Ohio Department of Taxation

A Message From the Ohio Tax Commissioner

Dear Ohio Taxpayers,

I would like to acknowledge the more than five million of us who are taking the time this 2012 tax filing season to fulfill a critical civic responsibility that helps sustain and improve all of Ohio.

It is my hope that the instructions contained in this publication will make it as easy as possible for you to prepare and file your income tax return.

I am pleased this year to let you know that we have enhanced our "Online Services" for individual taxpayers. You now have the option of viewing your 1099-G/1099-INT online and choosing whether to receive that form electronically as a more efficient method than traditional mail. You can also update your mailing address, phone number and e-mail through the same secured logon. I encourage you to visit our Web site at **tax.ohio.gov** and try out all of our online services.

I would also like to alert you that to help reduce the cost of government, we will no longer be mailing estimated payment vouchers (Ohio forms IT 1040ES and SD 100ES). Those forms are available on our Web site or you can pay a quarterly 2013 Ohio and/or school district estimated income tax by using any of our electronic payment methods.

As you prepare your tax return, please consider filing electronically as more than 80% of Ohio taxpayers last filing season chose this method. Choosing to file online means you get your refund faster, errors are reduced and processing costs are cut significantly. If you've not yet made the switch to electronic filing, I hope you will this year.

We expect that this publication will give you all you need to successfully and easily prepare and file your return. However, if you still have questions, please check our Web site at **tax.ohio.gov** or call 1-800-282-1780 for personal taxpayer assistance. The department also maintains a 24-hour refund hotline at 1-800-282-1784 and a forms request line at 1-800-282-1782.

Thanks again. Your cooperation and efforts are helping make Ohio a better place.

Sincerely,

Joe Testa

Ohio's Tax Amnesty Program for Consumer's Use Tax

The Ohio Department of Taxation has the responsibility for administering the use tax amnesty program and accompanying educational efforts meant to raise awareness of the amnesty opportunity and help you better understand Ohio's tax laws.

The use tax amnesty program runs from Oct. 1, 2011 through May 1, 2013. It is for use tax due on purchases made by businesses on or after Jan. 1, 2009.

The program is intended to be helpful to Ohio businesses that may be unaware of the use tax or are behind in meeting use tax obligations. Under this amnesty, businesses not registered for use tax can pay their past use tax liability without incurring penalties or interest. A no-interest payment plan is available to taxpayers with use tax liabilities exceeding \$1,000.

If you are unfamiliar with the use tax, some brief background: Use tax was passed into law in the 1930s as a companion tax to the

sales tax. In general, you either pay sales tax to a vendor or self-assess and remit use tax to the Ohio Department of Taxation for taxable purchases of tangible personal property or certain services used, stored or otherwise consumed in Ohio.

The department has developed a series of fact sheets explaining how use tax commonly applies in specific types of businesses such as construction contractors, manufacturing, retail and service-related enterprises.

For more information or to view the fact sheets, visit our Web site at **tax.ohio.gov** or call toll-free 1-800-304-3211, 8 a.m. until 5 p.m., Monday through Friday. We encourage you to take advantage of this amnesty opportunity to eliminate any overdue tax liabilities that you may have.

Read the instructions carefully and review your return before filing.

To avoid a delay in processing your tax return, please . . .

Make sure that you DO...

- Correct your address. If you use a tax preparer to file your return electronically, and you have moved since last year's filing, make sure that your current address is on file with the preparer.
- ♣ Use the correct tax form for the year you are filing. And be sure to enter the school district number for the taxable year for which you are filing your return.
- Include pages 1 and 2 when filing Ohio form IT 1040EZ. Place any other supporting documents or wage statements after the last page of your return.
- Include pages 1 and 2, and, if applicable, pages 3 and/or 4 when filing Ohio form IT 1040. Place any other supporting documents or wage statements after the last page of your return.
- ➡ Include page 3 of Ohio form IT 1040 if you are claiming any Schedule A adjustments on line 2 of Ohio form IT 1040. Complete line items on Schedule A if you have an adjustment. Be sure to fill in the total line for this schedule and send in all pages of the return.

- ♣ Include page 4 of Ohio form IT 1040 if you enter an amount greater than -0- on line 7 and/or line 13 of Ohio form IT 1040. Complete line items on Schedules B, C, D and/or line 66 if you have any credits. Be sure to fill in the total line for these schedules and send in all pages of the return.
- When making two-sided copies, make sure that pages 1 and 2 of Ohio form IT 1040 are on the same sheet of paper and that pages 3 and 4 are on the same sheet of paper.
- Check the <u>full-year resident</u> box on page 1 of Ohio form IT 1040 if you qualify as "resident military personnel stationed outside Ohio" and you are taking the line 37a deduction.
- ◆ Use the Ohio IT 40P voucher only to pay your individual income tax due.
- Sign your tax return and place your W-2(s), W-2G(s) and/or 1099-R(s) loose on top of page 1 of your return.
- Write legibly if you file a paper return.

Make sure that you DON'T ...

- ★ Include pages 2, 3 and 4 of Ohio form IT 1040 if you are filing IT 1040EZ.
- Staple checks and/or forms to your return.
- ★ Staple W-2(s), W-2G(s) and/or 1099-R(s) to your return.
- Use the Ohio form IT 40P voucher to pay your school district income tax due (instead, use Ohio form SD 40P).
- ★ Use the Ohio form SD 40P voucher to pay your individual income tax due (instead, use Ohio form IT 40P).

Go Paperless This Year: Have You Considered Filing Electronically?

Electronic filing has become the preferred method used by taxpayers, with more than 80% of all Ohio income tax returns filed electronically for taxable year 2011. The electronic options available for filing a 2012 income tax return are:

Online Services/Ohio I-File

Use your computer to file your Ohio individual and/or school district income tax returns.

IRS e-file

Use your tax software to file your tax returns or ask your tax preparer for assistance.

IRS e-file is a way to prepare and file your return electronically with the IRS and Ohio. More information, including a free federal e-filing program for qualified individuals, is available at www.irs.gov. You can also e-file through an approved, commercially available software program or you can have your return prepared and transmitted by an authorized tax professional. You may be required to pay fees to use these private services.

Direct Deposit Options for Electronic Filers

Direct deposit is fast, simple, safe and secure. For more information, see our information release entitled "Announcement of Direct Deposit Options for Ohio Income Tax Refunds," which is available on our Web site at tax.ohio.gov.

Taxpayers have the option to split direct deposits of their income tax refund in up to three accounts. File your return electronically using the Ohio I-File or IRS e-file method and have your refund deposited automatically into your checking or savings account as well as in an Individual Retirement Account or Annuity (IRA) or a preexisting program administered by the Ohio Tuition Trust Authority (OTTA).

The option to split the direct deposit in up to three accounts is not available if you file using the TeleFile method or if you paper file your return. However, you can still direct deposit your refund directly into your checking or savings account if you TeleFile.

You cannot request a deposit of your refund to an account that is not in your name (such as your tax preparer's account). The Ohio Department of Taxation is not responsible for a lost refund if you enter the wrong account information. Check with your bank or other financial institution in the United States (such as a mutual fund, brokerage firm or credit union) to get the correct routing and account numbers and to make sure your direct deposit will be accepted. Do not use the routing number on a deposit slip because it may be different from the routing number on your checks.

If you choose the Ohio I-File or IRS e-file method and you want us to directly deposit your tax refund in up to three of your accounts at a bank or other financial institution, you must tell us the order in which you want the deposits made.

Some financial institutions will not allow a joint refund to be deposited into an individual account. If the direct deposit is rejected, a

check will be sent instead. The Ohio Department of Taxation is not responsible if a financial institution rejects a direct deposit.

Important Tips

- Deposits cannot be made if your refund is less than \$1.
- If you do not elect direct deposit of your refund, you cannot request direct deposit at a later time. We will issue you a paper refund check.
- Deposits will be made in the same order that you specify.
- You cannot split your refund into a paper check and direct deposit.
- If you made an error on your return that results in a reduced refund, we will reduce the amount(s) in the last account(s) that is not an IRA or OTTA.
- If you made an error on your return that results in an increased refund, we will increase the amount in the first account that is not an IRA or OTTA.
- If the refund is increased and you only choose either an IRA account or an OTTA account, we will issue a paper check to you for the increased amount.

Payment Options for Ohio Personal and School District Income Tax

Several options are available for paying your Ohio and/or school district income tax. If you are remitting for both Ohio and school district income taxes, you must remit each payment as a separate transaction.

By law all tax is due on April 15, 2013 except for certain members of the military.

While the tax department is not authorized to set up payment plans, if you submit partial payments they will be applied to the outstanding balance. Partial payments will not stop the imposition of additional interest and penalties. Partial payments will also not stop our billing process from progressing, including possible referral of the account to the Ohio Attorney General's Office for collection; however, partial payments will reduce the amount of interest and penalties that you will be charged.

You may pay by any one of the following three methods:

Credit Card

You may use your Discover/NOVUS, VISA, MasterCard or American Express card to pay your income taxes. You may make the credit card payments by either visiting **tax.ohio.gov** or calling **1-800-2PAY-TAX** (1-800-272-9829). The Ohio jurisdiction code is 6446.

Whether you visit our Web site or pay by telephone, Official Payments Corporation will provide the credit card services. Official Payments Corporation will bill your credit card account a convenience fee equal to 2.5% (or \$1, whichever is greater) of the tax payment. The state of Ohio and your school district do not receive any portion of this fee.

When will my payment be posted? Your payment will be effective the date you charge it.

What happens if I change my mind? If you pay your tax liability by credit card and you subsequently reverse the credit card transaction, you may be subject to penalties, interest and other fees imposed by the Ohio Department of Taxation for nonpayment or late payment of your tax liability.

Whom should I call if I have a problem with my credit card payment? Call Official Payments Corporation toll-free at 1-866-621-4109.

How do I use my credit card and my <u>telephone</u> to pay my Ohio and/or school district income tax? Once you have determined how much you owe, follow the steps below:

➡ Electronic Check

You can eliminate writing a check for your Ohio and/or school district income tax due amount(s) by using the free, expanded electronic check payment option that is available to all taxpayers. If you make a payment using an electronic check, it is the equivalent of using a debit card to withdraw money directly from your checking or savings account.

The authorized amount will be withdrawn from your account within 24 hours unless you elect to delay payment. You can delay payment until the payment deadline of April 15, 2013.

When paying by electronic check, you must first determine your filing method:

- ✓ Ohio TeleFile Follow the payment instruction prompts that you receive during TeleFile (see page Tel 6, line 12 of the TeleFile worksheet).
- ✓ Ohio I-File Follow the payment instruction prompts that you receive during Ohio I-File.
- ✓ IRS e-file If you are electronically filing your Ohio individual income tax return and/or your school district income tax return using an approved software program, follow the

payment instruction prompts for making payments by electronic check.

✓ Paper Filing – If you are filing by paper (Ohio form IT 1040EZ or IT 1040 and/or Ohio form SD 100), you can still use the electronic check payment option. Go to our Web site at tax.ohio.gov.

You may also <u>file</u> and <u>pay</u> your quarterly **2013 Ohio and/or school** district estimated income tax with the electronic check method. Go to our Web site at tax.ohio.gov.

→ Paper Check or Money Order

If you do not want to use a credit card or electronic check to make your payment, you may send in a personal check or money order with the IT 40P payment voucher for your Ohio income tax and/or SD 40P payment voucher for your school district income tax. Both of these vouchers can be found on our Web site at **tax.ohio.gov.**

Where Should I Mail My Return and/or Payment?

See the chart below for mailing information. Be sure to sign your return before mailing. If you are enclosing a payment with your return, be sure to enclose Ohio form IT 40P or SD 40P (found on our Web site at **tax.ohio.gov**) with your check or money order. This will ensure proper crediting of your payment.

Who Must File an Ohio Income Tax Return?

Every Ohio resident and every part-year resident (see page 15 for a discussion of "residency status") is subject to the Ohio income tax. Every nonresident having Ohiosourced income must also file. Examples of Ohio-sourced income include the following:

- Wages earned in Ohio (see "Exception" below);
- · Ohio lottery winnings;
- · All Ohio casino gaming winnings;
- Income or gain from Ohio property;
- Income or gain from a sole proprietorship doing business in Ohio;
- Income or gain from a pass-through entity doing business in Ohio.

Exception: A full-year nonresident living in a border state does not have to file if the nonresident's only Ohio-sourced income is wages received from an unrelated employer.

You do <u>not</u> have to file an Ohio income tax return if...

- you are single <u>and</u> your federal adjusted gross income is less than or equal to \$11,700 <u>and</u> you have no Schedule A adjustments.
- you are married, filing jointly <u>and</u> your federal adjusted gross income is less than or equal to \$13,400 <u>and</u> you have no Schedule A adjustments.
- your exemption amount (line 4) is the same as or more than your Ohio adjusted gross income (line 3) <u>and</u> you have no Schedule A adjustments.
- your only source of income is retirement income that is eligible for the retirement income credit (line 48) and the credit is

Filing Requirements

the same or larger than your tax before credits (line 6).

When Do I Have To File?

For calendar year 2012 most taxpayers must file on or before April 15, 2013 (for exceptions, see "What if I Need More Time To File?" below and "Income Taxes and the Military" on page 14). Returns for fiscal year filers are due on the 15th day of the fourth month following the close of your taxable year. Even if you are unable to pay the full amount of tax, you must file your return by the due date.

What Tax Records Do I Need To Keep?

Keep a copy of your completed Ohio income tax return. Also keep copies of any documents and/or payment records that you used to prepare your return. Keep these records for at least four years from the later of the filing due date or the date that you filed the return. If the Ohio Department of Taxation audits your tax return, you must be able to prove all claims and items listed on your return.

What if I Need More Time To File?

If you need more time to file, you can extend the due date for filing. You must first qualify for an IRS extension of time to file. Ohio does not have an Ohio extension request form, but honors the IRS extension. You should include with the Ohio income tax return a copy of your IRS extension or your extension confirmation number or a printed copy of the IRS acknowledgment. An extension of time to file does not extend the time for payment of the tax due. So,

except as set forth below, you must make extension payments by April 15, 2013 on Ohio form IT 40P (available on our Web site at **tax.ohio.gov**). Interest will accrue on any tax not paid by April 15, 2013, and penalties also may apply.

Exception: Certain military personnel may have an additional extension of time to file <u>and</u> to pay (see "Income Taxes and the Military" on page 14).

What Form Should I Use To File My Taxes?

We encourage all Ohio taxpayers to file their income tax returns electronically. However, if you choose to file using the paper option you can use either Ohio form IT 1040EZ or IT 1040. See the chart below to determine which form is right for you.

How Do I Round to the Nearest Dollar?

Ohio law requires you to round to the nearest whole dollar. When completing the Ohio income tax return, drop any cents less than 50 cents and increase amounts from 50 cents to 99 cents to the next highest dollar.

