

Frequently Asked Questions: 1098-T

Why did I receive a 1098-T tax form? Am I eligible to claim the tax credit?

You received a form because your higher education expenses may be eligible for federal tax benefits. Our records show that you were enrolled in courses at San Bernardino Valley College/Crafton Hills College, which were billed to you in the tax year in question.

Please see the resource below to determine if you are eligible to claim the tax credit. The College **cannot** provide tax advice, so you may want to consult the IRS or a tax professional.

When and where will the 1098-T be mailed?

Forms will be mailed on January 31 to the student's address on record.

Why haven't I received my 1098-T form?

In certain situations, a 1098-T may **not** have been generated:

- If the student was on full scholarship and no tuition and fees were billed to the student.
- If the student enrolled in 2010 for classes taken in 2011, the expenses are not reflected in tax year 2011. When reviewing your records, please take into consideration actual enrollment/drop dates.
