Seno Formal Wear had many different styles of invitations to choose from. They had many books to look through and choose from, and my invitations came in perfect and on time. Seno Formal Wear is the only tux shop I would recommend, not just for weddings, but for proms, dances, and any special occasion.

My name is Gina, and I got married in July. I went with Seno Formal Wear for my tuxes and I was so pleased. They were able to match the colors for my wedding, and their staff had the perfect style and fit for my husband. Seno's selection was overwhelming! The prices and level of service were great when compared to others, and I would recommend Seno to anyone. They truly listened to what we wanted and were able to meet our requests.

Customer Testimonials

When you're on a tight budget for your wedding day, like I was, it only makes sense to take advantage of FREE invitations. It made it even better that they were from a name I recognized and had used before for their stationery. I remember having to make a really tough decision when deciding what design to use for my invitations, cause Seno just had so many to choose from and many different ways to customize each design. Once I received them, a few weeks later, I was extremely pleased by the quality of them and was excited to mail them out. Seno also had the exact tuxedos I wanted, and the right colors of vests to match my bridesmaids. Taking advantage of the FREE invitations and getting my tuxedos through Seno Formal Wear was one of the easiest things I did for my wedding, and would suggest them to anyone.

-Brittany (Champaign, IL)

I have rented from Seno several times for my sister's wedding and my proms, and I didn't hesitate when my fiancée (now wife) told me that I had "one" major task for the wedding. I told her that Seno could help us. As my sister did, we got our FREE wedding invitations, groomsmen gifts, and the tuxedos at Seno. Everything went great! Our invitations came in and the store's employees had worked hard to satisfy us. The service was fantastic, and I'd have to say the Seno has always treated me right.

-Ryan (Machesney Park, IL)

As a very typical bride, I had my worries and concerns about our wedding day, however, tuxedos was not one of them. The selection of invitations and tuxedos offered by Seno Formal Wear was fantastic! The sales associates were wonderful, very helpful, and great at what they do. The many locations were a huge benefit, since our wedding party was scattered all over. It was a great experience and would recommend Seno to everyone.

-Kate (Rockford, IL)

My daughter's wedding was beautiful, thanks to the professionalism shown to us from our first point of contact in meeting your staff at our local bridal show. The offer of free invitations with our tuxedo rentals caught our eye as a way to cut costs. We could not have been happier with the assistance we received from your store when we were presented with the different invitation options available to us within this promotion. We were very satisfied with the number of choices offered, quality of the paper, and timely manner of delivery. I saved close to \$400.00! Another important detail was how the staff went above and beyond in assisting in our style and color choices, for the tuxes, after listening to the details of our wedding plans. They wanted to make sure that our special day was just that!