Do Both Nonresident, Married Filing Jointly Taxpayers Have To Sign the Return?

General Rule: If your filing status on your IRS income tax return is married filing jointly and the exception discussed on page 11 does <u>not</u> apply, then <u>both</u> spouses must sign the Ohio income tax return (see "Filing Status" on page 15 for more information about your filing status for your Ohio income tax return).

If during 2012 you were a full-year or part-year Ohio domiciliary and you either lived in or were domiciled in one of these districts during all or part of the year, then by the due date for filing your Ohio income tax return you must also file an Ohio form SD 100. School District Income Tax Return. with the Ohio Department of Taxation. Do I Need To Enclose a Copy of My Federal Income Tax Return?

Enclose a copy of your federal income tax return if the amount shown on line 1 on page 1 of Ohio form IT 1040EZ or IT 1040 is zero or a negative amount.

Does Ohio Follow the Alternative Preparer Signature Procedures?

The Ohio Department of Taxation follows IRS Notice 2004-54, which provides for alternative preparer signature procedures for federal income tax paper returns that paid practitioners prepare on behalf of their clients. Paid preparers must follow those same procedures with respect to the follow-

ing Ohio paper returns: individual income tax, school district income tax, withholding tax (employer and pass-through entity) and corporation franchise tax. See Ohio Revised Code sections 5703.262(B) and 5747.08(F).

Exception: The paid preparer should <u>print</u> (rather than write) his/her name on the form if the taxpayer checks "Yes" to the question, "Do you authorize your preparer to contact us regarding this return?"

Can My Tax Preparer Contact the Tax Department About My Tax Return?

Yes. Just check the "Yes" box below your tax preparer's name on the bottom of page 2 of Ohio form IT 1040EZ or IT 1040. By checking the "Yes" box, you are authorizing your preparer to contact the Ohio Department of Taxation concerning questions that arise during the processing of your Ohio income tax return.

Checking "Yes" also authorizes your preparer to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of your refund or payments, and to respond to mathematical error notices, offsets and return preparation notices that you have received from the department and have shown your preparer.

Should I Make Estimated Tax Payments in 2013?

You have to make estimated Ohio income tax payments for year 2013 only if the sum of (i) your year 2012 overpayment credited to year 2013 (see line 24 on page 2 of form IT 1040) and (ii) your year 2013 Ohio income tax withholding is not equal to or greater than either of the following:

- 100% of the year 2012 Ohio income tax (see page 2 of Ohio form IT 1040: line 15 minus line 22); OR
- 90% of the year 2013 tax.

For purposes of these tests, you must reduce your year 2012 overpayment credited

to year 2013 by any year 2012 tax payment that you made after April 15, 2013.

If you don't meet either of the tests above, you must timely pay enough estimated Ohio income tax so that the sum of (i) your year 2012 overpayment credited to year 2013, (ii) your year 2013 withholdings and (iii) your timely made estimated Ohio income tax payments is not less than either of the two tests above.

Common examples of income sources that make quarterly estimated payments necessary are self-employment income, pensions, commissions, lump sum payments, capital gains, dividends, interest, alimony received or other sources of income not subject to withholding.

If you are required to make estimated payments and do not, you may be subject to an interest penalty on your underpayment of estimated taxes.

Quarterly estimated payments can be made electronically on our Web site at **tax.ohio.gov**. Or you can obtain Ohio form IT 1040ES from our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782.

Yes. Ohio law permits dependents who are claimed on their parents' tax return to claim themselves on their own tax return.

What if a Taxpayer Is Deceased?

The taxpayer's personal representative has to file and sign the return on behalf of the taxpayer who died. A personal representative can be the executor, administrator or anyone who is in charge of the deceased taxpayer's property.

Important:

- Use the same filing status as shown on the federal income tax return.
- Check the "Deceased" box after the applicable Social Security number on page 1 of the return.
- If you are filing on behalf of a deceased taxpayer, you can properly sign on his or her behalf by signing the deceased taxpayer's name on the "Your signature" line. Sign your name on the "Spouse's signature" line and print your title. Also include your daytime telephone number.
- We cannot rewrite a decedent's refund check by making it payable to the estate of the decedent.

What if I Move After Filing My Tax Return and I'm Due a Refund?

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

What if I Want a Receipt To Prove That I Paid?

Your cancelled check or credit card statement can be used as proof of our receipt

of your tax payment. If you make payment with a money order, be sure to keep a copy for your records.

How Do I Correct My Income Tax Return After I Have Already Filed?

Make any correction to your return (Ohio form IT 1040EZ or IT 1040) by filing an amended income tax return (Ohio form IT 1040X) for the year that you are correcting. To speed up the processing of your amended return:

- Include a copy of your W-2(s), W-2G(s) and 1099-R(s) if there was Ohio income tax withheld; AND
- Include documentation to support any adjustments to line items.

Ohio form IT 1040X is available on our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782. If you correct your federal income tax return or if you are audited by the IRS, you must file Ohio form IT 1040X within 60 days of the final determination of the IRS correction.

The IRS tells us about all changes it makes to your federal income tax return. To avoid penalties, be sure to file your amended income

tax return, Ohio form IT 1040X, within 60 days of the final determination of the federal change.

Do I Owe Penalties and Interest?

A <u>failure-to-file</u> penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to <u>file</u> your Ohio income tax return by the due date.

A <u>failure-to-pay</u> penalty of double the interest charged generally will apply if you do not <u>pay</u> the tax by April 15, 2013. However, this penalty does not apply if your total payments made by April 15, 2013 equal or exceed 90% of your total Ohio tax.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 14), interest is due from April 16, 2013 until the date the tax is paid.

If you file your return after the due date and if you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> your refund, if any, is greater than any tax you paid after

the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2013 is 3%.

How Should Investors in a Pass-Through Entity Report Income?

A pass-through entity is a partnership, S corporation or limited liability company treated as a partnership or an S corporation for federal income tax purposes. Unless the exception below applies, each investor in any pass-through entity doing business in Ohio must file Ohio form IT 1040.

Exception: Such investors do not have to file Ohio form IT 1040 if <u>all</u> of the following apply:

- the investor is a full-year nonresident;
 AND
- the pass-through entity files Ohio form IT 4708, annual composite income tax return, on behalf of the investor; AND
- the investor has no other Ohio-sourced income or, if the investor has other Ohiosourced income, that income is also reported on another Ohio form IT 4708.

How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?

Each full-year nonresident and each part-year resident who is engaged in business (as a sole proprietor or through a partnership, S corporation or limited liability company) in Ohio must apportion his/her business income inside and outside of Ohio. If you file Ohio form IT 1040, use Ohio form IT 2023 (income allocation and apportionment worksheet) from our Web site at **tax.ohio.gov** to determine the proper amount of credit to claim on Schedule D of Ohio form IT 1040. See page 15 for an explanation of "residency status."

What Is a Medical Savings Account and What Are the Qualifications?

A medical savings account is used to pay eligible medical expenses of the account-holder or the account-holder's spouse and/or dependents. A medical savings account can be opened by or on behalf of a person that participates in a sickness and accident plan, a plan offered by a health maintenance organization or a self-funded, employer-sponsored health-benefit plan pursuant to the federal *Employee Retirement Income Security Act.*

You must designate an administrator for the medical savings account at the time you open the account. Account-holders are generally permitted to withdraw the funds at any time for any reason. However, account administrators cannot return any funds deposited during the year of deposit except for reimbursement of eligible medical expenses. Any withdrawals for a nonqualifying medical purpose may result in increased Ohio taxes. An "eligible medical expense" includes any expense for a service rendered by or for an article, device or drug prescribed by a licensed health care provider or provided by a Christian Science practitioner. See line 43b on page 28 for a more detailed explanation.

What Is the Accident and Health Insurance Premium and What Are the Qualifications?

Ohio House Bill 1, effective beginning in taxable year 2010, allows the deduction from federal adjusted gross income (FAGI) of amounts used to pay for accident and health insurance premiums for the taxpayer and his/her dependents. This deduction is only available for taxpayers who are not eligible to participate in any subsidized medical care insurance plan offered by their employer and who are not eligible for Medicare or Medicaid. A subsidized health insurance plan is a plan where your employer, your spouse's employer, a retirement plan or Medicare pays any portion of the total premium for health insurance coverage. The deduction is not available to self-employed taxpayers because such taxpayers deduct all of their family accident and health insurance premiums on IRS form 1040 before arriving at FAGI.

House Bill 1 expands the definition of "dependent," for this provision only, to include those who would be a dependent under the Internal Revenue Code definition, without regard to the gross income test or the support test.

For purposes of **this deduction only.** "dependent" includes any of the following relationships to the taxpayer:

- A child or a descendent of a child.
- A brother, sister, stepbrother or stepsister.
- The father or mother, or an ancestor of either.
- A stepfather or stepmother.
- A son or daughter of a brother or sister of the taxpayer.
- A brother or sister of the father or mother of the taxpayer.

- A son-in-law, daughter-in-law, fatherin-law, mother-in-law, brother-in-law or sister-in-law.
- An individual (other than an individual who at any time during the taxable year was the spouse of the taxpayer) who, for the taxable year of the taxpayer, has the same principal place of abode as the taxpayer and is a member of the taxpayer's household.

"Dependent," for purposes of this deduction, does not include an individual who is not a citizen or national of the United States unless such individual is a resident of the United States or Mexico or Canada. Below are examples of taxpayers who can take this deduction:

Example 1: A husband and wife are both employed but neither of their employers offers a subsidized health insurance plan. Neither the husband nor wife is eligible for Medicare or Medicaid. They pay \$8,000 per year in premiums for accident and health insurance. They did not deduct any portion of the \$8,000 premium as an itemized deduction on their federal tax return. If their federal adjusted gross income as shown on line 1 of Ohio form IT 1040 is \$50,000, they can include the \$8,000 of premiums on line 8 of the worksheet on page 27. The taxpayer will enter on line 2 of Ohio form IT 1040 the eligible amount from Schedule A. line 43a and the net amount from Schedule A. line 47.

Example 2: A taxpayer purchases an accident and health insurance plan for herself and her 30-year-old sister. Neither the taxpayer nor her sister is eligible for Medicare or Medicaid, and neither is employed by an employer that offers a subsidized health insurance plan. The taxpayer earns \$65,000 per year and pays accident and health insurance premiums of \$8,000 per year. The taxpayer did not deduct any portion of the \$8,000 premium as an itemized deduction on her federal tax return. Her sister earns \$20,000 per year, lives in her own home and pays for her own support. Although her sister is not a dependent for any other purpose, she is a dependent in determining the deductibility of premiums paid for an accident and health insurance plan. This is because the income test and support test in the definition of "qualifying relative" (Internal Revenue Code section 152) are disregarded for this purpose. Therefore, the taxpayer can include the \$8,000 on line 8 of the worksheet on page 27.

Separate from the Ohio tax provisions, but having an impact in the same area, are recent changes to Ohio and federal insurance laws that have been amended to raise the age of adult children who can be covered by the parents' accident and health policies. Ohio House Bill 1 requires accident and health insurance companies to offer coverage for adult children of policyholders up to age 28. The federal Patient Protection and Affordable Care Act. 111 PL 148, allows exclusion from FAGI of amounts paid for accident and health insurance premiums for the taxpayer, spouse, dependents and adult children who have not attained the age of 27.

In the following examples, the taxpayer **cannot** take the deduction:

Example 1: A taxpayer has a health care insurance plan through her employer. She also has coverage for her 24-year-old son, which the insurance company provides pursuant to the provisions of Ohio House Bill 1. The health care insurance premium for this coverage is \$265 every two weeks, of which \$100 is deducted from the taxpayer's pay and \$165 is paid by her employer. The taxpayer **cannot** include the insurance premiums payments on line 8 of the worksheet because amounts paid by the taxpayer for an employer-subsidized accident and health plan are not deductible.

Example 2: A taxpayer who is a self-employed independent contractor purchases an accident and health insurance plan for himself, his wife and his 25-year-old daughter. The taxpayer is a sole proprietor and earns a net profit of \$100,000. He pays accident and health insurance premiums of \$10,000 a year. The company does not offer health insurance coverage for his employees. His daughter works with him and is paid an annual salary of \$25,000, lives in her own home and is self-supporting. The taxpayer cannot include the \$10,000 on line 8 of the worksheet on page 27 because the taxpayer took the deduction on line 29 of the IRS return for health insurance premiums paid by self-employed individuals.

Income Taxes and the Military

State and federal income tax laws contain special provisions for members of the military and their families. Details on some of the major issues facing military families during the income tax filing season can be found below.

For more details regarding income taxes and the military, visit our Web site at tax.ohio.gov.

You can also reach us by e-mail at Military-Info@tax.state.oh.us.

Key Issues

Ohio Resident Military Personnel

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district.

For an additional explanation, see page 24.

Resident Military Personnel Stationed Outside Ohio

Although military pay earned while on active duty and stationed outside of Ohio is exempt from Ohio income tax and may be deducted to the extent that it is included in federal adjusted gross income, you are still required to file an Ohio personal income tax return.

Ohio Revised Code section 5747.01(A) (24) provides that for taxable years beginning on and after Jan. 1, 2007, an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised

Code 5103.20, Article II, Subparagraph (U), that is, it means the military installation where an active duty servicemember - or, concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces - is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed." However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described on page 24, qualify a servicemember for this exemp-

For an additional explanation, see pages 15 and 24.

Nonresident Military Servicemembers and Their Spouses

A November 2009 federal law exempts military spouses who are not residents of a state where they are living with their spouse from the income taxes of the state, provided they are a resident of the same state as their spouse. However, nonresident military and nonresident spouses serving in Ohio are strongly encouraged to file Ohio form IT 10 each year to avoid a possible billing notice from the state of Ohio. You must also file by May 31, 2013, Ohio form IT DA, Affidavit of Non-Ohio Residency/Domicile for Taxable Year 2012. Ohio form IT 10 and the affidavit are available on our Web site at tax.ohio.gov.

For an additional explanation, see page 24.

Ohio National Guard and Reserves

Ohio resident members of the Ohio National Guard and reserves are entitled to the deduction for military pay received while stationed outside the state, if eligible.

Also, resident members of the Ohio National Guard and reserves are eligible for

certain tax extensions and other benefits, if stationed in a combat zone. The military retirement pay received for Ohio National Guard and reserves service is also exempt from Ohio income taxes.

For an additional explanation, see page 24.

Military Retirement Income

Retirement pay received for service on military active duty or the Ohio National Guard or reserves, as well as pay received by a surviving spouse through the Survivor Benefit Plan, has been exempt from the Ohio income tax since 2008.

For an additional explanation, see page 25.

Military Injury Relief Fund

You do not have to include in federal adjusted gross income any military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operation Enduring Freedom. But you must include in federal adjusted income any other military injury relief fund amounts you received. These amounts are deductible for Ohio adjusted gross income.

For an additional explanation, see page 25.

