do not include any 4797 gains or losses which flow to the Federal Schedule D.

PART 2:

If you are **not** filing an Oklahoma income tax return and you began your business prior to January 1, 2012, you must pay a Business Activity Tax of \$25 with this form. The tax is due on the same date as the individual income tax return, April 15, 2013.