Ohio Resident Veterans Bonus

You do not have to include in federal adjusted gross income any bonuses that the Ohio Department of Veterans Services paid to, or made on behalf of, resident veterans of the Persian Gulf, Afghanistan and Iraq conflicts during the taxable year.

Payments that the state of Ohio makes under the Ohio Veterans Bonus Program are excludable from the recipient's federal gross income. Therefore, the taxpayer cannot deduct from Ohio adjusted gross income any portion of the bonus because no portion of the bonus is included in federal adjusted gross income.

Completing the Top Portion of Ohio Forms IT 1040EZ and IT 1040

How To Complete Your Income Tax Return

Ohio forms IT 1040EZ and IT 1040 have been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

- 1. Use black ink ONLY.
- 2. Use this form **ONLY** for the taxable year **2012**.
- 3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes on the far right of the return, which designate cents (.00).
- 4. Print your numbers and letters (UPPER-CASE only) inside the boxes as shown below:

123 ANY STREET

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Name(s), Address and Social Security Number(s). Enter your name and address on page 1 and your Social Security number on pages 1 and 2 (if applicable, pages 3 and/or 4 of your Ohio form IT 1040) of your return (if married filing jointly, also enter your spouse's name and Social Security number on page 1).

E-mail Address. Enter your e-mail address on page 1 of the return. Make sure all the characters are legible.

County

If your home address is an Ohio home address, indicate on page 1 of the return the county for that address. Otherwise, leave this line blank.

Ohio Residency Status

If your filing status is married filing jointly, each spouse must indicate his/her residency.

 Resident. Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were a full-year resident of Ohio. Mark this box if you qualify as "resident military personnel stationed outside Ohio" and you are taking the line 37a deduction.

- Part-year Resident. Mark this box if you permanently moved into or out of Ohio during 2012, not counting being away temporarily. Part-year residents should use the nonresident/part-year resident credit in Schedule D for income earned while they were a resident of another state (see page 31).
- Nonresident. Mark this box if you resided outside of Ohio all year. Write the two-letter abbreviation of the state where you resided for 2012 in the space provided. For more information, see our information release 2007-08 entitled "Personal Income Tax: Residency Guidelines," which is available on our Web site at tax.ohio.gov.

Nonresidents who earn and receive all income outside of Ohio will not have an Ohio tax liability. Nonresidents who earn or receive some income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned and not received in Ohio.

Military Personnel. If you are currently a member of the military and you have questions about your residency status, see page 14 for a detailed explanation regarding some of the key issues facing military families during the income tax filing season.

Filing Status

Your filing status must be the same as your federal income tax filing status for 2012 with the following exception: If you marked the box labeled "Qualifying widow(er) with dependent child" on your federal income tax return, then mark the "Single or head of household or qualifying widow(er)" box on your Ohio income tax return.

If you and your spouse filed a joint federal income tax return, you <u>must</u> file a joint Ohio income tax return. Even if you are both Ohio nonresi-

dents, if you filed a joint federal income tax return, you must file a joint Ohio income tax return, but you may claim the nonresident credit (Schedule D) for income neither earned nor received in Ohio. If you and your spouse filed separate federal income tax returns, you must file separate Ohio income tax returns.

Ohio Political Party Fund

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund can only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get-out-the-vote campaigns not related to any particular candidate or election.

If your filing status is single or head of household, qualifying widow(er) or married filing separately and your tax (line 15 of Ohio form IT 1040EZ or line 18 of IT 1040) is \$1 or more, you can choose to have \$1 go to this fund by checking the "Yes" box on the return. If your filing status is married filing jointly and your tax (line 15 of Ohio form IT 1040EZ or line 18 of IT 1040) is \$2 or more, each of you can choose to have \$1 go to this fund by checking the "Yes" boxes on the return. Checking "Yes" will neither increase the tax due nor reduce the refund shown on your return.

Ohio School District Number

Every Ohio public school district has an identification number. These numbers are listed on pages 43-48. Look up the number for the Ohio school district in which you were domiciled for the majority of the year and write it in the space provided. Nondomiciliaries should enter 9999.

If you were domiciled in a taxing school district during 2012, you are required to file Ohio form SD 100. If you are unsure of your Ohio school district, use The Finder on our Web site as described on page 42.

What Is the Difference Between Income Tax Table 1 and Income Tax Table 2?

Income Tax Table 1, which begins on page 35, shows the tax amount for \$50 increments of income. The tax is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2, which is shown on page 41.

Enter the number of your personal and dependent exemptions in the space provided on line 4 and multiply this number by \$1,700.

EZ Line 5 – Ohio Taxable Income

Subtract line 4 from line 3. If the amount on line 3 is less than line 4, enter -0- on line 5. You do not owe any Ohio income tax. If you had Ohio income tax withheld, you <u>must</u> complete the rest of the return to get a refund.

Note: If the amount on this line is \$10,000 or less, you owe no tax. Be sure to enter the \$88 credit on line 7.

EZ Line 6 – Tax on Line 5

Using the income tax tables on pages 35-41, calculate your tax on your Ohio taxable income (line 5).

• If your taxable income is less than \$100,000, your tax has been calculated for you as shown on Income Tax Table 1, or you can use Income Tax Table 2.

If your taxable income is \$100,000 or more, you <u>must</u> use Income Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

EZ Line 9 – Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 9.

EZ Line 11 – Joint Filing Credit

To qualify for this credit, you and your spouse must <u>each</u> have qualifying Ohio adjusted gross income of at least \$500 after you have figured

your Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, gambling income, military retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650 (see the following examples).

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 2 and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500 or more not deducted on line 2, he and Sue would qualify for the credit.

If you do <u>not</u> qualify for the joint filing credit, enter -0- on line 11. If you <u>do</u> qualify for the joint filing credit, calculate it this way:

Worksheet for Line 2 – Deductions for State and Local Income Tax Refunds

If you filed <u>IRS form 1040</u>, you may be entitled to a deduction on your Ohio tax return this year for state or local income tax refunds you received in 2012. You are <u>not</u> entitled to a deduction this year if you filed <u>IRS form 1040A or 1040EZ</u>. Complete this worksheet to determine if you are entitled to a deduction on line 2 of Ohio form IT 1040EZ.

- a. Did you file a 2012 IRS form 1040A or 1040EZ?
 Yes. STOP and enter -0- on line 2 of Ohio form IT 1040EZ.
 No. Complete line b below.
- b. Enter here and on line 2 of Ohio form IT 1040EZ the amount from line 10 of your **2012** IRS form 1040. \$.00

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$303, then the joint filing credit will be \$61:

\$303 – from line 10a x .20 – from table above

Joint filing credit = \$61 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you **must** include with the return a separate statement explaining the income that qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

EZ Line 13 – Interest Penalty

If line 12 minus the withholding shown on line 16 is \$500 or less, enter -0- on line 13. If line 12 minus the withholding shown on line 16 is greater than \$500, you may owe an interest penalty. You must complete Ohio form IT/SD 2210 to determine if a penalty is due. This form is available on our Web site at **tax.ohio.gov.**

EZ Line 14 – Unpaid Use (Sales) Tax

Use line 14 of Ohio form IT 1040EZ to report the amount of unpaid use (sales) tax, if any, that you may owe from out-of-state

purchase(s) that you made in 2012 (for example, mail order or Internet purchases). Complete the worksheet on page 33. A detailed explanation of the Ohio use tax is on page 32.

EZ Line 16 – Ohio Income Tax Withheld

Enter the total amount of Ohio income tax withheld. This is normally shown on your tax statement form (W-2, box 17; W-2G, box 14; or 1099-R, box 12). See the sample W-2 and W-2G on page 16 and the sample 1099-R on page 17.

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) or 1099-R(s) on top of Ohio form IT 1040EZ. Do not staple, tape or glue.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, use Ohio form IT 1040 and see line 21b on page 22.

EZ Line 18 – Donations

A donation will reduce the amount of the refund that you are due. If you decide to donate, this deci-

sion is final. If you do not want to donate, leave lines 18a-d blank. If you do not have an overpayment on line 17 but you want to donate, you may do so by writing a check and mailing it directly to the fund. See page 34 for more information.

EZ Line 21 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 14), interest is due from April 16, 2013 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> the refund, if any, shown on line 23 is more than any tax

you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2013 is 3%.

Penalty may be due on late-filed returns and/or late-paid tax. For more information, see page 12.

EZ Line 22 – Amount Due Plus Interest and Penalty

Add lines 20 and 21 to calculate the amount you owe.

- Do not mail cash.
- Make payment by electronic check or credit card (see page 8); OR
- Make your paper check or money order payable to Ohio Treasurer of State. Write your Social Security number on your paper check or money order and include Ohio form IT 40P (see our Web site at tax.ohio.gov) and your payment with Ohio form IT 1040EZ.

If you cannot pay the amount you owe, you still must file the return by April 15, 2013 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 14). For additional information regarding payments, see page 8.

EZ Line 23 - Your Refund

This is your refund after any reduction on line 21. If line 21 is more than the overpayment shown on line 19, you will have an amount due. Enter this amount on line 22 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-ad-

dress form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

Line Instructions for Ohio Form IT 1040

Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2012 federal income tax return:

IRS form 1040, line 37 OR

IRS form 1040A, line 21 OR

IRS form 1040EZ, line 4 OR

IRS form 1040NR, line 36 OR

IRS form 1040NR-EZ, line 10.

In all cases, line 1 of your Ohio income tax return must match your federal adjusted gross income as defined in the Internal Revenue Code. There are

no exceptions to this requirement. Federal adjusted gross income includes, but is not limited to, wages, salaries, commissions, gambling income, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of a penalty.

Zero or Negative Federal Adjusted Gross Income. If you have a zero or negative federal adjusted gross income, you must include a copy of page 1 of IRS form 1040, 1040A, 1040EZ, 1040NR, 1040NR-EZ or 1042-S or equivalent with your Ohio form IT 1040 return.

Nonresident Taxpayers. If you and/or your spouse are not residents of Ohio and your filing status for federal income tax purposes is married filing jointly, then you must show the same adjusted gross income as on your federal income tax return. You must show this amount even if you or your spouse did not earn or receive any income in Ohio. See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is on our Web site at tax.ohio.gov.

Line 2 – Ohio Adjustments

Schedule A (lines 31-47) on page 3 of Ohio form IT 1040 lists the additions and deductions to your federal adjusted gross income. See pages 23-29 to read about the adjustments you must make.

- If you have no additions or deductions to your Ohio income, leave line 2 blank.
- Any additions or deductions listed on line 2 must be supported by the applicable Schedule A line item(s) on page 3 of this return. Copy the net adjustments from line 47 to line 2 of this return (enclose page 3 of Ohio form IT 1040).

Important: If you show any amount on this line other than -0-, you must include page 3 when you mail your return.

Line 4 – Personal and Dependent Exemptions

Personal Exemptions. You can claim a personal exemption of \$1,700 for yourself and, if filing a joint return, your spouse can claim an additional \$1,700.

Dependent Exemptions. Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal income tax return. You can claim a \$1,700 deduction for each dependent.

What Personal Exemptions and Dependent Exemptions Can I Claim? You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your federal income tax return with the following exception:

 Children being claimed as dependents on their parents' Ohio income tax return can also claim the \$1,700 personal exemption on their own Ohio income tax return.

Enter the number of your personal and dependent exemptions in the space provided on line 4 and multiply this number by \$1,700.

Line 5 – Ohio Taxable Income

Subtract line 4 from line 3:

 Your exemption amount on line 4 may be more than your Ohio adjusted gross income on line 3. If so, enter -0- on lines 5 through 16. If you had Ohio income tax withheld or made an estimated or extension payment, you must complete and file this return to receive any overpayment.

Note: If the amount on this line is \$10,000 or less, you owe no tax. Be sure to enter the \$88 credit on line 53 and complete Schedule B. Enter on line 7 the amount you show on line 57 and enclose page 4 of Ohio form IT 1040.

Line 6 – Tax on Line 5

Using the income tax tables on pages 35-41, calculate your tax on your Ohio taxable income (line 5).

- If your taxable income is less than \$100,000, your tax has been calculated for you as shown in Income Tax Table 1, or you can use Income Tax Table 2.
- If your taxable income is \$100,000 or more, you <u>must</u> use Income Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all

of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

Line 7 – Nonbusiness Credits from Schedule B

Schedule B on page 4 of the Ohio form IT 1040 return has a list of the nonbusiness credits that you may be allowed to take. See pages 29-32 to read about the credits for which you may be eligible.

If you can claim any of these credits, you will need to complete Schedule B. Enter on line 7 the total credits from line 57 (enclose page 4 of Ohio form IT 1040).

Important: If you show any amount on this line other than -0-, you must include page 4 when you mail your return.

Line 9 - Exemption Credit

Multiply your total number of personal and dependent exemptions by \$20 and enter the amount on line 9.

Line 11 – Joint Filing Credit

To qualify for this credit, you and your spouse must <u>each</u> have qualifying Ohio adjusted gross income of at least \$500 after you have figured your

Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, gambling income, military retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650 (see the following examples).

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 38a and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500 or more not

deducted on Schedule A, he and Sue would qualify for the credit.

If you **do** <u>not</u> qualify for the joint filing credit, enter -0- on line 11. If you <u>do</u> qualify for the joint filing credit, calculate it this way:

If your Ohio taxable income (line 5) is:	Your credit is:
\$25,000 or less	20% of line 10a
More than \$25,000, but not more than \$50,000	15% of line 10a
More than \$50,000, but not more than	
\$75,000	10% of line 10a
More than \$75,000	5% of line 10a
The credit is limited t	o a maximum of

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$303, then the joint filing credit will be \$61:

\$303 – from line 10a x .20 – from table above

\$650.

Joint filing credit = \$61 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you **must** include with the return a separate statement explaining the income that qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

Line 14 – Manufacturing Equipment Grant

For taxable years ending on or after July 1, 2005, the Ohio Revised Code section 5747.31 manufacturer's credit converts to a grant administered by the Ohio Development Services Agency. For taxable years ending before July 1, 2005, the credit continues to apply.

The manufacturer's grant applies to each sole proprietor who purchased new manufacturing machinery and equipment during the qualifying purchase period of July 1, 1995 to June 30, 2005. The manufacturer's grant also applies to each taxpayer having an interest in pass-through entities that purchased new manufacturing machinery and equipment during the qualifying purchase period of July 1, 1995 to June 30, 2005. In all cases, the taxpayer or the

pass-through entity must have installed the new manufacturing machinery and equipment in Ohio no later than June 30, 2006.

The grant is claimed as a direct reduction to the taxpayer's 2012 Ohio income tax liability and is nonrefundable. The concepts, definitions and computations that apply to the credit also apply to the grant.

If the taxpayer's taxable year ended on or after July 1, 2005, the grant applies not only to the qualifying new manufacturing machinery and equipment purchased during the period of Jan. 1, 2005 to June 30, 2005, but also to qualifying equipment purchased in 2004 and earlier purchase years. Thus, for each taxpayer whose taxable year ended on or after July 1, 2005, the grant applies to (i) the 1/7 amounts from 2005 qualifying purchases, (ii) the 1/7 amounts from pre-2005 qualifying purchases for which the taxpayer claimed the manufacturer's credit on prior years' income tax returns and (iii) unused credit carryforwards (limited to a three-year carryforward period).

If a C corporation elected S corporation status and at the time of the election the C corporation would have been able to claim the manufacturing credit or grant, then those individuals who owned the stock in the corporation at the time of the election can claim the grant for "unused" manufacturing credits. For purposes of claiming the grant, unused manufacturing credits include both the (i) unused 1/7 amounts that would have been available to the C corporation in each of the next six franchise tax years had the C corporation not made the "S" election and (ii) unused carryforward amounts that would have been available to the C corporation in each of the next three franchise tax years had the C corporation not made the "S" election.

Note: The grant applies only if both of the following conditions are met:

- The taxpayer files a grant request form with the taxpayer's 2012 individual Ohio income tax return. The grant request form is available on our Web site at tax.ohio.gov; AND
- The purchaser of the qualifying new manufacturing machinery and equipment filed a <u>notice of intent</u> with the Ohio Development Services Agency by the date of the taxpayer's timely filed Ohio tax return, including extensions, for the taxpayer's taxable year that included Sept. 30, 2005. However, a timely filed notice of the intent to claim

the credit constitutes a timely filed notice of the intent to claim the grant.

Line 16 - Interest Penalty

If line 15 minus the sum of line 19 and your 2011 overpayment credited to 2012 is \$500 or less, enter -0- on line 16. If line 15 minus the sum of line 19 and your 2011 overpayment credited to 2012 is greater than \$500, you may owe an interest penalty. If you did not make any out-of-state purchases during 2012, enter -0- on line 17. If you did make any out-of-state purchase during 2012 and if you paid **no** sales tax on that purchase, then you are required to complete the use tax worksheet on page 33 to determine the amount of Ohio use tax you owe (which is the sales tax on that purchase).

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) or 1099-R(s) on top of Ohio form IT 1040. Do not staple, tape or glue.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, see line 21b on page 22.

credited to 2012 from your 2011 Ohio form IT 1040. line 24.

- You <u>cannot</u> claim as an estimated payment a prior year's refund that you requested but did not receive. Instead, contact us about any refund you requested but did not receive.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line estimated taxes paid by a passthrough entity. For proper reporting of the amount of tax paid on your behalf by a pass-through entity, see line 21b below.

Line 21a – Refundable Business Jobs Credit

If the Ohio Tax Credit Authority of the Ohio Development Services Agency (ODSA) has granted you this credit for 2012, you should enter the certified amount on line 21a. This amount is considered a payment that can be refunded in whole or in part if your total payments on line 22 exceed the amount shown on line 18. Line 28 - Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 14), interest is due from April 16, 2013 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> the refund, if any, shown on line 30 is more than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a

filing extension. The interest rate for calendar year 2013 is 3%.

Line 33q – Accelerated Depreciation

For tax years 2012 and thereafter, add 2/3, 5/6 or 6/6 of the Internal Revenue Code section 168(k) bonus depreciation allowed under the Internal Revenue Code in effect on Dec. 15, 2010. Also add 2/3, 5/6 or 6/6 of the excess of the Internal Revenue Code section 179 depreciation expense allowed under the Internal Revenue Code in effect on Dec. 15, 2010 over the amount of section 179 depreciation expense that would have been allowed based upon Internal Revenue Code section 179 in effect on Dec. 31, 2002. A line 33g add-back may not be required for certain employers whose increase in income tax withholding from the prior year is equal to or greater than the sum of sections 168(k) and 179 depreciation allowed. See Ohio Revised Code section 5747.01(A)(20) as amended by the 129th General assembly in HB 365

and our information release IT 2002-02 entitled "Ohio Bonus Depreciation Adjustments," which is available on our Web site at tax.ohio.gov.

Any income item amounts you deduct on lines 35a-45 must be included in your federal adjusted gross income and must be included on line

1 of the Ohio income tax return.

You cannot deduct on Schedule A any item already deducted in arriving at the federal adjusted gross income amount you show on line 1 of the Ohio income tax return.

Line 35a – Federal Interest and Dividends

Enter interest and dividend income (included in line 1) from obligations issued by the United States government or its possessions/territories that are exempt from Ohio tax by federal law. Examples include U.S. savings bonds (Series E, EE, H or I), Treasury notes, bills and bonds, and Sallie Maes.

Examples of interest income that are **not** deductible:

- Interest paid by the IRS on a federal income tax refund.
- Interest income from Fannie Maes or Ginnie Maes.

For a more complete listing, see our information release IT 1992-01 entitled "Exempt Federal Interest Income," which is available on our Web site at tax.ohio.gov.

Line 35b – Depreciation Expense

Deduct 1/2, 1/5 or 1/6 of the Internal Revenue Code sections 168(k) and 179 depreciation adjustments that you added back on your previous Ohio income tax returns. You can take this deduction even if you no longer directly or indirectly own the asset.

Note: These deductions cannot be taken to the extent that your sections 168(k) and 179 depreciation expenses increased a federal net operating loss carryback or carryforward. If a deduction is not available for this reason, you may carry forward the amount not deducted for Ohio purposes and deduct it during a future year. See Ohio Revised Code section 5747.01(A)(20) as amended by the 129th General assembly in HB 365 and our information release IT 2002-02 entitled "Ohio Bonus Depreciation Adjustments," which is available on our Web site at tax.ohio.gov.

Line 36 – Residents of Neighboring States and Nonresident Military Personnel and Their Spouses

Because of reciprocity agreements that Ohio has with the border states of Indiana, Kentucky, West Virginia, Michigan and Pennsylvania, you do not have to file an Ohio income tax return if the following two conditions apply:

- You were a full-year resident of one of these states; AND
- Your only source of income within Ohio was from wages, salaries, tips or other employee compensation.

If Ohio income tax was withheld on this income and you meet the two conditions set forth above, you can file an Ohio income tax return to get a full refund. Enter the amount from line 1 onto line 2 and onto line 36, Schedule A. Be sure to include page 3 of Ohio form IT 1040 when you send in your return.

Exceptions: Nonresidents and part-year residents must enter -0- on line 36 if either of the following circumstances applies:

- You were a part-year resident of Ohio or you had additional sources of income from Ohio or do not meet the two conditions set forth above. If so, you must file Ohio form IT 1040 and claim the nonresident/ part-year resident credit on Schedule D; OR
- 2. The reciprocal agreements do not apply. These agreements do not apply to you if you own directly or indirectly at least 20% of a pass-through entity having nexus in Ohio. Ohio Revised Code section 5733.40(A)(7) reclassifies compensation from such pass-through entities to a distributive share of the income from the pass-through entity. You must claim the nonresident/ part-year resident credit on Schedule D. Also, see "How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?" on page 12.

Nonresident Military Personnel and Their Spouses. The Servicemembers Civil Relief Act of 2003, as amended in 2009, is a federal law that provides that a state cannot consider a servicemember or his/her spouse to be a resident or a nonresident simply because he/she is present in the state — or absent from the state — due to military orders of the servicemember. Additionally, the 2009 amendment to the act provides that the wage and salary income of the nonresident spouse of a servicemember is exempt from the income tax of the state in which the servicemember and spouse

are stationed and living, provided that the servicemember and spouse are residents of the same state. This provision does not apply to taxable years prior to 2009.

Military payroll authorities will generally withhold income tax for the state of legal residence shown on the servicemember's federal form DD 2058. A servicemember who had state income tax withheld in error should have the military payroll authorities correct the state of legal residence shown on his/her federal form DD 2058. A servicemember's nonresident spouse who had Ohio income tax withheld and who claims exemption under the 2009 amendment to the Servicemembers Civil Relief Act of 2003 should file an Ohio income tax return claiming a refund. Free electronic filing of Ohio income tax forms is available at tax.ohio.gov through our Income Tax Online Services.

Line 37a – Military Pay for Ohio Residents

Ohio Revised Code section 5747.01(A)(24) provides that for taxable years beginning on and after Jan. 1, 2007 an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio. Do not deduct on this line any other types of income such as civilian wages, interest, dividends and capital gains.

Note: The Nov. 11, 2009, amendment to the *Servicemembers Civil Relief Act of 2003* described in line 36 does not apply to Ohio-domiciled spouses of servicemembers who reside with their spouses outside the state. These spouses are presumed to retain their Ohio domicile.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised Code 5103.20. Article II. Subparagraph (U), that is, it means the military installation where an active duty servicemember - or. concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces - is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed."

However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described below, qualify a servicemember for this exemption.

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district – even if the servicemember did not reside in the school district at any time during the taxable year.

Examples of military pay and allowances that <u>do</u> qualify for this deduction include the following amounts, but only if the tax-payer receives the amounts while he/she is stationed outside Ohio:

- Military pay and allowances received while a member of the active component of the U.S. armed forces and assigned to a permanent duty station outside Ohio.
- Military pay and allowances received while a member of the active component of the U.S. Armed Forces, who is assigned to a permanent duty station inside Ohio, only for periods of duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of the Ohio National Guard or the reserve components of the U.S. Armed Forces in an active duty status outside Ohio, or for periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of a unit of the Ohio National Guard or the reserve components of the U.S. Armed Forces under federal mobilization orders under which the unit mobilizes for training at a non-Ohio location followed by an operational deployment to any non-Ohio location.
- Military pay and allowances received by cadets at the U.S. service academies, specifically the Military Academy, the Air Force Academy, the Coast Guard Academy and by midshipmen at the Naval Academy. Cadets and midshipmen are serving on active duty under the provisions of 38 United States Code section 101(21) and are eligible for this deduction for the pay they receive while stationed at these facilities to the extent that this pay is included in federal adjusted gross income (line 1 of Ohio form IT 1040). However, this deduction is not available for pay received for service in the Reserve Officer Training Corps.

Examples of military pay and allowances that do <u>not</u> qualify for this deduction are explained in our information release IT 2008-02 entitled "Military Taxpayer Guide to Taxable Income and Deductions," which is available on our Web site at **tax.ohio.gov**.

Line 37b – Military Retirement Income and Military Injury Relief Fund

Military Retirement Income. Taxpayers who retired from the active or reserve components of the U.S. Army, Navy, Air Force, Marine Corps, Coast Guard or National Guard can deduct their military retirement income to the extent that income is not otherwise deducted or excluded in computing federal or Ohio adjusted gross income.

Taxpayers who served in the military and receive a federal civil service retirement pension are also eligible for a limited deduction if any portion of their federal retirement pay is based on credit for their military service. These retirees can deduct only the amount of their federal retirement pay that is attributable to their military service.

If you are eligible for this limited deduction, refer to your federal civil service retirement benefit handbook to determine the number of years of your military service. Divide the number of years of military service by the total number of years of combined military service and civilian employment with the U.S. government. Take this fraction and multiply it by the amount of your federal civil service pension you have included on line 1 of this return. The resulting number is the amount of your federal civil service pension that you can deduct on line 37b.

Example: Included on line 1 of Ohio form IT 1040 is \$60,000, which the taxpayer received as a federal civil service pension. The taxpayer has 15 years of military service and 45 years of combined military service and civilian employment with the U.S. government. The fraction is 15/45 = 1/3. The taxpayer can deduct \$20,000 on line 37b: 1/3 X \$60,000.

If you do not have your federal civil service retirement handbook, contact the U.S. Office of Personnel Management (OPM) at 1-888-767-6738 or TDD 1-800-878-5707. You can also e-mail OPM at retire@opm.gov or use its Web site at www.opm.gov/retire to request the booklet. It's important that you specify that you want a replacement booklet (there are other types). An OPM customer service representative will tell you how much military and total service time you have in your retirement calculation and can mail you a screen print or short form letter with the information.

The military retirement income also applies to such amounts received by the surviving spouse or the former spouse of each military retiree who is receiving payments under the Survivor Benefit Plan.

We may later ask you for a copy of the divorce agreement and federal form 1099-R as verification for the deduction. **Note:** Child support receipts, regardless of the source, are not included in federal adjusted gross income, so you cannot deduct these amounts.

Military Injury Relief Fund. Also enter on this line military injury relief fund amounts that you reported on line 1 (federal adjusted gross income). You do not have to include in federal adjusted gross income, and you cannot enter on line 37b, those military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operation Enduring Freedom. But you must include on lines 1 and 37b any other military injury relief fund amounts you received.

Line 38a – State or Municipal Income Tax Overpayments

Did you file a 2012 IRS form 1040A or 1040EZ? If "Yes," you do not qualify for this deduction.

If you filed an IRS form 1040, then you may be eligible for the state or local income tax refund deduction on line 38a.

Refer to line 10 of your 2012 IRS form 1040 and enter this amount. If line 10 is blank, you are not entitled to this deduction.

Line 38b – Refund or Reimbursement for Itemized Deductions

Deduct refunds or reimbursements of expenses you originally deducted on a prior year federal income tax return if the following conditions are met:

- The refund or reimbursement was included in your federal adjusted gross income on your 2012 federal income tax return, form 1040. line 21: AND
- The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior year federal income tax return.

Example: Sue claimed an itemized deduction of \$500 for medical expenses on her 2011 federal income tax return. In 2012 she received a medical expense reimbursement for \$200 from her insurance company, and she reported the \$200 on line 21 of her 2012 federal income tax return. Sue is

entitled to deduct the \$200 reimbursement on line 38b of this return.

Line 38c – Repayment of Income Reported

Enter on this line any amount of income that you paid back in a subsequent year if that amount meets the following three requirements:

- For federal income tax purposes you claimed either (i) an itemized deduction on Schedule A of your 2012 federal income tax return for the amount repaid OR (ii) a tax credit on your 2012 federal income tax return based upon the amount repaid; AND
- You do not deduct this amount on any other line on your Ohio tax return for this year or any other year; AND
- In the year you received the income, the income did not qualify for either the resident or nonresident/part year resident credits on Schedules C or D of your Ohio income tax return.

For information about miscellaneous federal tax adjustments, see our Web site at tax.ohio.gov.

Line 39 – Disability and Survivorship Benefits

You may deduct the following:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. Note that the disability must be (or presumed to be) permanent. "Disability" means a permanent physical or mental impairment that makes you unable to work for pay in jobs for which you are qualified by training and experience.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

You may not deduct the following:

- Payments that otherwise qualify as retirement or pension benefits. Upon reaching your plan's minimum retirement age, the disability benefits received under that plan become retirement or pension benefits and are no longer deductible as disability or survivorship. If you are uncertain of the minimum retirement age under your plan, contact your plan administrator for this information.
- Temporary wage continuation plans.
- Payments for temporary illnesses or injuries (for example, sick pay provided by an employer or third party).
- Pension payments that another individual was receiving but he/she died and you are now receiving these payments

(pension continuation benefits). These amounts are not deductible survivorship benefits.

See Ohio Administrative Code (Ohio Rule) 5703-7-08 on our Web site at tax.ohio.gov.

Line 40 – Social Security and Certain Railroad Retirement Benefits

Deduct the following benefits only to the extent that they are included in your federal adjusted gross income:

- · Social Security benefits
- Tier I and Tier II railroad retirement benefits
- Supplemental railroad retirement benefits
- Dual railroad retirement benefits
- Railroad disability

Line 41a – Tuition Investments in Ohio CollegeAdvantage Savings Plan

Contribution Deduction. You may deduct purchases of tuition units and contributions to the Ohio Tuition Trust Authority's CollegeAdvantage 529 Savings Plan, up to \$2,000 per beneficiary per year if these amounts do not qualify as a deduction on page 1 of IRS form 1040. Qualifying purchases exceeding the \$2,000 limitation may be deducted on future years' returns, subject to the annual \$2,000-per-beneficiary limitation. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing jointly or married filing separately. For information on contribution carryovers, see page 23, line 33b.

Adjustment for Earnings on Certain Distributions. The earnings portion of distribu-

tions from Internal Revenue Code section 529 programs can generally be excluded from federal adjusted gross income if the distribution is used solely to fund qualified higher-education expenses. If the earnings portion of a 2012 distribution from Ohio's CollegeAdvantage program is excluded from federal adjusted gross income (line 1 on this return), then no further adjustment is allowed on line 41a.

For federal income tax purposes, however, there are certain situations where, due to the coordination of benefits from an Internal Revenue Code 529 program with other federal tax benefits for higher-education expenses (such as the federal American Opportunity Tax Credit), the earnings on a distribution from the CollegeAdvantage program that are actually used to pay qualified higher-education expenses cannot be excluded from federal adjusted gross income. If any portion of the earnings reported to you on your 2012 IRS form 1099-Q from the CollegeAdvantage program is used to pay qualified higher-education expenses, and if because of certain federal tax limitations such earnings are not excluded from your federal adjusted gross income, you can exclude such portion by adding it to the total included on line 41a.

Adjustment for Distributions at a Loss. If a distribution reported to you on 2012 IRS form 1099-Q reflects a loss (the earnings in box 2 is negative), you can add this loss to your total on line 41a as a positive number if this loss is not deducted in computing federal adjusted gross income (line 1 of Ohio form IT 1040).

For more information, call 1-800-AFFORD-IT (1-800-233-6734) or visit the tuition trust Web site at www.collegeadvantage.com.

Line 41b – Portion of Certain College Grants Used To Pay Room and Board

Deduct the federally taxable portion of a federal Pell Grant and/or Ohio College Opportunity Grant used to pay room and board.

You qualify for this deduction if you, your spouse or your dependent was a student enrolled in a post-secondary educational institution, used a portion of a Pell Grant and/or an Ohio College Opportunity Grant to pay room and board expenses, and this portion was included in your federal adjusted gross income. The room and board, including meal plans, must have been furnished at the facilities of the educational institution for which the grant was awarded. See the worksheet on page 26.

Line 42 – Ohio National Guard Reimbursements and Benefits

Deduct on line 42 the following amounts, but only if (i) these amounts are in your federal

adjusted gross income (line 1 of Ohio form IT 1040) and (ii) you have not already deducted these amounts elsewhere on Schedule A:

- Receipt of Ohio Adjutant Generalauthorized Ohio National Guard reimbursement for group life insurance premiums paid; AND
- Receipt of Ohio Adjutant Generalauthorized payment of death benefits received as a beneficiary of an active duty member of the Ohio National Guard who died while performing active duty.

Line 43a – Unreimbursed Long-Term Care Insurance Premiums, Unsubsidized Health Care Insurance Premiums and Excess Health Care Expenses

There are several deductions included in this line:

 Unreimbursed premiums for subsidized and unsubsidized long-term care insurance plans and unreimbursed premiums for unsubsidized health care insurance plans;

- Excess medical expenses; AND
- Accident and health insurance premiums paid for certain dependent relatives.

Unreimbursed Health Care Expenses. Enter on line 1a, 1b or 1c of the worksheet below the costs for qualifying health care expenses. Some examples of qualifying health care expenses include **unreimbursed** costs for the following:

1a: • Prescription medicine or insulin

- · Hospital costs and nursing care
- Medical, dental and vision examinations and treatment by a certified health professional
- Eyeglasses, hearing aids, braces, crutches and wheelchairs
- 1b: Insurance premiums for health care insurance plans (including both unsubsidized and subsidized plans, Medicare premiums and supplemental Medicare insurance)

- 2. A subsidized health insurance plan is a plan where your employer, your spouse's employer, a retirement plan or Medicare pays any portion of the total premium for health insurance coverage.
- 3. If you or your spouse were eligible to participate in a Medicare and/or a subsidized health insurance plan for only a portion of the year, you may enter on line 2b the dental, vision and health care insurance premiums that you paid for that portion of the year during which you and your spouse were <u>not</u> eligible to participate in a Medicare and/or a subsidized health insurance plan.
- 4. Amount entered on line 8 must be included in federal adjusted gross income line 37 on the federal 1040 return and not previously excluded by adjustments on the federal 1040 return that occur prior to the federal adjusted gross income.

Note: You must reduce the health care insurance premiums amount you enter on line 1b of the worksheet by the amount of the self-employed health insurance deduction that you claimed on line 29 of IRS form 1040.

Unreimbursed Long-Term Care Insurance Premiums and Unsubsidized Health Care Insurance Premiums. Enter on line 2a of the worksheet on page 27 the amount you paid during 2012 for unreimbursed long-term care insurance premiums for you, your spouse and your dependents. Enter on line 2b the unreimbursed premiums you paid for unsubsidized health care insurance premiums for you, your spouse and your dependents.

An <u>unsubsidized health care insurance</u> <u>plan</u> is a plan for which your current or former employer or your spouse's current or former employer does <u>not</u> pay for any part of the plan's costs and does <u>not</u> reimburse you or your spouse for any part of the plan's costs. Most people who receive wage or salary income from an employer participate in one or more subsidized plans; such plans are <u>not</u> unsubsidized health care insurance plans. If you are unsure, check with your employer.

Example 1: Sue has a health care insurance plan through her employer. She has \$50 deducted from her paycheck each month to pay for her portion of her health care insurance premium costs. Her employer contributes \$450 each month toward the health care insurance premium costs that total \$500 each month. This is a subsidized plan, so Sue is **not** participating in an un-

subsidized health care insurance plan. Sue cannot use her \$50 monthly payment on lines 2a and 2b of the worksheet, but she can include this amount on line 1b.

Note: If you are eligible for Medicare coverage, you <u>cannot</u> use line 2b of the worksheet to report any unsubsidized health care insurance plan premiums paid while you were eligible for Medicare coverage.

Example 2: Sue is retired and qualifies for Medicare for the entire year. She pays \$50 each month for supplemental health insurance and \$20 each month for Medicare B premiums. Sue cannot use her \$50 or \$20 monthly payments on line 2b of the worksheet, but she can include these amounts on line 1b.

Accident and Health Insurance Premiums for Certain Relatives. You may be able to take a deduction for accident and health insurance premiums that you paid for yourself, your spouse and your "dependents," as defined on page 13. If you answer "Yes" to any of the three questions below, you are not eligible to take this deduction:

- During the year, were you eligible to participate in any subsidized health insurance plan? ☐ Yes ☐ No
- Did you claim the self-employed health insurance deduction on line 29 of IRS form 1040? ☐ Yes ☐ No
- During the year, were you eligible for medical care coverage through Medicare or Medicaid? ☐ Yes ☐ No

If you answered "No" to all three of the above questions, you will need to answer the fol-

lowing question: Did you claim an itemized
deduction on your federal income tax return
for any portion of the accident and health
insurance premiums paid? ☐ Yes ☐ No

If "Yes," enter the amount, if any, of the accident and health insurance premiums for which you did **not** take an itemized deduction on your federal income tax return:

\$ _____

This is the maximum amount of your accident and health insurance premium deduction. Enter this amount on line 8 of the worksheet on page 27.

If "No," you may be able to deduct the full amount of unreimbursed accident and health insurance premiums that you paid. Enter this amount on line 8 of the worksheet on page 27.

Line 43b – Medical Savings Account

You may be able to deduct the amount of funds you deposited into a medical savings account. If filing a joint return, your spouse may also be able to deduct his/her funds deposited into his/her medical savings account. For 2012 the maximum amount of deposited funds you may be able to deduct is \$4,416. If filing a joint return, each spouse may deduct up to \$4,416 of funds deposited into his/her account for a maximum joint deduction of \$8,832. Any investment income or interest earned on the funds deposited into a medical savings account is also deductible if the income or interest is included in your federal adjusted gross income (line 1 of your Ohio form IT 1040). Note: You must reduce the amount of this deduction by any amount that you claimed on line 25 of your IRS form 1040.

To determine if you are eligible for this deduction, complete the medical savings account worksheet below. For further information, see "What Is a Medical Savings Account and What Are the Qualifications?" on page 12.

Example: Bob and Sue file a joint tax return. Bob contributed \$2,000 to his medical savings account while Sue contributed \$5,000 to hers. Bob's account earned \$120 in interest and Sue's earned \$300, which were included in their federal adjusted gross income. These amounts are not deductible in arriving at federal adjusted income. They are entitled to a medical savings account deduction of \$6,836 (\$2,000 for Bob's contribution, \$4,416 for Sue's contribution and the combined interest income of \$420).

is excluded from box #1 on your IRS form W-2, Wage and Tax Statement.

Line 43c – Qualified Organ Donor Expenses

Deduct on this line up to \$10,000 of qualified organ donation expenses you incurred during the taxable year. If your filing status is married filing jointly, each of you can deduct on this line up to \$10,000 of qualified organ donation expenses you each incurred during the taxable year. "Qualified organ donation expenses" means unreimbursed travel and lodging expenses that you incur in connection with your donation, to another human being, of your human liver, pancreas, kidney, intestine, lung or any portion of your human bone marrow.

You can claim this deduction only once for all taxable years. If you claim the deduction for this year, you cannot claim this deduction in any subsequent year. If your filing status is married filing jointly and if you and your spouse both claim the deduction for this year, both you and your spouse cannot claim this deduction in any subsequent year. However, if your filing status is married filing jointly but only one spouse claims this deduction for this year, the other spouse can claim the deduction in a subsequent year, regardless of your spouse's filing status in that subsequent year.

You can also deduct matching contributions that you made to another person's Individual Development Account when the account has been established by a county department of human services. For further information, contact your local county department of human services.

Line 44 – Wage Expense

Deduct the amount of employer wage and salary expenses that you did not deduct for federal income tax purposes because you instead claimed the federal targeted jobs tax credit or the work opportunity tax credits.

Line 45 – Interest Income from Ohio Public Obligations

Deduct interest income earned from Ohio public obligations and Ohio purchase obligations if the interest income was included in your federal adjusted gross income. You can also deduct any gains resulting from the sale or disposition of Ohio public obligations to the extent that the gain was included in your federal adjusted gross income.

Deduct income from providing public services under a contract through an Ohio state project (including highway services) if the income was included in your federal adjusted gross income. You can also deduct

income from a certain transfer agreement or an enterprise transferred under that agreement if the income was included in your federal adjusted income. See Ohio Revised Code sections 126.60-126.605.

Schedule B – Nonbusiness Credits

Line 48 - Retirement Income Credit

To qualify for the Ohio retirement income credit, you **must** meet all of the following:

- You received retirement benefits, annuities or distributions that were made from a pension, retirement or profit-sharing plan; AND
- You received this income because you have retired; AND
- This income is included in your Ohio adjusted gross income on line 3. Note: Social Security and certain railroad retirement benefits required to be shown on line 40 and military retirement income required to be shown on line 37b do not qualify for this credit.

The Amount of the Credit is as Follows: Amount of qualifying Line 48 retirement income retirement during the taxable income credit for taxable year: year: \$500 or less.....\$ **0** More than \$500. but not more than \$1,500 \$ 25 More than \$1,500. but not more than \$3,000 \$ 50 More than \$3,000. but not more than \$5,000 \$ 80 More than \$5.000. but not more than \$8,000 \$130 More than \$8,000 \$200

The Maximum Credit Per Return is \$200. If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table above.

If the taxpayer has previously taken a lump sum retirement income credit, they cannot take the retirement income credit on this year's return or any future year's return to which this taxpayer is a party.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on IRS form W-2 qualify for this credit <u>only</u> if the amounts are paid under a retirement plan.

Example: Bob and Sue are retired and file a joint return. Bob has \$5,000 in qualifying

retirement income included in Ohio adjusted gross income on line 3. Sue has \$2,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. The total of the two qualifying retirement incomes is \$7,000. The table above shows a credit of \$130 for retirement income of more than \$5,000, but not more than \$8,000. They are entitled to claim on line 48 an Ohio retirement income credit of \$130.

Line 49 – Senior Citizen Credit

You can claim a \$50 credit if you were 65 or older before Jan. 1, 2013. If you are filing a joint return, only one credit of \$50 is allowed even if you and your spouse are both 65 or older.

If you take or have previously taken the lump sum distribution credit, you cannot take the \$50 senior citizen credit on this year's return or any future year's return.

Line 50 – Lump Sum Distribution Credit

This credit is available only to individuals 65 or older before Jan. 1, 2013. If you received a lump sum distribution from a pension, retirement or profit-sharing plan, whether on account of retirement or separation from employment, and if you are 65 or older, you may be able to take advantage of a special tax treatment that uses the \$50 senior citizen tax credit multiplied by your expected remaining life years.

If the answers to questions 1 through 6 below are all "Yes," you can claim the lump sum distribution credit. If you answer "No" to any of the questions, you do not qualify for this credit.

- 1. Were you 65 or older before Jan. 1, 2013?
- Was the lump sum distributed from a qualified employee benefit plan (pension, profit-sharing, stock bonus, Keogh, Internal Revenue Code 401(k), STRS, PERS, SERS, etc.)?
- 3. Was the distribution made from all of the employer's qualified plans of one kind in which the employee had funds?
- 4. Was the distribution for the full amount credited to the employee?
- 5. Was the distribution paid within a single taxable year?
- 6. Was the distribution made because the employee died, quit, retired, or was laid off or fired?

If you take this credit, you <u>cannot</u> take the \$50 senior citizen's credit on this year's return or on any future year's return. For more information, see page 2 of Ohio form LS WKS, which is available on our Web site at tax.ohio.gov.

If your Ohio adjusted gross income (line 3) is less than \$40,000 and if you made payments that qualified for the federal child care and/or dependent care credit, you are entitled to this credit. Complete the worksheet above to calculate the amount of credit you may claim.

Note: If line 3 on page 1 of the Ohio form IT 1040 is \$40,000 or more, you are <u>not</u> entitled to this credit.

Line 52 – Lump Sum Retirement Credit

Lump sum distributions that you received on account of retirement from a qualified retirement plan may qualify for the lump sum retirement credit. A lump sum distribution is one where you receive your entire balance from a qualified pension, retirement or profitsharing plan during one taxable year. If you received income in a lump sum distribution during 2012 or are entitled to an unused retirement income exclusion from an earlier year, then you will need special instructions on how to compute your tax credit.

Ohio law provides a \$500 maximum credit per taxpayer for amounts you pay for qualified displaced worker training during the 12-month period after you lose your job. Qualified displaced worker training is job training or education that improves your ability to perform a new job after you have lost your previous job. Displaced worker training includes apprenticeships, internships and educational classes. Complete the worksheet on page 30.

It does <u>not</u> include amounts paid for computer purchases or upgrades, professional organizational fees, meals, mileage, transportation or outplacement firms that help you to develop skills used to find a new job – for example, career planning, profile analysis, skills assessment, resume writing, marketing action plan, etc., that are paid in one's endeavor to find a new job. These training classes are not to improve the skills that one would use in performing the functions or tasks associated with a new job.

Line 55 – Ohio Political Contributions Credit

You can claim a credit against your tax for monetary contributions you made during the year to the campaign committee of candidates for any of the following Ohio offices:

- · Auditor of state
- Treasurer of state
- Attorney general
- Chief justice of the Ohio Supreme Court
- Justice of the Ohio Supreme Court

The amount of the credit is the lesser of the combined total cash contributions you made during the year or \$50 (\$100 for married filing joint returns).

Line 56 - Ohio Adoption Credit

You can claim a credit against your tax if you adopted a minor child (under 18 years of age) during the taxable year. The amount of the credit is \$1,500 per child adopted. This is a one-time credit per child. Any unused amounts can be carried forward for up to two years. The adoption must be final and recognizable under Ohio law in the year for which you first claim the credit. "Legally adopt" does not include the adoption of a minor child by the child's stepparent.

Schedule C – Full-Year Ohio Resident Credit

Line 58 – Income Subjected to Tax by Other States

If you were a full-year Ohio resident during 2012 and you had income subjected to tax by other states or the District of Columbia, you may qualify for the Ohio resident tax credit. The credit is the **lesser** of lines 60 or 61.

This line amount is the portion of your Ohio adjusted gross income subjected to a tax on income in other states or the District of Columbia while you were a resident of Ohio, less related deductions allowed in computing federal adjusted gross income and increased or decreased by related adjustments on Schedule A of the Ohio form IT 1040.

Limitation: Do <u>not</u> include income for which you have directly or indirectly deducted, or were entitled to deduct in computing federal adjusted

gross income. See our information release IT 2006-02 entitled "Inapplicability of Ohio Resident Credit with Kentucky Corporate Income Tax," which is on our Web site at tax.ohio.gov.

Do <u>not</u> include wages, salaries, tips or commissions earned by full-year Ohio residents in Indiana, Kentucky, West Virginia, Michigan or Pennsylvania and certain income earned by military non-residents that is shown on line 36. This income is not taxed and does not qualify for the credit.

Line 60 – Determining the Factor

Note: See our information release IT 2006-02 entitled "Inapplicability of Ohio Resident Credit with Kentucky Corporate Income Tax," which is on our Web site at **tax.ohio.gov.**

Schedule D – Nonresident/ Part-Year Resident Credit

Line 63 – Income Not Earned or Received in Ohio

Enter the portion of Ohio adjusted gross income from line 3 that was not earned or received in Ohio. You must complete and include Ohio form IT 2023 (which is available on our Web site at tax.ohio.gov) to calculate this credit unless your only income from Ohio sources were wages reported on your W-2(s) and you and/or your family members do not directly or indirectly own the business that paid you those wages.

Do <u>not</u> include on this line pass-through entity distributive shares of income allocated or apportioned to Ohio. Do <u>not</u> include on this line any amount shown on line 46.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on your W-2(s) should <u>not</u> be included on this line to the extent that such amounts are based upon employment or previous employment within Ohio. Do not include on this line any severance pay, termination pay, final pay or "golden parachute" amounts if you (i) earned in Ohio any portion of such amounts and/or (ii) were employed in Ohio by the payor or the payor's affiliate prior to or at the time of your receipt of such amounts.

Unpaid Use (Sales) Tax Explanation and Instructions for Ohio Forms IT 1040EZ and IT 1040 and the TeleFile Worksheet

TIP: This line will be -0- if you made no catalog, Internet or out-of-state purchases. If you do have catalog, Internet or out-of-state purchases, many out-of-state retailers already collect use (sales) tax on your purchase. Your receipt will show it as a sales tax amount. If the retailer charges you sales tax on your purchase, you do <u>not</u> have to use the Ohio income tax return to pay additional use tax to Ohio.

Use line 14 of Ohio form IT 1040EZ, line 17 of IT 1040 or line 6 of the TeleFile worksheet to report the amount of unpaid use (sales) tax (if any) on out-of-state purchases that you made if you used, stored or consumed in Ohio the item or service you purchased (for example, Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and for which you paid <u>no</u> sales tax on that purchase(s). Complete the use tax worksheet on page 33 to determine if you owe this tax.

Note: If you report your Ohio use tax on your income tax return, any unpaid portion of the total tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing Ohio form VP USE, then you do not have to report the use tax on line 14 of Ohio form IT 1040EZ, line 17 of IT 1040 or line 6 of the TeleFile worksheet.

Ohio's Use Tax

Ohio's use tax has been part of our tax laws since 1936. The use tax rate is equal to the sales tax rate in your county. Every state with

a sales tax also has a companion use tax. The use tax laws were passed to eliminate the disadvantage to Ohio retailers when Ohio shoppers buy from out-of-state sellers who do not collect Ohio sales tax.

Who Benefits From the Tax?

- ✓ You and Our Schools: One-third of Ohio's sales and use tax supports our elementary and secondary schools. The remaining two-thirds pays for state services – higher education, parks, public safety, etc.
- ✓ County Governments and Transit Authorities: The sales and use tax is the largest source of financing for the local criminal justice system and public transportation systems.
- ✓ Ohio Retailers: The use tax protects Ohio jobs and helps Ohio retailers by keeping prices competitive with out-ofstate merchants who don't collect sales tax.

Can You Give Me an Example?

If you buy a taxable item or service from an out-of-state retailer and pay no sales tax, Ohio requires you to pay the Ohio use tax if you will use, store or consume the item or service in Ohio. The use tax applies when you buy from catalog or Internet retailers. The use tax rate is equal to the sales tax rate in the Ohio county where you will use, store or consume the item or service.

Example: Rita lives in Tuscarawas County. She orders a new bedspread from the Cata-

log Linen Company based in New York. The price is \$125. The catalog company collects no sales tax. Rita is liable for paying Ohio's use tax:

Taxable purchase: \$125

Ohio + Tuscarawas County use tax rate = 6.5%

Use tax: $$125 \times .065 = 8.13

Round this \$8.13 use tax amount to the nearest whole dollar: \$8

Rita would enter \$8 on line 14 of Ohio form IT 1040EZ, line 17 of IT 1040 or line 6 of the TeleFile worksheet.

What if I Have Already Paid Tax on My Out-of-State Purchase?

If you previously paid to another state sales tax on the purchase or if you have previously paid your Ohio use tax by filing Ohio form VP USE, then you do not have to report on line 14 of Ohio form IT 1040EZ, line 17 of IT 1040 or line 6 of the TeleFile worksheet any use tax on that purchase.

I Owe Ohio Use Tax – How Do I Pay It?

You can pay your use tax when you file your Ohio income tax return. Complete the worksheet on page 33.

If you do not have to file an Ohio income tax return (see page 10) but you owe Ohio use tax, you must file Ohio form VP USE to pay the tax. This form is on our Web site at **tax.ohio.gov.**

Do you have access to a touch-tone telephone?		
Were you a resident of Ohio for all of 2012?		
Do you have nine or fewer W-2 forms?		
Are you and your spouse, if filing jointly, under 65 as of Dec. 31, 2012?

Check "Yes" if you do <u>not</u> have any adjustments or credits shown below. Otherwise, check "No."		

If you answered "Yes" to <u>all</u> of the above questions, then Ohio TeleFile may be for you.

If you answered "No" to <u>any</u> of the above questions, you are <u>not</u> eligible to Tele-File. You must use Ohio I-File or IRS e-file to file electronically, or you must file a paper Ohio form IT 1040EZ or IT 1040.

You should not TeleFile if...

You are eligible for any Ohio form IT 1040 Schedule A adjustments other than the deduction for state and local income tax refunds that you reported on your federal income tax return. See below for a list of the most common adjustments; OR

- You are eligible for any credits other than the low income credit, the joint filing credit or the exemption credit; OR
- You want to electronically deposit your refund into an Individual Retirement Account or Annuity (IRA) or into a preexisting program administered by the Ohio Tuition Trust Authority (OTTA).

Below is a list of commonly used adjustments and credits.

You received interest and dividend income (included in line 1) from obligations issued by the United States government or its possessions/territories that are exempt from Ohio tax by law, such as U.S. savings bonds (Series E, EE, H or I), Treasury notes and bills, and Sallie Maes.

- You received Social Security benefits and/or railroad retirement benefits and/or military retirement income, which are included in your federal adjusted gross income.
- You received disability and/or survivorship benefits.
- You received income from a pension, retirement or profit-sharing plan.
- You made contributions to the Ohio Tuition Trust Authority's CollegeAdvantage Savings Plan.
- You made payments that qualify for the federal child care and/or dependent care credit and your Ohio adjusted gross income is less than \$40,000.
- You made a political contribution to the campaign committee of a candidate for a statewide office.
- You had unsubsidized health insurance premiums, unreimbursed long-term care insurance premiums or excess medical expenses.
- You made payments to a medical savings account.

Note: If you do <u>not</u> TeleFile, you must use Ohio I-File or IRS e-file to file electronically, or you must file a paper Ohio form IT 1040 to take full advantage of the adjustments and credits available to you.

General Information for TeleFile

What Is Ohio TeleFile?

The Ohio TeleFile system allows you to file your Ohio income tax return by telephone. It's a safe, accurate, fast, free and easy-to-use filing method. The entire process is completed on the telephone with no forms mailed to the Ohio Department of Taxation.

How Ohio TeleFile Works

You simply complete the TeleFile worksheet found on pages Tel 5 and Tel 6 and call the Ohio TeleFile system. When TeleFile accepts your return, you will receive a confirmation number that you will enter on the worksheet as proof that your return was successfully filed.

Why Should I TeleFile?

- It's safe and free! Your chance of making an error on the return and delaying your refund or receiving a billing notice are substantially reduced because electronic filing and payment methods are more accurate.
- Your privacy and security are assured and you receive confirmation that your return has been filed.
- It's available 24 hours a day.
- TeleFile is the quickest way to a fast refund!

Ohio TeleFile Availability

The Ohio TeleFile system is available beginning Jan. 7, 2013. You may call the system 24 hours a day, seven days a week, until midnight Dec. 2, 2013. Our peak calling period is between 6 p.m. and 10 p.m. If you receive a busy signal, please try again. In most cases, TeleFile will answer on the first try. If you wait until April 15, 2013 to file, you may experience a lengthy delay due to the increased volume of calls we receive on that day.

Ohio TeleFile Refund or Tax Due

During your TeleFile call, the system will automatically calculate your refund or tax due amount.

 If you are entitled to a <u>refund</u>, you may choose to have your refund deposited directly into your checking or savings account. If you choose the direct deposit option, you most likely will receive your refund in five to seven business days. See page Tel 6 for information on direct deposit of your tax refund. If you have a <u>tax due</u>, you may make your payment by using any one of the payment options listed on page Tel 4.

What Calculations Does TeleFile Automatically Compute for Me?

TeleFile will calculate all exemption amounts and exemption credits and, if applicable, your joint filing credit. TeleFile will also calculate your Ohio tax and the amount of either your refund or the amount of tax you owe.

Is There Any Reason Why TeleFile Will Not Allow Me To File My Return?

Yes. If you enter information during your TeleFile call that we cannot verify, you will not be able to TeleFile your return. If you hang up before you receive your filing confirmation number, your return will not be accepted.

What if I Need To Change an Answer While I Am Using TeleFile?

During your TeleFile call, TeleFile will ask you several questions. After you answer each question by using the numbers on your touch-tone phone, TeleFile will repeat your answer and ask you if the answer is correct. If you respond with a "No," you will have one more chance to give the correct answer. Once you respond with a "Yes" answer, you cannot go back and change the answer. However, if at any time during the TeleFile call you realize that one of your earlier answers was wrong, just hang up and start again. Once you sign your return

and receive a confirmation number, your return has been filed. If you need to make changes after filing your return, you must file an amended Ohio form IT 1040X.

Do I Send in My TeleFile Worksheet or W-2(s) After I TeleFile?

No. Keep your worksheet and W-2(s) for four years with your other tax records.

After I TeleFiled, I Received Another W-2 Form or Discovered an Error on My Return. What Do I Do Now?

You cannot use TeleFile to amend your return. You must file an amended paper return, Ohio form IT 1040X. You can get this form by visiting our Web site at **tax.ohio.gov** or by calling 1-800-282-1782.

TeleFile Told Me I Owe More Tax. How Do I Make a Payment?

See page Tel 4 for payment options.

Do I Owe Penalties and Interest?

If your return and/or payment aren't timely submitted, you may have to pay penalties and interest. In that case, you'll receive a notification from the Ohio Department of Taxation. See page 12 for more information.

Note: If you wait until April 15, 2013 to TeleFile, you can expect extended delays due to the volume of calls the system receives on that date.

Are You Ready To TeleFile? It's as Easy as 1, 2, 3 . . .

Follow these three easy steps and you will be ready to TeleFile your return:

ig(1ig) Did you meet $ar{ ext{all}}$ of the qualifications for TeleFile on page Tel 1?

If you answered "Yes," you can TeleFile your return. Please go to Step 2.

If you answered "No," <u>you cannot TeleFile this year.</u> Please consider other quick and easy electronic options listed on the back cover of this booklet.

- Complete lines 1 through 12 of the TeleFile worksheet on pages Tel 5 and Tel 6 before calling.
- Call TeleFile at 1-800-697-0440. This filing option is available 24 hours a day beginning Jan. 7, 2013 and ending Dec. 2, 2013.

Line Instructions for the TeleFile Worksheet

Line 1a – Filing Status

Enter your Ohio filing status, which must be the same as your federal filing status.

Line 1b - Social Security Numbers

Ohio TeleFile has new security enhancements and will ask you to enter additional personal information to identify you and, if applicable, your spouse. If you have changed your address, call the Ohio Department of Taxation at 1-800-282-1780 to update your address and ZIP code before using TeleFile. Enter your Social Security number, then date of birth in MM/DD/YYYY format and your ZIP code. If married filing jointly, enter your spouse's Social Security number and date of birth in MM/DD/YYYY format.

Line 2 – Political Party Fund Donation

TeleFile will ask you if you wish to designate \$1 (also, \$1 for your spouse if filing jointly) to the Ohio Political Party Fund.

Note: Checking "Yes" will not increase your tax or decrease your refund.

Line 3 – Federal Adjusted Gross Income

Enter your 2012 federal adjusted gross income from IRS form 1040, line 37; 1040A, line 21; or 1040EZ, line 4.

Note: Your federal adjusted gross income <u>cannot</u> exceed \$999,999. If it does, you cannot TeleFile. However, you can still use one of the other quick and easy electronic filing methods listed on the back cover of this booklet.

Line 4 – State and Local Income Tax Refund Deduction

Did you file a 2012 IRS form 1040A or 1040EZ? If "Yes," write -0- on line 4 of the TeleFile worksheet. You do not qualify for this deduction. If you filed an IRS form 1040, then you may be eligible for the state or local income tax refund deduction. Go to line 10 of your 2012 IRS form 1040 and enter this amount on line 4 of the TeleFile worksheet. If line 10 is blank, enter -0-.

Line 5 - Dependents

Enter the number of dependents, other than yourself or your spouse, that you claimed on your federal income tax return. If none, enter -0-.

Line 6 - Unpaid Use (Sales) Tax

Complete the use tax worksheet on page 33 to determine if you owe any tax on your out-of-state purchases. A detailed explanation of the use tax can be found on page 32.

Note: If you report Ohio use tax on your income tax return, any unpaid portion of the total tax computed by TeleFile, line 13d, is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing Ohio form VP USE, then you do not have to report the use tax on line 6 of the TeleFile worksheet.

Line 7 – W-2 Forms (Wage and Tax Statements)

Enter your total number of W-2 forms. If you have more than nine, you **cannot** TeleFile.

Lines 8, 9, 10 and 11 - Your W-2 Data

TeleFile will ask you to enter important tax information from each of your W-2s. To do this, you will need to refer to lines 8-11 on page Tel 5. The sample W-2 below indicates the location of the information that TeleFile will ask you to enter from each of your W-2s. Make sure that you have received **all** of your W-2s before calling.

Note: If you did not receive your W-2(s) from your employer, you cannot use Ohio TeleFile or I-File. Instead, you will have to file a paper Ohio form IT 1040EZ or IT 1040.

Sample W-2 - This form reports taxpayers' wages and withholding

Line 12 – Tax Refund or Tax Due

We encourage you to take advantage of the direct deposit option for refunds or the electronic check option for taxes due during your TeleFile call. To do so, you must complete the banking information on line 12 on page Tel 6 before you call TeleFile.

Note: Selecting either the refund direct deposit or electronic check payment method is optional.

Tax Refund (Direct Deposit). If TeleFile calculates a <u>refund</u>, take advantage of the direct deposit option and have your refund deposited directly into your bank account. If you choose the direct deposit option, you most likely will receive your refund in five to seven business days. Complete line 12 on page Tel 6 if you want your refund deposited directly into your bank account. If you do not request direct deposit of your refund, we will mail a paper check to your address on record.

TeleFile does not allow an electronic deposit into an Individual Retirement Account or Annuity (IRA) or into a pre-existing program

administered by the Ohio Tuition Trust Authority (OTTA).

• Tax Due (Electronic Check). If TeleFile calculates a tax due, you may electronically transfer money (electronic check) from your checking or savings account to pay the balance of the tax you owe. This eliminates the need to write a paper check. Payment may be delayed until the payment deadline of April 15, 2013. TeleFile will ask you to enter the date you want the electronic funds transfer to take place. Complete line 12 on page Tel 6 if you want to pay your tax due by electronic check.

- Tax Due (Credit Card) See page 8. You may use your Discover/NOVUS, VISA, MasterCard or American Express card to pay your income taxes. You may make credit card payments by either visiting tax.ohio.gov or calling 1-800-2PAY-TAX (1-800-272-9829).
- Tax Due (Paper Check or Money Order). If you elect to pay by paper check or money order, you must complete and enclose Ohio form IT 40P, Income Tax Payment Voucher (see our Web site at tax.ohio.gov). Do not send cash. Make your check payable to Ohio Treasurer of State and write your Social Security number and taxable year on the check. Then place the check on top of the payment voucher (do not staple).

Line 13 – Now You're Ready To TeleFile

Once you have completed lines 1-12 on pages Tel 5 and Tel 6, you are ready to TeleFile your return. **Call 1-800-697-0440** (phone lines are busiest between 6 p.m. and 10 p.m.). TeleFile will ask you to enter the information from lines 1-12 from the TeleFile worksheet on pages Tel 5 and Tel 6.

Based on the information you provided on lines 1-11, TeleFile will compute your Ohio taxable income and tax liability and determine if you have a refund or tax due. You will need your Ohio taxable income amount if you also file a traditional school district income tax return. During your call, TeleFile will tell you the information to enter on lines 13a-h on page Tel 6.

Line 13e - Donations

If TeleFile calculated a refund for you, TeleFile will ask if you want to donate any of your refund to any of the funds described on page 34. If you elect to make a donation, TeleFile will automatically reduce your refund by the amount of the donation(s). If

you decide to donate, this decision is **final**. You cannot change your mind and ask for your donation(s) to be refunded once you have TeleFiled your return.

Line 13f – Amount of Your Tax Refund After Donations

If TeleFile calculates a refund for you on line 13f, you have the option of either receiving a paper check or requesting that the refund be deposited directly into your checking or savings account. If you choose the direct deposit option, you most likely will receive your refund in five to seven business days.

Complete line 12 of the TeleFile worksheet if you wish to use the direct deposit option. If you do not use direct deposit, a paper check will be mailed to your address on record.

Line 13g – Amount You Owe

If TeleFile calculates a tax due for you on line 13g, you may make a payment by electronic check, credit card, paper check or money order. You are not required to submit your payment on the same date as your TeleFile call, however, your payment must be postmarked by April 15, 2013 to avoid penalty and interest charges. See line 12 at left for more payment information.

Line 13h – Signature and Confirmation Number

TeleFile will tell you how to sign your return. TeleFile will then assign you a 10-digit confirmation number. This filing confirmation number is different from the 15-digit electronic check confirmation number that TeleFile assigns you when you pay electronically. Do not hang up before signing your return or your return will not be filed. Enter the confirmation number in the space provided and keep the TeleFile worksheet for your records.

IMPORTANT: Do not mail the TeleFile worksheet or W-2(s) to the Ohio Department of Taxation.

General Information for Ohio Form SD 100

Do I Have To File a School District Income Tax Return?

No, if ...

- you were neither a resident of, nor domiciled in, a school district with an income tax in effect during 2012; AND
- you had no school district income tax withheld.

Yes, if ...

- > you were a resident of, or were domiciled in, a school district with an income tax in effect for 2012 and either (i) had any income for a traditional tax base school district or (ii) had earned income for an earned income only tax base school district (see "Tax Type" discussion below). Taxpayers residing in traditional and earned income only tax base school districts must file Ohio form SD 100 even if none of their income is subject to the tax; OR
- you received a W-2 with erroneous school district withholding tax taken out of your pay for 2012. If you are not liable for school district income tax, but had school district tax withheld in error, you must complete an Ohio form SD 100 for that school district number in order to request a refund. If you are liable for tax in one school district, but you had withholding tax taken for another school district, you must file separate Ohio SD 100 returns under each school district number (see listings on pages SD 7-8).

Tax Type

<u>Traditional</u> Tax Base School District Method – Ohio Revised Code sections 5748.01(E)(1)(a) and 5748.01(E)(2) provide

that the voters in each school district can vote to enact a school district income tax based upon income and deductions shown on the Ohio income tax return. Under these provisions of the law, individuals pay the school district income tax based upon Ohio taxable income (Ohio adjusted gross income less the exemption amount) as shown on line 5 of Ohio form IT 1040EZ or IT 1040, and estates pay the school district income tax based upon Ohio taxable income as shown on line 3 of Ohio form IT 1041. Until recently, this method of taxation was the only method available to school district voters. Taxpayers residing in traditional tax base school districts must file Ohio form SD 100 even if none of their income is subject to the tax.

Earned Income Only Tax Base School District Method – Ohio Revised Code section 5748.01(E)(1)(b) provides that voters in a school district can approve a school district income tax that will apply only to individuals – not to estates – and will apply only to each individual's earned income without any deductions. This method of taxation is an alternative to the <u>traditional</u> tax base school district method. For a listing of <u>earned income only</u> tax base school districts, see page SD 7.

"Earned income" is defined as wages, salaries, tips, other employee compensation, and self-employment income from sole proprietorships and partnerships.

Under this alternative tax base, each taxpayer in the <u>earned income only</u> tax base school district does <u>not</u> pay school district income tax on any other types of income such as retirement income, unemployment compensation, worker's

compensation, lottery winnings, interest, dividends, capital gains, profit from rental activities, distributive shares of profit from S corporations, alimony received, distributions from trusts and estates and all other types of income that are not earned income but that are part of Ohio adjusted gross income.

Taxpayers in <u>earned income only</u> tax base school districts cannot claim any deductions such as the alimony paid deduction or the capital loss deduction. In addition to these limitations, taxpayers in the <u>earned income only</u> tax base school districts are not allowed a deduction for personal or dependency exemptions. Taxpayers residing in <u>earned income only</u> tax base school districts must file Ohio form SD 100 even if none of their income is subject to the tax.

I Don't File an Ohio Income Tax Return. Must I File an Ohio Form SD 100?

Yes, if you have a school district tax liability. To determine this liability, you should start with what your Ohio taxable income would be if you were filing an Ohio income tax return. Then, if you show an amount on line 8 of Ohio form SD 100, you must file the school district income tax return.

I'm Retired. Am I Liable for School District Tax?

Yes, if you show any amount of tax on Ohio form SD 100, line 6. Note that taxpayers who are 65 or older before Jan. 1, 2013 may claim on line 5 a senior citizen credit of \$50 per return.

Are My Children Liable for the School District Tax?

Your children are liable if they have school district taxable income (see line 3 of Ohio form SD 100). There is no age limit.

Filing Due Date

- Generally, you must file this return and make all payments by April 15, 2013. If you choose a paperless method and use direct deposit, most likely you will receive your refund in five to seven business days.
- For due date exceptions that may apply, see "I Can't File My Ohio Form..." and "I'm Not Able to Pay..." below.
- If you were in a combat zone, see "Income Taxes and the Military" on page 14.

Can I e-File My School District Return?

Yes. Residents, part-year residents and nonresidents of the school district for which you are filing may e-File. You also must file an electronic Ohio income tax return at the same time.

I Can't File My Ohio Form SD 100 By April 15, 2013. Can I Get an Extension?

Yes, if you have an extension of time to file your IRS form 1040, 1040A or 1040EZ. Ohio does not have its own extension request form, but honors the federal extension of time to file. When you file Ohio form SD 100, you must include a copy of your federal extension or extension confirmation number. However, there is no extension of time for paying your tax. You will owe interest and penalty on any payment you make after April 15, 2013.

Exception to the General Rule: Certain members of the military have an extended time to pay as well as an extended time to file. For more information see "Income Taxes and the Military" on page 14.

I'm Not Able To Pay By April 15, 2013. What Should I Do?

By law all tax is due on this date except for certain members of the military (see Exception to the General Rule above). Whatever amount you pay by the required due date will reduce the amount of interest and late-payment penalty you will be charged. Even if you are unable to pay the full amount of tax, you <u>must</u> file your return by the due date.

Do I Owe Penalties and Interest?

A <u>failure-to-file</u> penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to <u>file</u> your Ohio school district income tax return by the due date.

A <u>failure-to-pay</u> penalty of double the interest charged generally will apply if you do not <u>pay</u> the tax by April 15, 2013. However, this penalty does not apply if your total payments made by April 15, 2013 equal or exceed 90% of your total Ohio tax.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 14), interest is due from April 16, 2013 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> your refund, if any, is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2013 is 3%.

How Can I Be Sure of the School District in Which I Live or Am Domiciled?

If you are not sure of the school district in which you live, the Ohio Department of Taxation has an online resource called **The Finder** to assist you. Instructions for using The Finder are on page 42.

I Lived or Was Domiciled Only Part-Year in a Taxable School District. What Must I Do?

You must file Ohio form SD 100 for each taxing school district in which you lived during the year. For detailed information, see line 2 on page SD 4.

What if I Am a Part-Year Resident or a Part-Year Domiciliary of Two Taxing School Districts?

You must file a separate Ohio form SD 100 for <u>each</u> taxing school district. Be sure to include the correct school district number on each return.

Can I Apply My Refund Against Any Other Balance Due?

No. You can't apply a refund against any of the following:

- a balance due for another school district's tax:
- a school district tax that has expired;
- another person's tax;
- any prior year's tax; OR
- your Ohio individual income tax.

What if I Received a W-2 With School District Income Tax Withheld, But I Am Not Domiciled in a School District With a Tax?

You are not subject to the school district income tax. In order to get a full refund of the school district income tax withheld for a school district in which you were not domiciled at any time during the year, you must complete Ohio form SD 100.

On the front page of the return be sure to (i) enter in the boxes provided the school district number shown on your W-2(s) and (ii) check the "full-year nonresident" box.

If school district income tax was withheld for a **traditional** tax base school district (see listings on pages SD 7-8), complete line 1 and enter on line 2 the same amount that you entered on line 1. Enter a -0- on lines 3-8 and complete lines 9-18, but leave line 17 blank.

If school district income tax was withheld for an <u>earned income only</u> tax base school district (see listings on page SD 7), you should enter a -0- on lines 1-8 and lines 19-22. Then complete lines 9-18, but leave line 17 blank.

When you mail us your return, you must include a copy of the W-2(s) showing the school district income tax withheld for the school district number that you entered in the boxes in the upper right-hand corner on page 1 of your return.

My W-2 Does Not Show My School District Withholding. What Should I Do?

You should ask your employer for either a corrected W-2 or a letter showing both the school district withholding amount and the four-digit school district number.

What Should I Do if My Employer Is Not Withholding Enough Tax or Any Tax?

If your employer is not withholding either enough or any school district income tax and you will owe combined state and school district income tax of at least \$500, you are required to file a school district estimated income tax voucher (Ohio form SD 100ES), which is on our Web site at tax.ohio.gov.

If your employer is not withholding <u>any</u> tax, provide us with the facts in writing along with a copy of last year's W-2 (if you were with the employer then) and submit them to Employer Withholding Unit, P.O. Box 2476, Columbus, OH 43216-2476.

How to Complete the 2012 Ohio Form SD 100

The 2012 Ohio form SD 100 has been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

- 1. Use black ink ONLY.
- 2. Use this form **ONLY** for the taxable year **2012**.
- Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes at the far right of the return, which designate cents (.00).
- Print your numbers and letters (UPPER-CASE only) inside the boxes as shown below:

123 ANY STREET

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Name(s), Address and Social Security Number(s). Enter your name and address on page 1 and your Social Security number on pages 1 and 2 of your return (if married filing jointly, also enter your spouse's name and Social Security number on page 1).

School District Number: Enter the school district number for which you are filing this return in the school district number box in the upper right-hand corner on page 1 of the return and in the school district number box in the upper left-hand corner on page 2 of the return. Pages SD 7-8 list each taxing school district and its school district number.

School District Domicile: Check the appropriate box ("full-year resident," "part-year resident" or "full-year nonresident") for the school district number that you have indicated on the return.

Do Both Married Filing Jointly Taxpayers Have To Sign The Return?

Both married filing jointly spouses must sign unless one of the spouses was not domiciled in the school district for the entire year. In this case the nondomiciled, married filing jointly spouse does not have to sign.

Preparer's Name

The Ohio Department of Taxation follows IRS Notice 2004-54. For more information, see the section entitled "Does Ohio Follow the Alternative Preparer Signature Procedures?" on page 11.

How Do I Correct My Ohio Form SD 100 After I Have Already Filed?

Make any correction to your return by filing an amended school district income tax return (Ohio form SD 100X) for the year that you are correcting. To speed up the processing of your amended return:

- Include a copy of your W-2(s) and 1099-R(s) if there was any school district income tax withheld; AND
- Include documentation to support any adjustments to line items.
- If changing school district residency status to part year or full year nonresident, include documentation to support your claim.

Ohio form SD 100X is available on our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782. If you correct your federal income tax return or if you are audited by the IRS, you must file Ohio form SD 100X within 60 days of the final determination of the IRS correction.

The IRS tells us about all changes it makes to your federal income tax return. To avoid penalties, be sure to file your amended school district

income tax return, Ohio form SD 100X, within 60 days of the final determination of the federal change.

Do I Have To Make School District Estimated Income Tax Payments for 2013?

Except as discussed below, you must make school district estimated income tax payments if you will owe more than \$500 in combined state and local school district income tax for 2013 after subtracting your Ohio and school district income tax withholding amounts and overpayment carryforward from 2012 to 2013.

Even if you will owe more than \$500, you do not have to make estimated school district income tax payments if either (i) your 2013 combined Ohio and school district income tax withholding amounts and overpayment carryforwards from 2012 to 2013 are at least 90% of your 2013 combined state and school district income tax or (ii) your 2013 combined state and school district income tax withholding amounts and overpayment carryforwards from 2012 to 2013 are equal to or greater than your 2012 combined state and school district income tax. For purposes of these tests, your year 2012 overpayment credited to year 2013 does not include any year 2012 tax payment that you made after April 15,

Estimated payments can be made electronically on our Web site at **tax.ohio.gov**. Or you can obtain Ohio form SD 100ES from our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782.

Where Can I Find the Ohio Law References About School District Taxes?

Line Instructions for Ohio Form SD 100

Be sure to keep a copy of this return for your records. If during 2012 you resided in or had school district income tax withheld for more than one of the school districts listed on pages SD 7-8, you must complete a <u>separate</u> return for each of those school districts.

Line 1 – <u>Traditional</u> Tax Base School District Filer

- If you filed your Ohio income tax return using Ohio form IT 1040EZ or IT 1040, enter the amount from line 5.
- If you filed your Ohio income tax return using TeleFile, enter the amount from line 13a of your Ohio TeleFile worksheet.

<u>Earned Income Only</u> Tax Base School District Filer

- ➤ Do <u>not</u> enter on line 1 of your Ohio form SD 100 the amount from line 5 of Ohio form IT 1040EZ or IT 1040, and do <u>not</u> enter any amount from your TeleFile worksheet.
- Complete Schedule A (lines 19-22) on page 2 of Ohio form SD 100 and enter on line 1 the amount you show on line 22.

Line 2 – Adjustments for Part-Year Residents and Full-Year Nonresidents of Traditional Tax Base School Districts

Complete this line only if you were either a part-year resident or a full-year nonresident of a **traditional** tax base school district. Leave this line blank if you are filing this return for an **earned income only** tax base school district (see page SD 7).

Enclose with this return a detailed explanation telling us why you are entering an amount on this line. Common reasons include the following:

- Part-year resident of the <u>traditional</u> tax base school district.
- Full-year nonresident of the **traditional** tax base school district.
- An individual not domiciled in the <u>traditional</u> tax base school district but merely using a mailing address located within that school district.

If you claim that you are domiciled outside the school district, include in your explanation the full address where you claim to be domiciled.

Note: Be sure that your explanation includes your full name, your Social Security number and the phrase "2012 SD 100."

Show on this line the portion of your Ohio taxable income (line 5 of Ohio form IT 1040EZ or IT 1040, or line 1 of Ohio form SD 100) that you earned while you were

a resident of another school district. The amount you show on this line must be "net" of all related deductions that you claimed on the front page of your federal income tax return and on Schedule A of your Ohio form IT 1040 (see example that follows).

Example for Line 2 – <u>Traditional</u> Tax Base School District Filers Only

For only part of the year Lee was a resident of the Reynoldsburg City School District, which imposes a school district income tax and is <u>not</u> an <u>earned income only</u> tax base school district. Lee lived in Columbus for the remainder of the year. There is no Columbus school district income tax.

While Lee was residing in the Reynoldsburg City School District, she earned \$39,000 in wages and \$5,000 in interest from bonds issued by another state (this interest is not subject to federal income tax, but is subject

to Ohio income tax and to Reynoldsburg City School District income tax). While Lee was residing in the Columbus City School District she earned \$31,000 in wages and dividends, paid \$10,000 in alimony, incurred a \$3,000 capital loss and paid \$2,000 into a medical savings account she established on Dec. 31 (the \$2,000 contribution qualifies for the medical savings account deduction on Schedule A of Ohio form IT 1040).

Line 3 – School District Taxable Income

For a <u>traditional</u> tax base school district (see listings on pages SD 7-8), subtract line 2 from line 1 and enter the difference on line 3.

For an <u>earned income only</u> tax base school district, the amount you enter on line 3 will be the same amount that you enter on lines 1 and 22. **Exception:** If less than zero, enter -0- on this line.

Example of Part-Year Resident Adjustment Line 2 on Ohio Form SD 100 – Traditional Tax Base Filers

Computation of Federal Adjusted Gross Income Wages and dividends \$70.000

Computation of Ohio Taxable Income	
Federal adjusted gross income	\$57,000
Capital loss deduction	<u>- 3,000</u>
Deduction for alimony paid	- 10,000

Computation for Line 2 (Ohio Form SD 100), Adjustment for the Portion of Lee's Ohio Taxable Income Not Earned While a Resident of the Reynoldsburg City School District

Income earned while not a resident of the Reynoldsburg
City School District \$31,000

Reynoldsburg City School District taxable income (line 3 on Ohio form SD 100).....

(ψ ι υ, υ υ υ

\$42,300

Line 5 - Senior Citizen Credit

To claim the senior citizen credit (limit \$50 per return), you or your spouse, if married filling jointly, must be 65 or older before Jan. 1, 2013. If you are filling a joint return, only one credit of \$50 is allowed even if you and your spouse are both 65 or older.

Line 7 – Interest Penalty

Except as set forth below, if the tax on line 6 minus the amount on line 11 is more than \$500, complete and enclose Ohio form IT/SD 2210, which can be found on our Web site at **tax.ohio.gov.** Enclose the corresponding worksheet only if you annualize. Last year's overpayment credited to this year and timely paid estimated taxes reduce the interest penalty you might otherwise owe.

Exception: You do not need to complete Ohio form IT/SD 2210 if the sum of (i) line 12 of Ohio form SD 100 and (ii) your 2011 school district income tax overpayment credited to 2012 is equal or greater than one of the following:

 90% of your 2012 school district income tax (line 8, 2012 SD 100); OR 100% of your 2011 school district income tax (line 7, 2011 SD 100).

Note: For purposes of this exception, you must reduce your 2011 school district income tax overpayment credited to 2012 by any 2011 income tax you paid after April 17, 2012.

Line 9 – School District Income Tax Withheld

Enter only the school district withholding tax that is identified on your W-2(s), W-2G(s) and/or 1099-R(s) for the school district for which you are filing this return (see the upper right-hand corner on page 1 of Ohio form SD 100).

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) and/or 1099-R(s) on top of Ohio form SD 100. Do not staple, tape or glue.
- Confirm that the withholding reported is for school district withholding and not local withholding. Generally, school district withholding appears directly below the local income tax in box 19 and the school district four-digit number or school district name appears in box 20. On occasion, the

- school district withholding may appear in box 14.
- If you have W-2(s), W-2G(s) and/or 1099-R(s) for more than one taxing school district, you must file a separate Ohio form SD 100 for <u>each</u> taxing school district. Be sure to include the correct school district number on each return.

Line 10 – 2012 Estimated and Extension Payments and 2011 Overpayment Credited to 2012

Amounts carried over or paid for one school district cannot be used for any other school district.

Line 13 – Overpayment Credited to Year 2013

Indicate the amount of line 12 that you want us to credit to your 2013 school district tax liability. You can't apply a credit against a balance due for any of the following: another school district's tax, a school district tax that has expired, another person's tax, any prior year's tax or your Ohio income tax.

Sample W-2 - This form reports taxpayers' wages and withholding

See "School District Income Tax Withheld" instructions above (Ohio form SD 100)

Place all W-2 documents on top of page 1 of your Ohio school district income tax return. Do not use staples, tape or glue.

Box 19/20 – Only claim the school district tax in box 19 for the school district that is identified in box 20 (which will show "SD" and a four-digit code or "SD" and the abbreviated name of the school district).

Line 16 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 14), interest is due from April 16, 2013 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** the refund, if any, shown on line 18 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2013 is 3%.

Penalty may be due on late-filed returns and/or late-paid tax. For more information, see "Do I Owe Penalties and Interest?" on page SD 2.

Line 17 – Amount Due Plus Interest and Penalty

Add lines 15 and 16 to calculate the amount you owe.

- Do not mail cash.
- Make payment by electronic check or credit card (see page 8); OR
- Make your paper check or money order payable to School District Income Tax. Write your school district number, the last four numbers of your Social Security number and "2012 SD 100" on your paper check or money order. Include Ohio form SD 40P (see our Web site at tax.ohio.gov) and your payment with Ohio form SD 100.

If you cannot pay the amount you owe, you still must file the return by April 15, 2013 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 14). For additional information regarding payments, see page 8.

Line 18 - Your Refund

This is your refund after any reduction on line 16. If line 16 is more than the overpayment shown on line 14, you have an amount due.

Enter this amount on line 17 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-ad-

dress form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

Schedule A – Earned Income Only Tax Base (Lines 19, 20, 21 and 22)

Complete Schedule A on Ohio form SD 100 only if you entered on page 1 of Ohio form SD 100 an **earned income only** tax base school district number (see listings on page SD 7).

Taxpayers domiciled in any of the <u>earned</u> <u>income only</u> tax base school districts pay school district income tax only on qualifying earned income, which is generally limited to wages and self-employment income. For additional information, see the "Tax Type" discussion on page SD 1.

Note: If your filing status is married filing jointly, then complete Schedule A for both you and your spouse.

Line 19 – Wages and Other Compensation

Show on this line the amount you reported on IRS form 1040, line 7; 1040A, line 7; or 1040EZ, line 1 that you earned while you were a resident of an <u>earned income only</u> tax base school district.

Note: Do not include military pay and allowances, if any, that you received while you were stationed outside Ohio for active duty service in the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard or Reserve components thereof, or the National Guard.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station, as defined in the Joint Federal Travel Regulations, Appendix A. This refers to the place where the servicemember performs his military duty. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, is not included in the definition of "stationed."

Line 20 – Net Earnings from Self-Employment

Show on this line your net earnings from self-employment (see IRS form 1040, Schedule SE, Section A, line 4 or Section B, line 6) that (i) you earned while you were a resident of an **earned income only** tax base school district and (ii) are included in Ohio taxable income (line 5 on Ohio form IT 1040). Do not include on this line minister housing allowances that are not part of line 5 of Ohio form IT 1040 even though they do constitute net earnings from self-employment.

Enter on this line only the portion of your net earnings while you were a resident of the <u>earned income only</u> tax base school district. Enclose with this return a copy of IRS form 1040, Schedule SE. Be sure to enter the date of nonresidency on Ohio form SD 100.

Line 21 – Depreciation Expense Adjustment

This depreciation expense adjustment might be utilized if Ohio were not in conformity with the IRS based on entries from the Ohio IT 1040, lines 33e/f. At the time of this publication, Ohio was in conformity with the IRS, therefore all entries on this line would be "0." For more information, see **tax.ohio.gov** for our notice concerning Ohio Revised Code section 5701.11 and miscellaneous federal tax adjustments.

For information on where to mail your return, see page 9.

Online Services/Ohio I-File

Use your computer to file your Ohio individual and/or school district income tax returns.

Ohio I-File guides you through a series of questions and information requests.

Based upon the information you provide, I-File computes your refund or balance due and electronically submits the tax information. I-File provides you with a transcript of the tax information that you submitted and gives you a filing confirmation number. Using this service is <u>free</u>. See Online Services at tax.ohio.gov.

Go to page Tel 1 of this booklet for specific instructions on how to use Ohio TeleFile. Fill out the simple TeleFile worksheet, then use a touch-tone phone to call toll-free 1-800-697-0440 to file your return. You can call anytime – our TeleFile lines are available 24 hours a day, seven days a week.

IRS e-file

Use your tax software to file your tax returns or ask your tax preparer for assistance.

IRS e-file is a way to file your return electronically with the IRS

and Ohio. You can prepare your own return and e-file it through an approved software program or you can have your return prepared and transmitted by an authorized tax professional. Depending on the tax professional and the specific services requested, a fee may be charged. More information, including a free federal e-filing program for qualified individuals, is available at www.irs.gov.

Electronic Payments and Refunds

Pay by Electronic Check or Credit Card

Why not eliminate writing a check if you have tax due? Simply make your payment by using an **electronic check**. You can use this option to pay your tax due for your 2012 Ohio income tax return and/or school district income tax return. You can also use an **electronic check** to file and pay your 2013 estimated income tax (Ohio form IT 1040ES) and/or your estimated school district income tax (Ohio form SD 100ES). You may also use your Discover/NOVUS, VISA, MasterCard or American Express card to pay your income taxes. You may make the credit card payments by either visiting **tax.ohio.gov**

or calling **1-800-2PAY-TAX**. To find out more about electronic payment options, see page 8.

Direct Deposit Your Refund

Direct deposit is fast, simple, safe and secure. File your return electronically and use the direct deposit refund option to have your refund deposited automatically into your checking or savings account as well as an Individual Retirement Account or Annuity (IRA), or a pre-existing program administered by the Ohio Tuition Trust Authority (OTTA). See page 7 for details or visit our Web site at **tax.ohio.gov.**
